

Distribution of birth moments by delta for PPAR

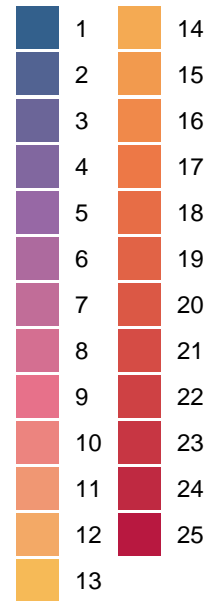

Distribution of birth moments by delta for MAPK

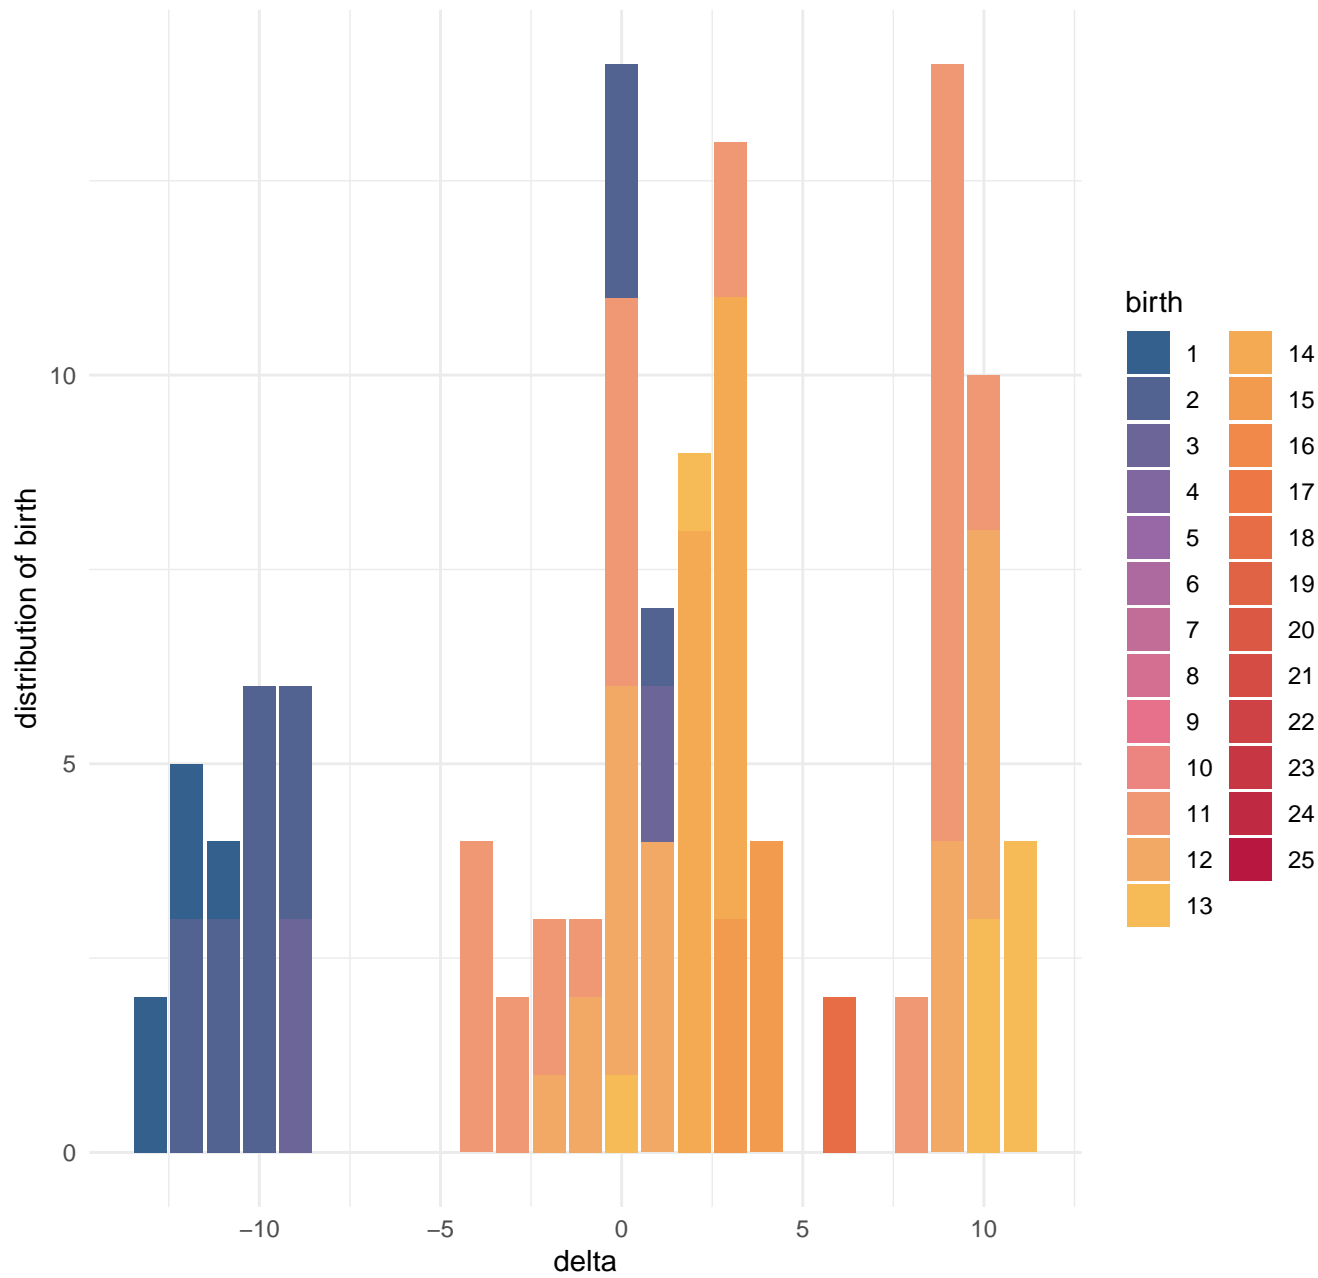

distribution of birth

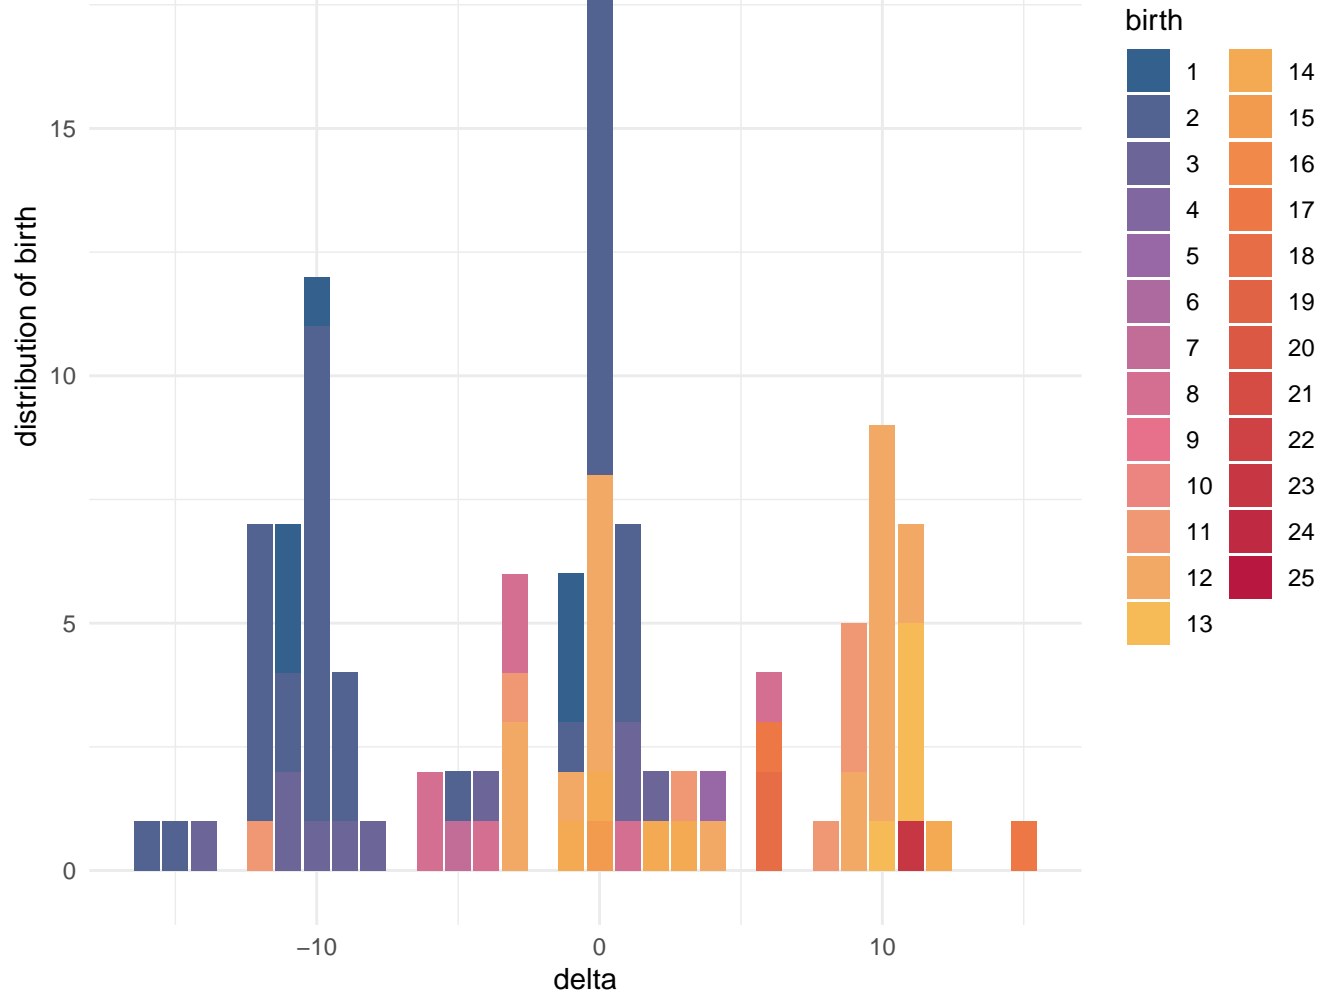

birth

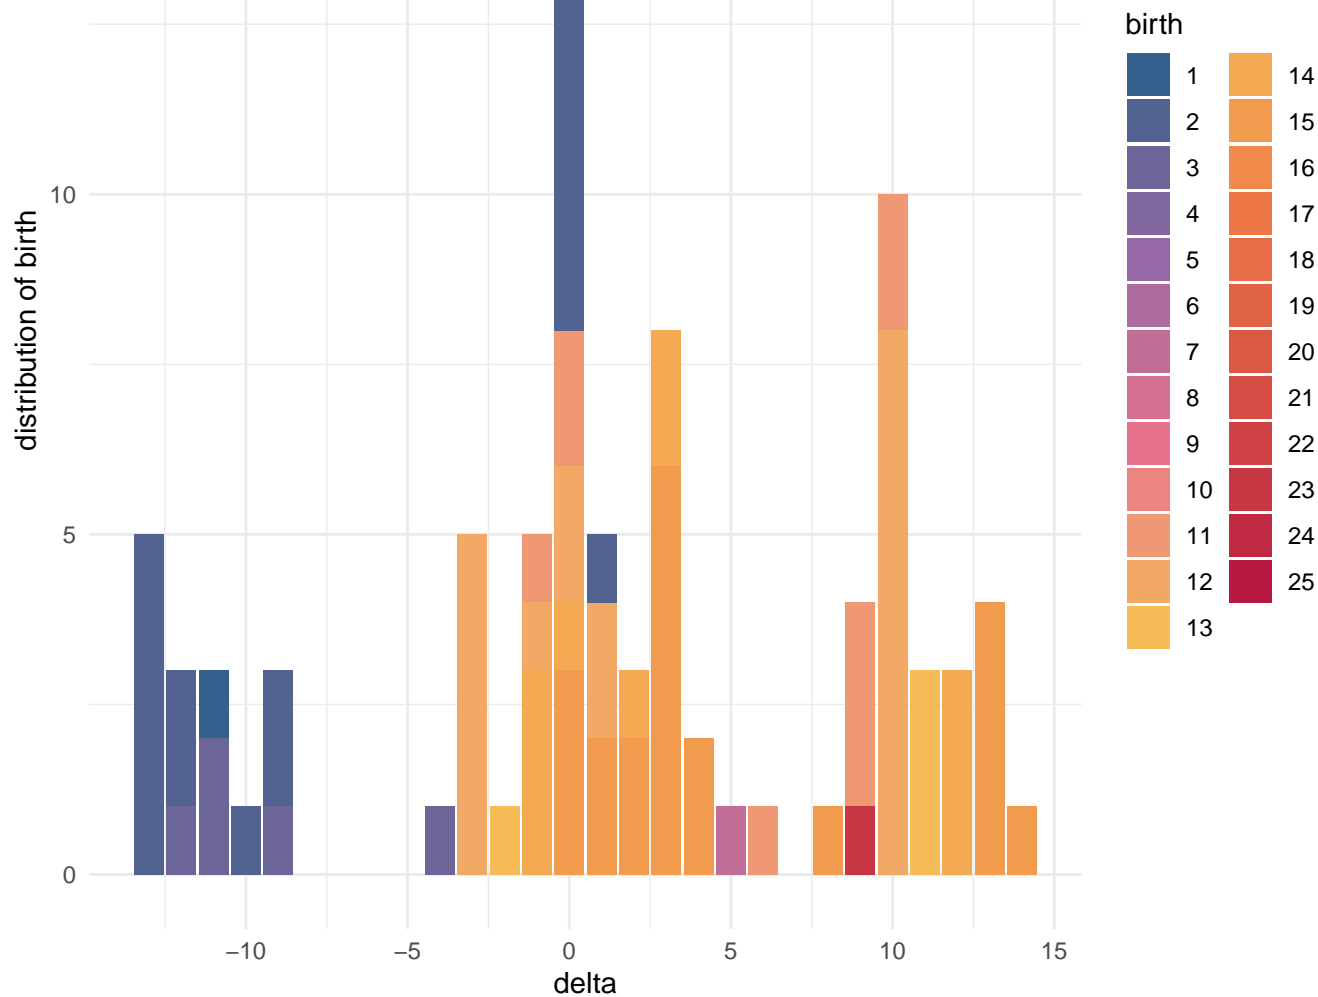

Distribution of birth moments by delta for ErbB

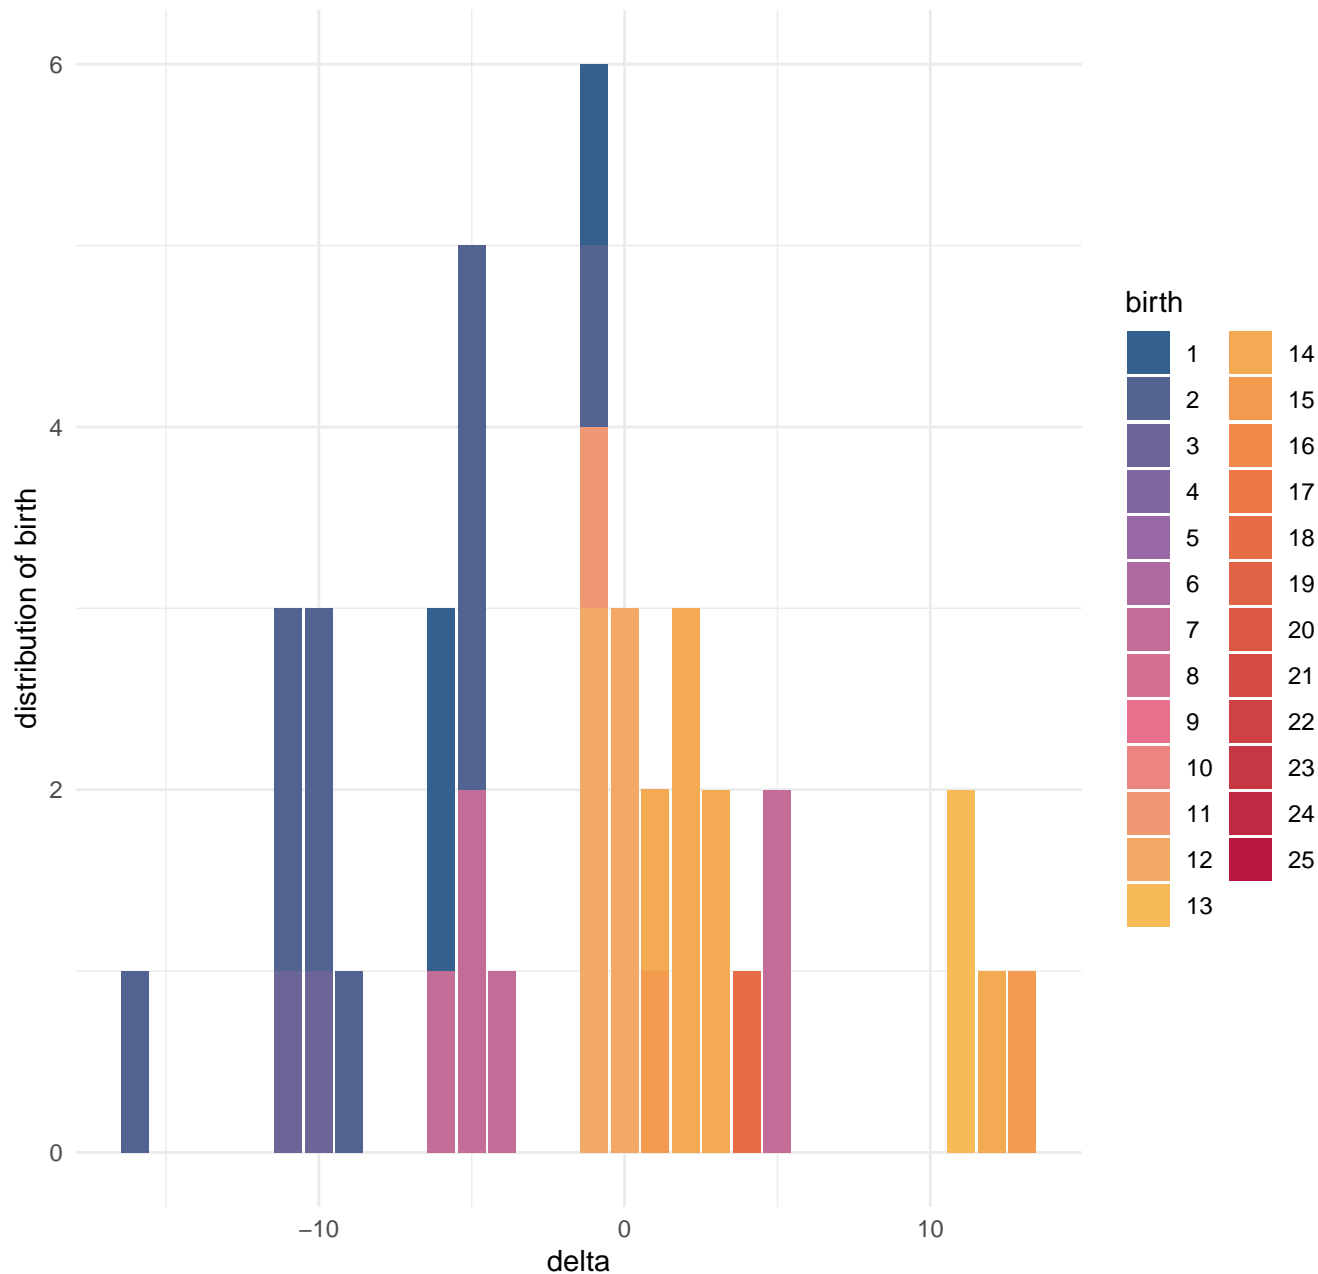

Distribution of birth moments by delta for Ras

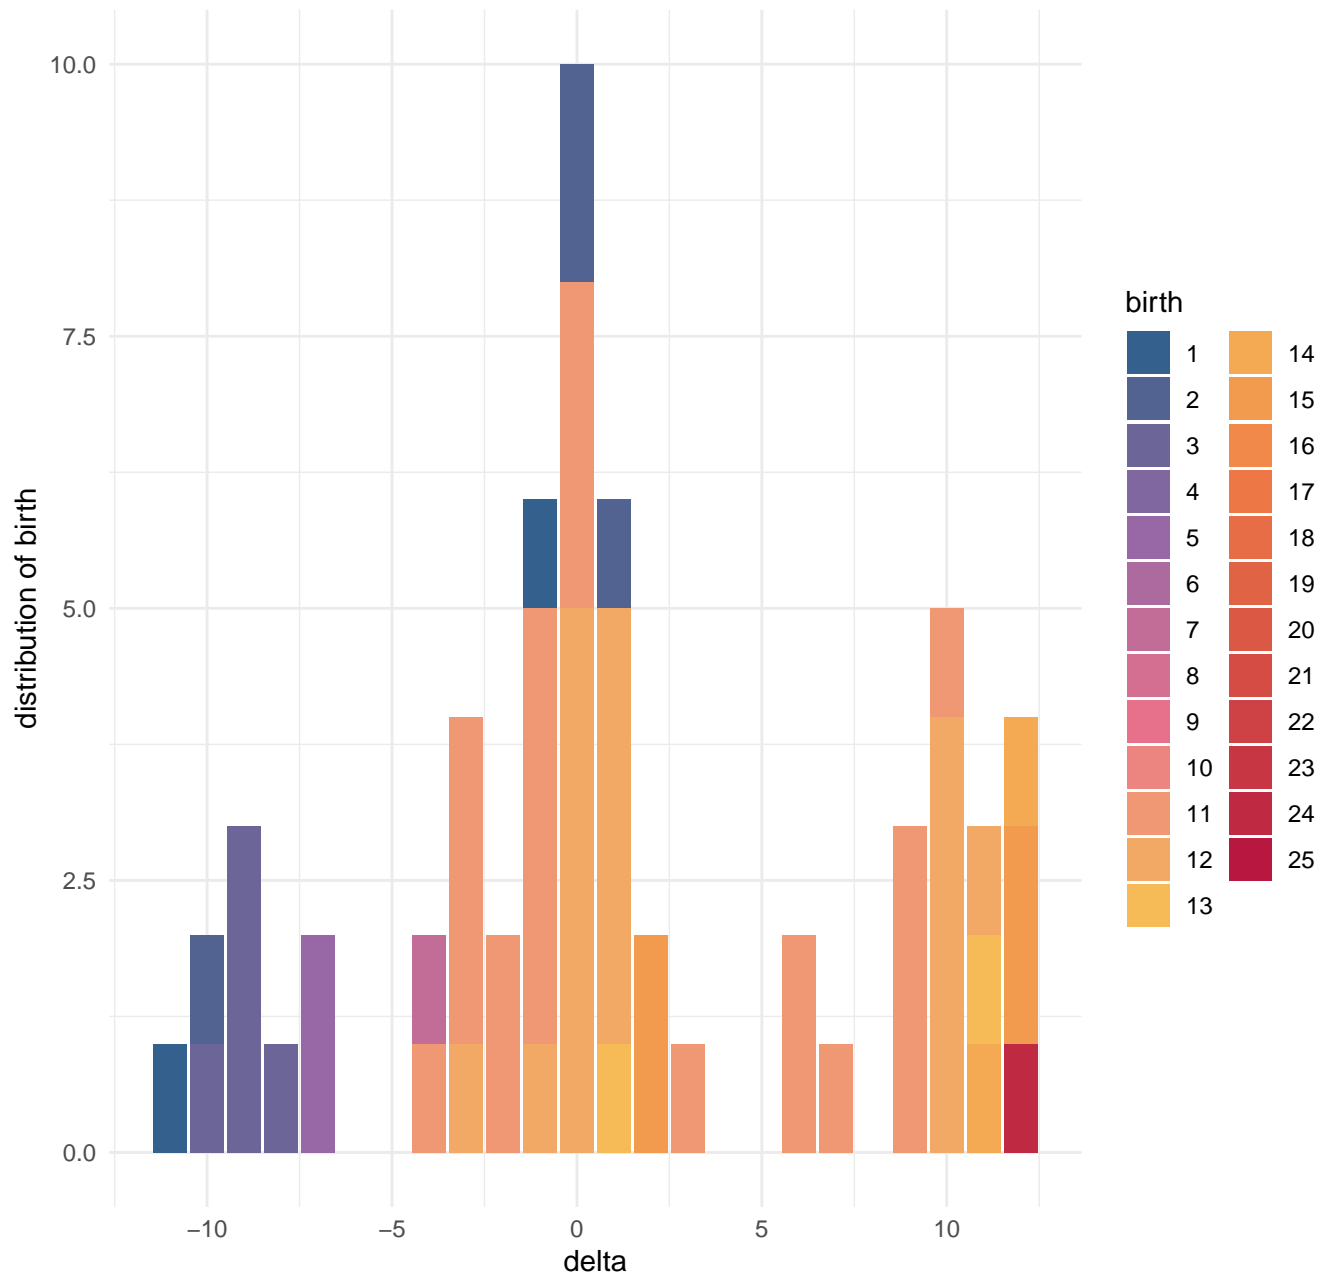

Distribution of birth moments by delta for Rap1

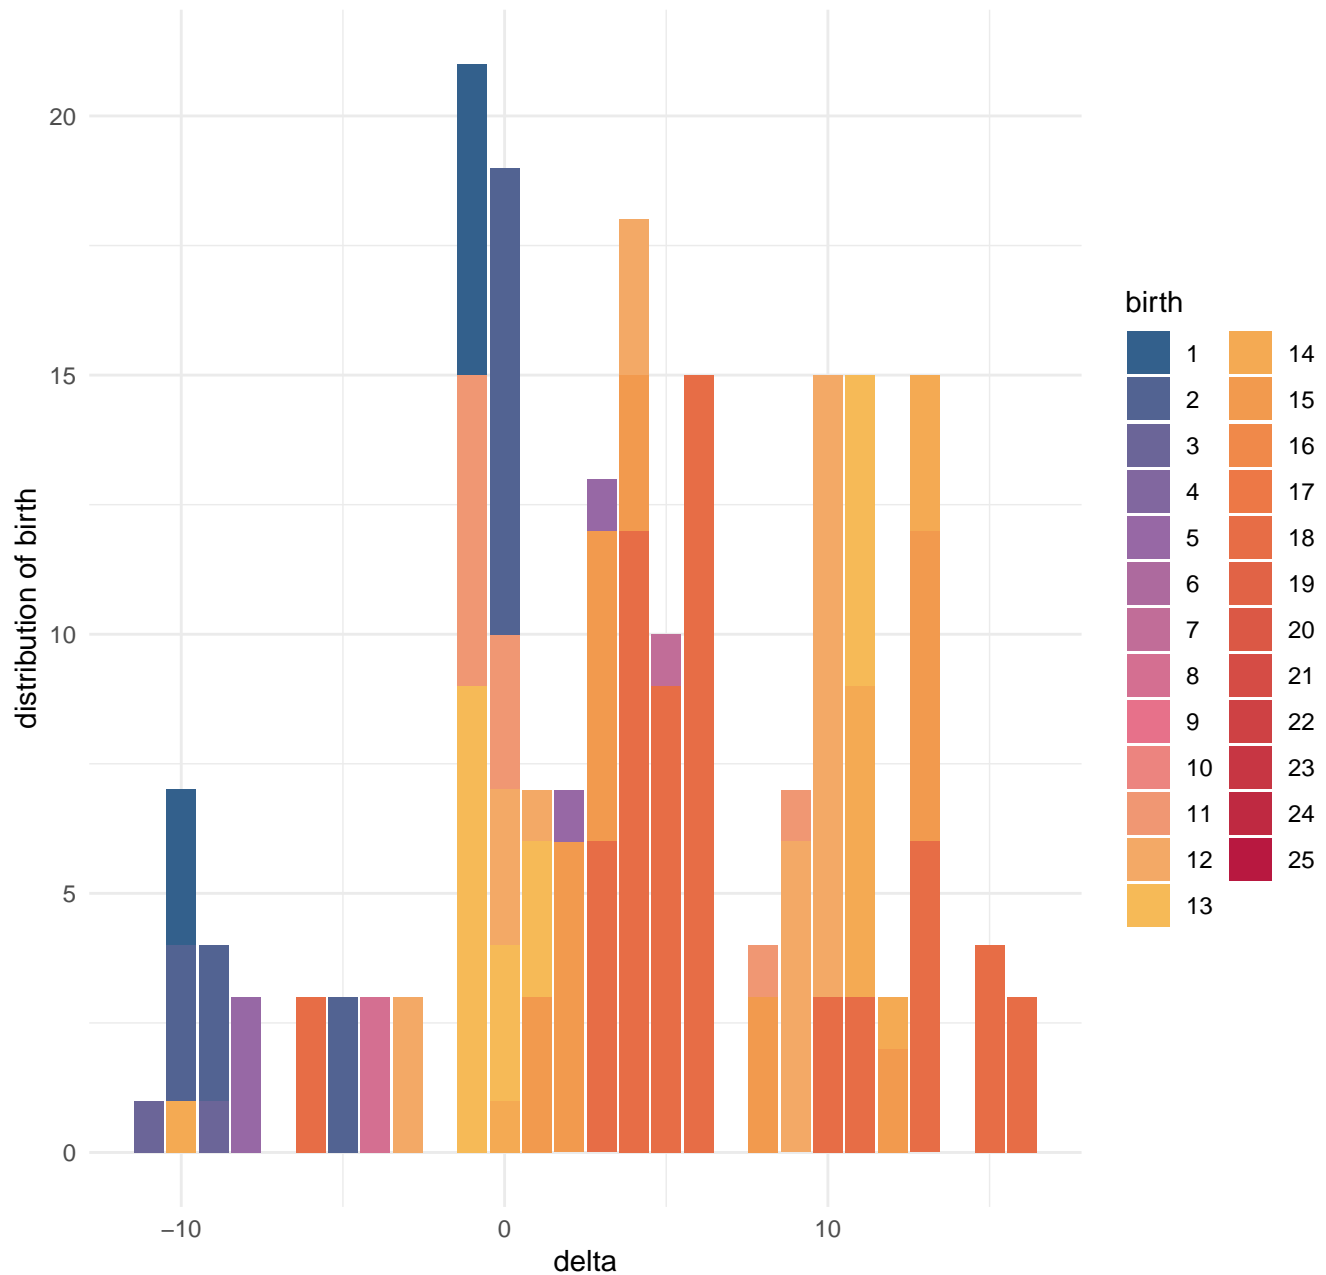

Distribution of birth moments by delta for Calcium

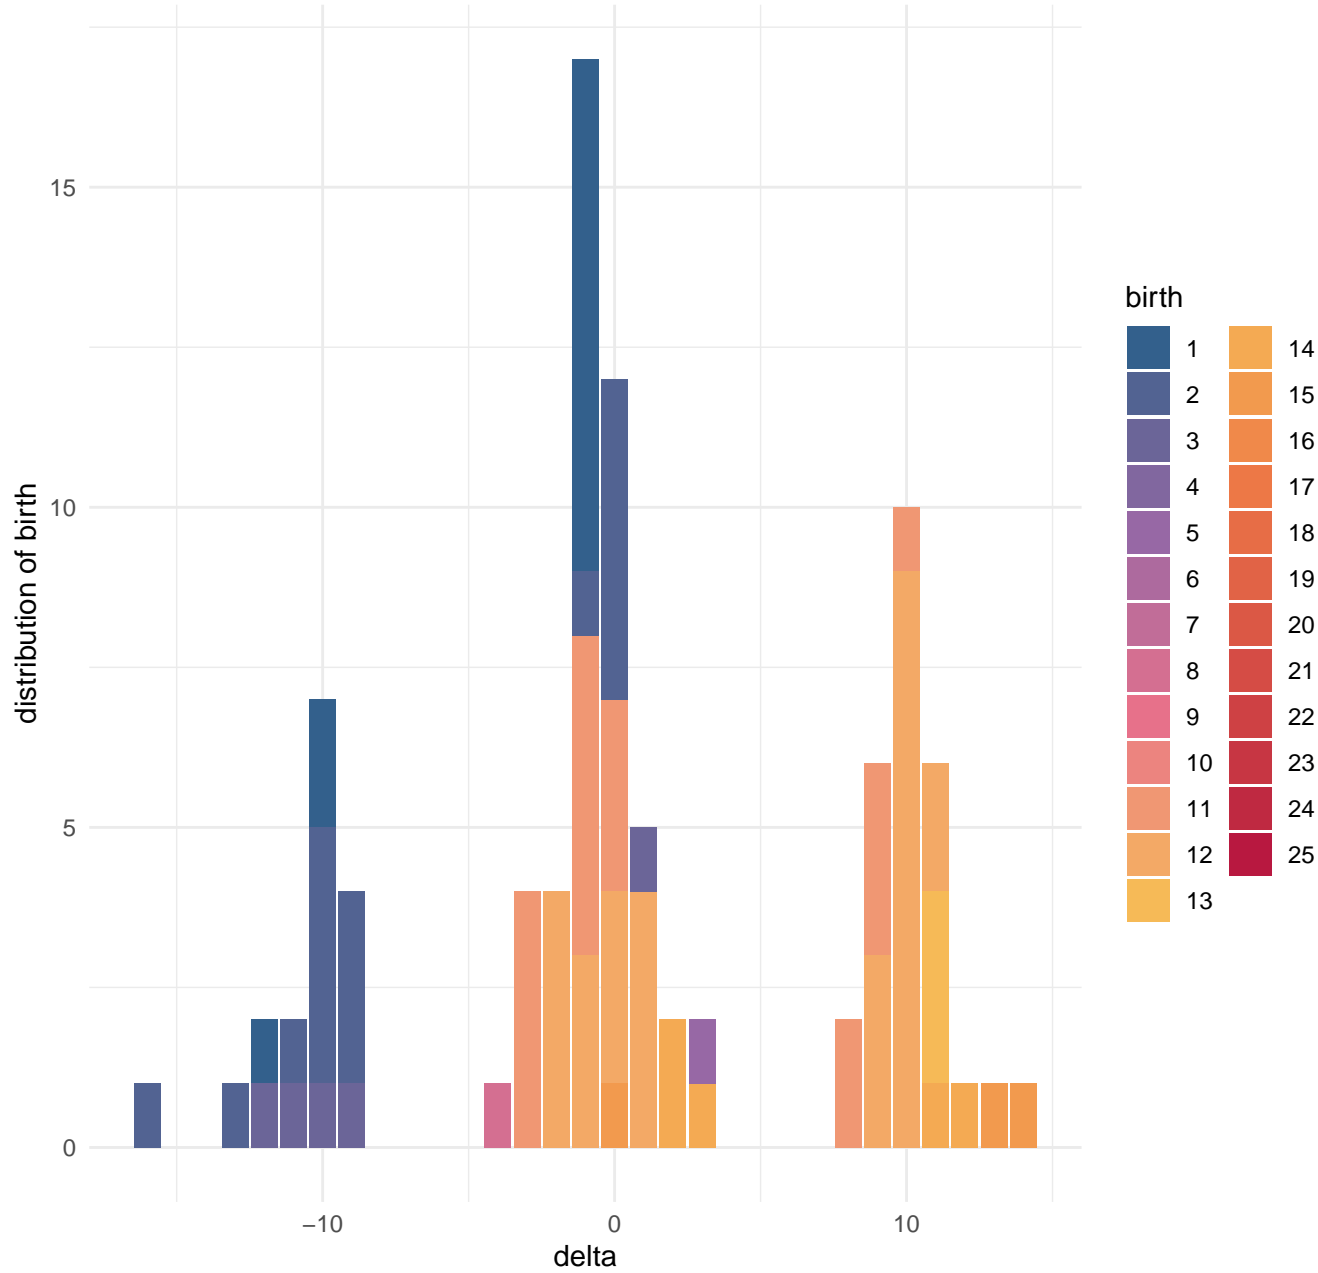

Distribution of birth moments by delta for cGMP-PKG

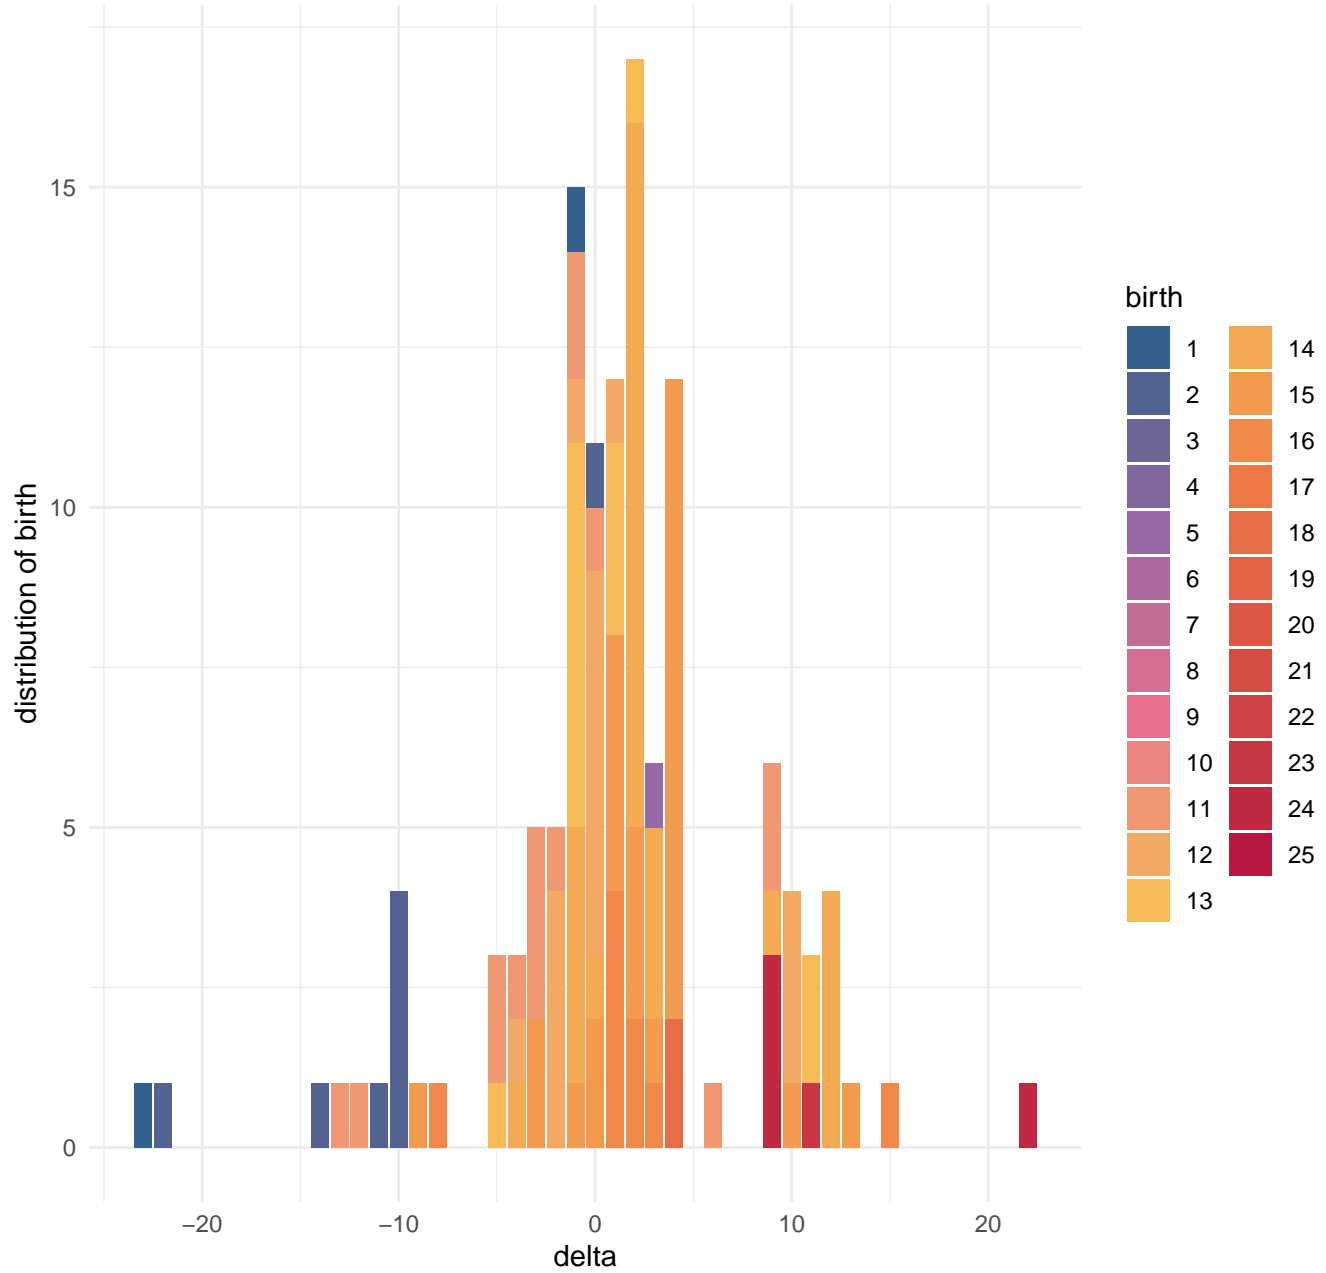

Distribution of birth moments by delta for cAMP

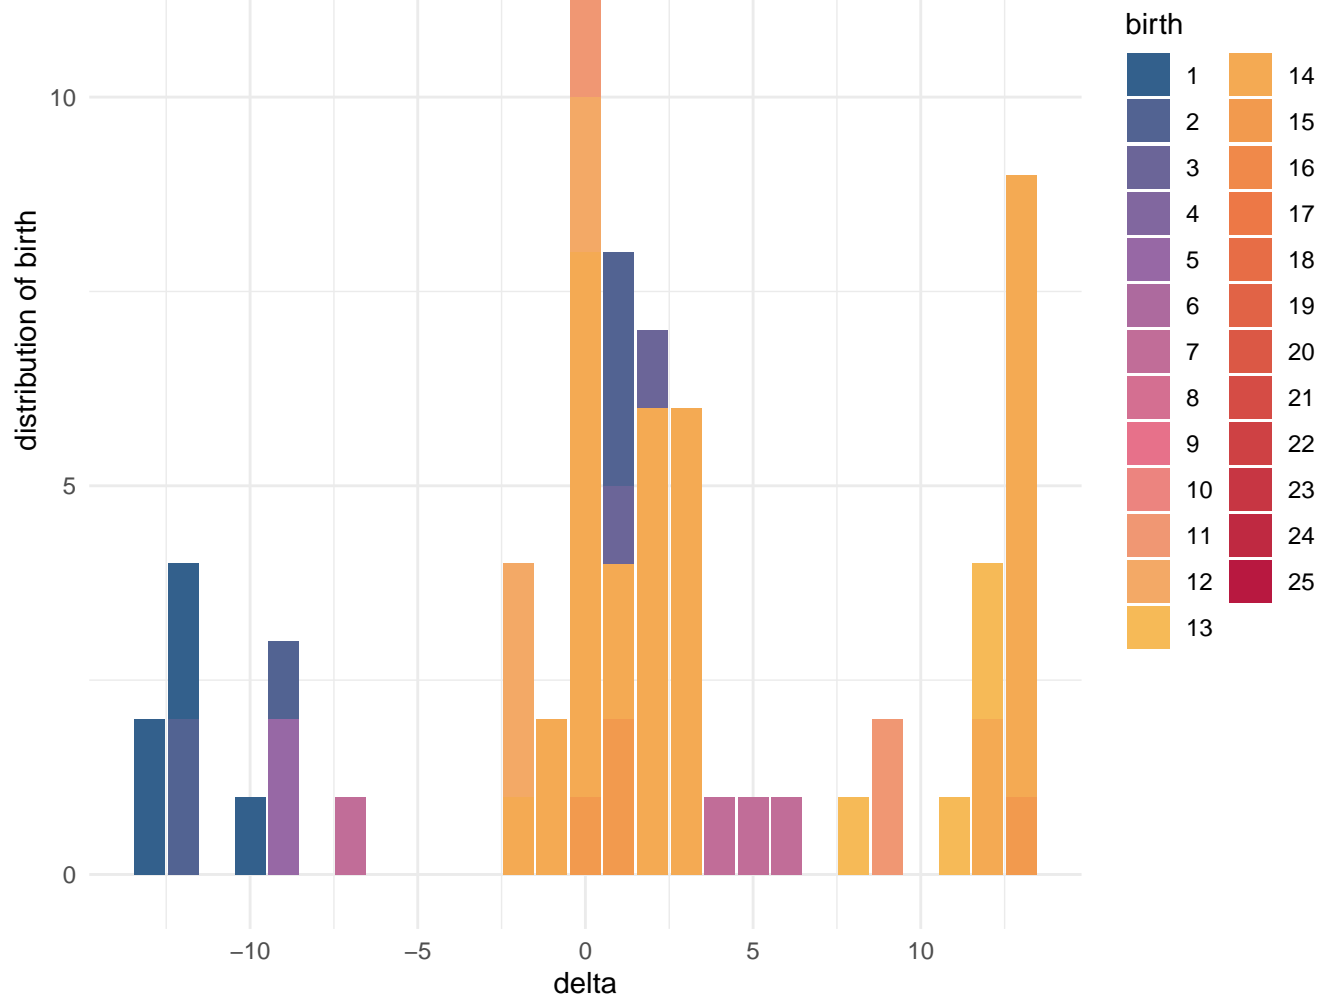

Distribution of birth moments by delta for Chemokine

Distribution of birth moments by delta for NF-kappa B

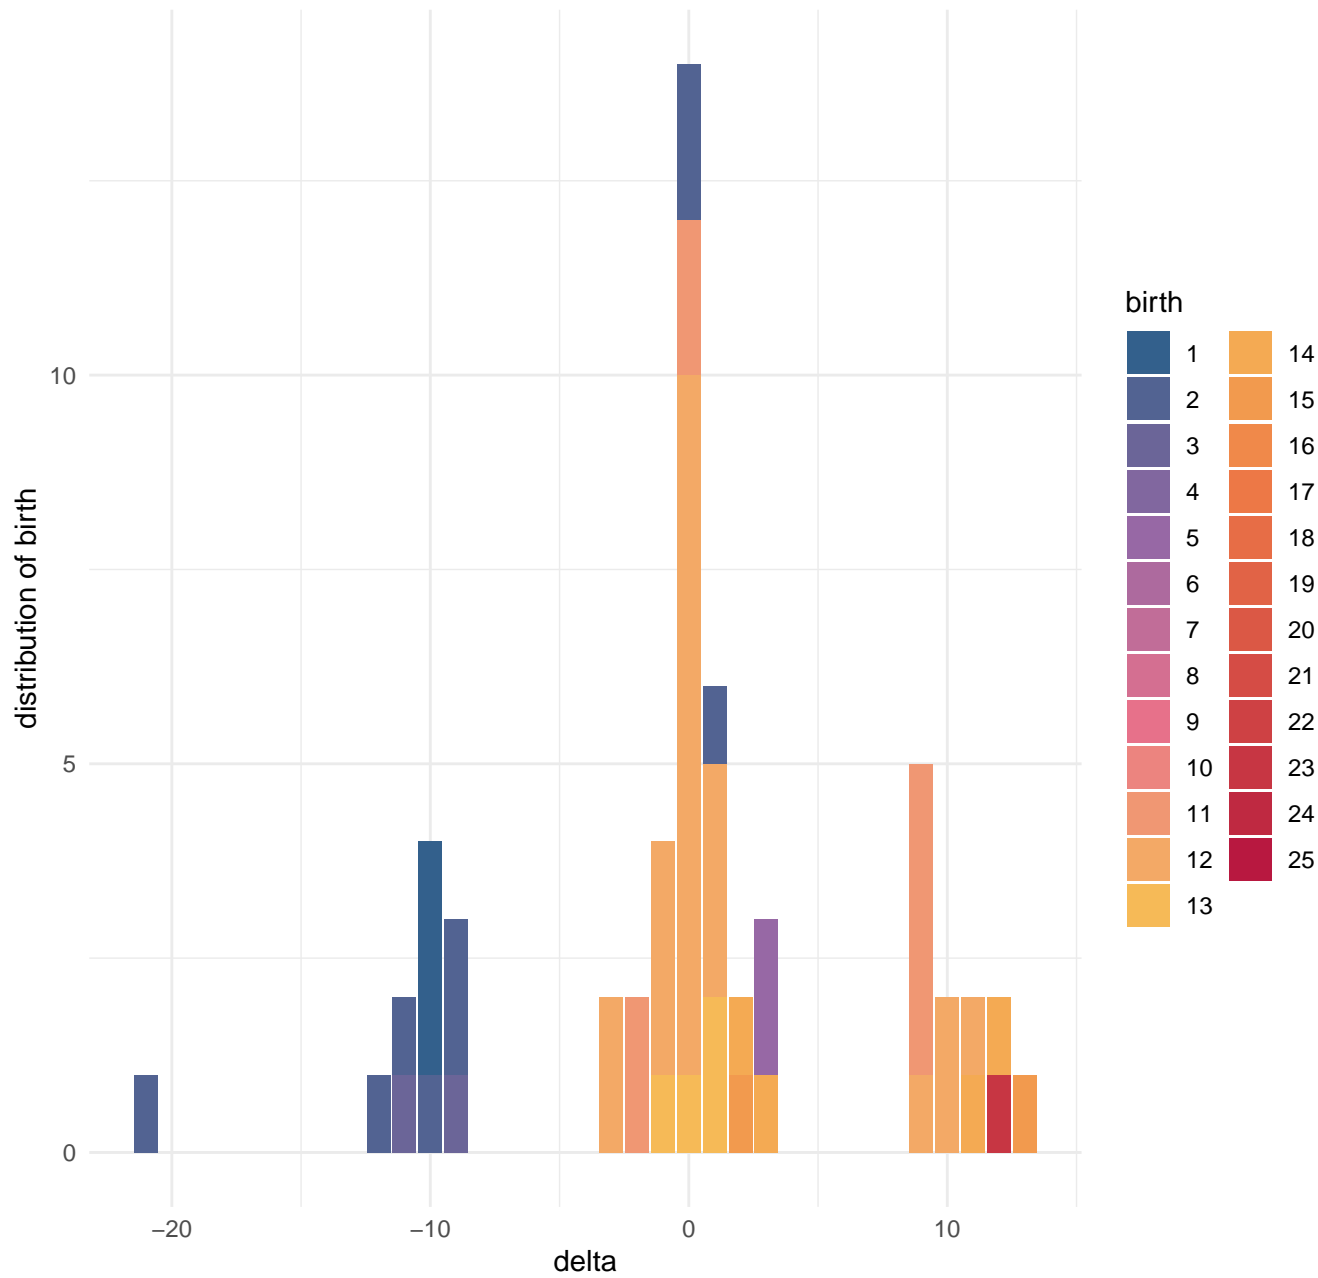

Distribution of birth moments by delta for HIF-1

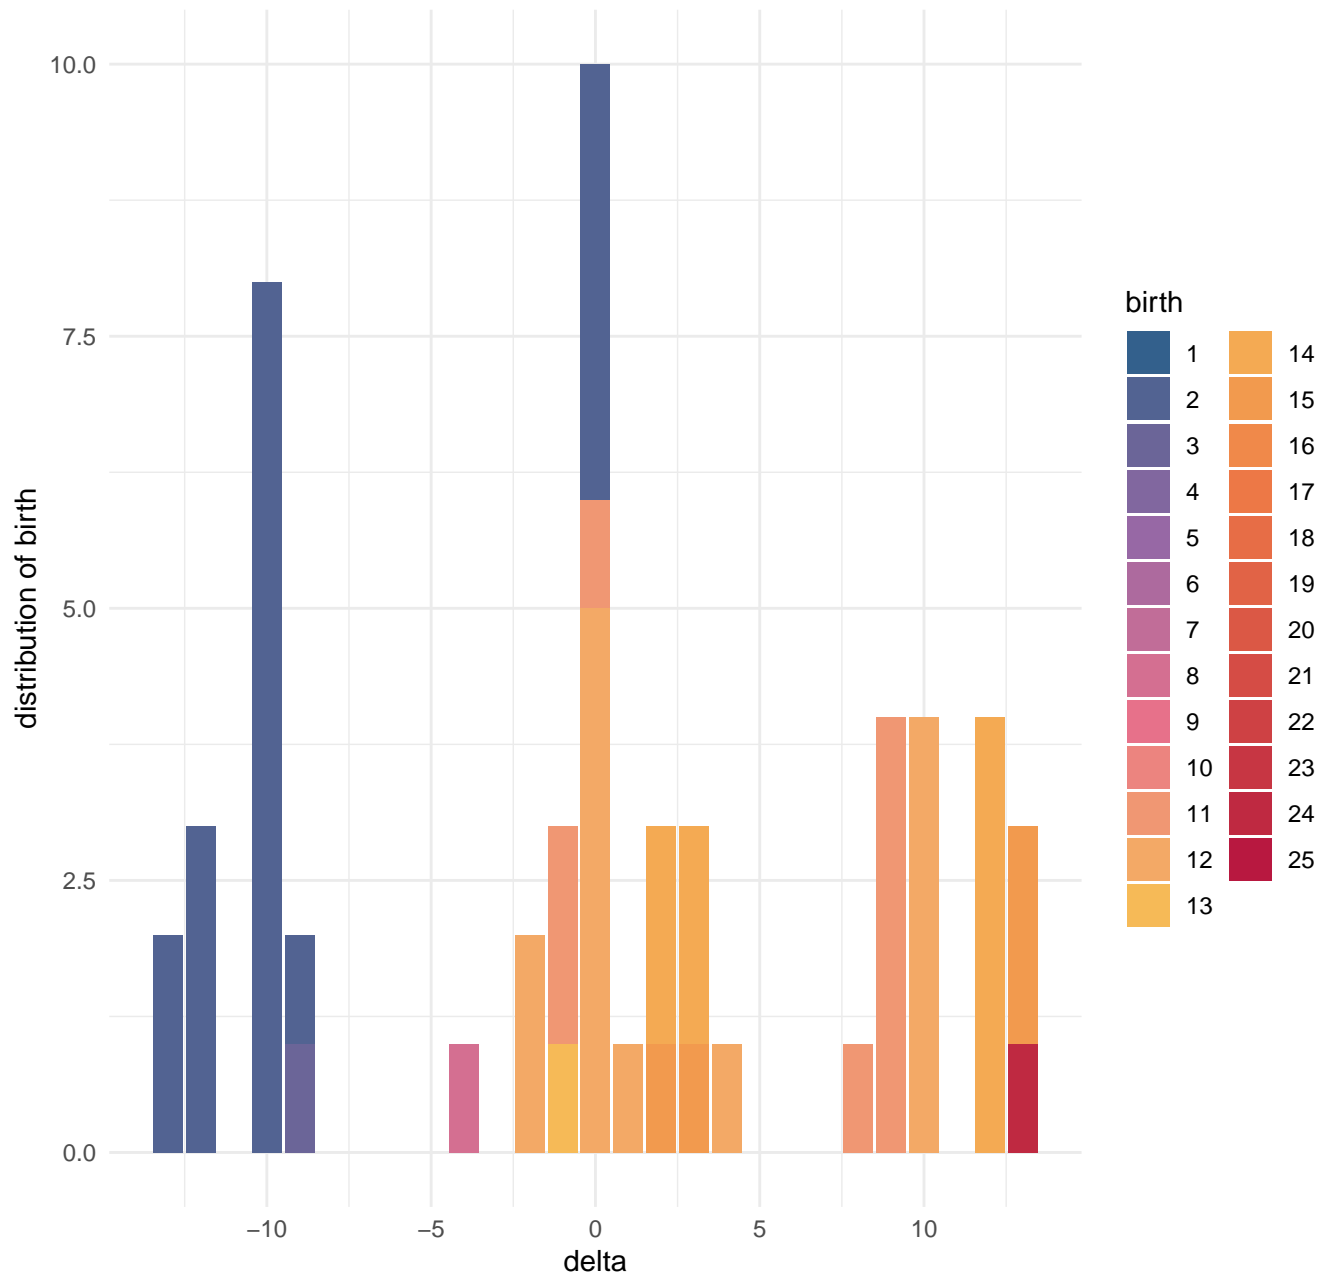

Distribution of birth moments by delta for FoxO

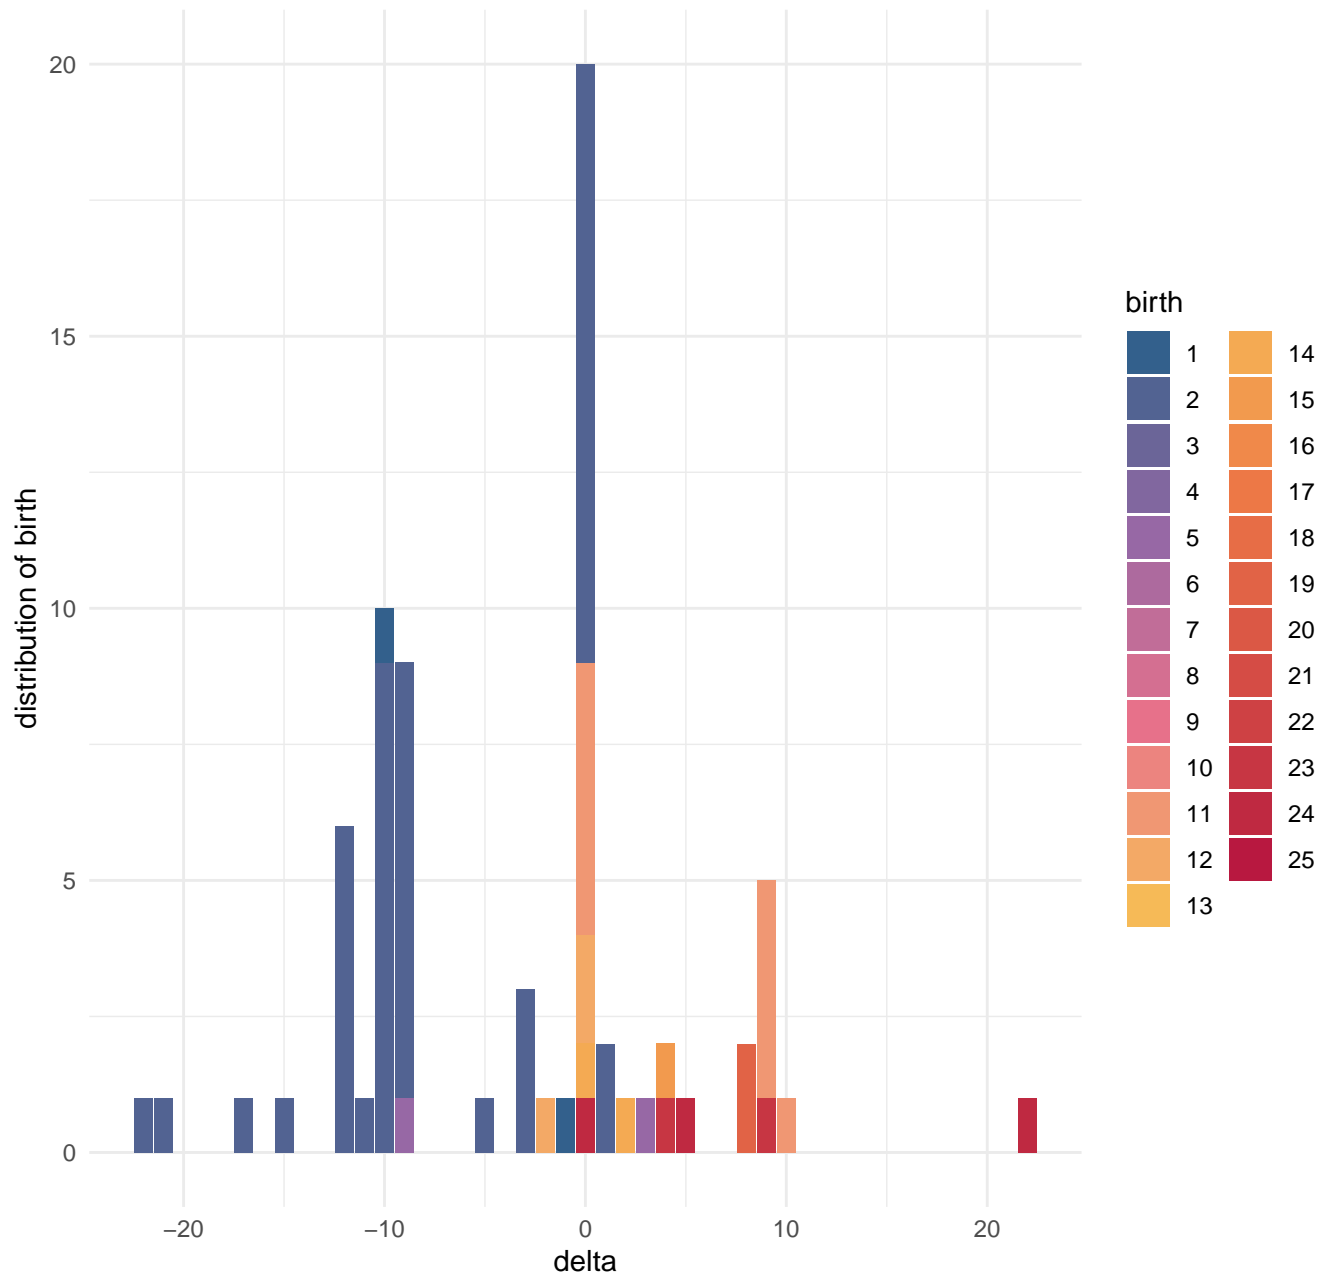

Distribution of birth moments by delta for Sphingolipid

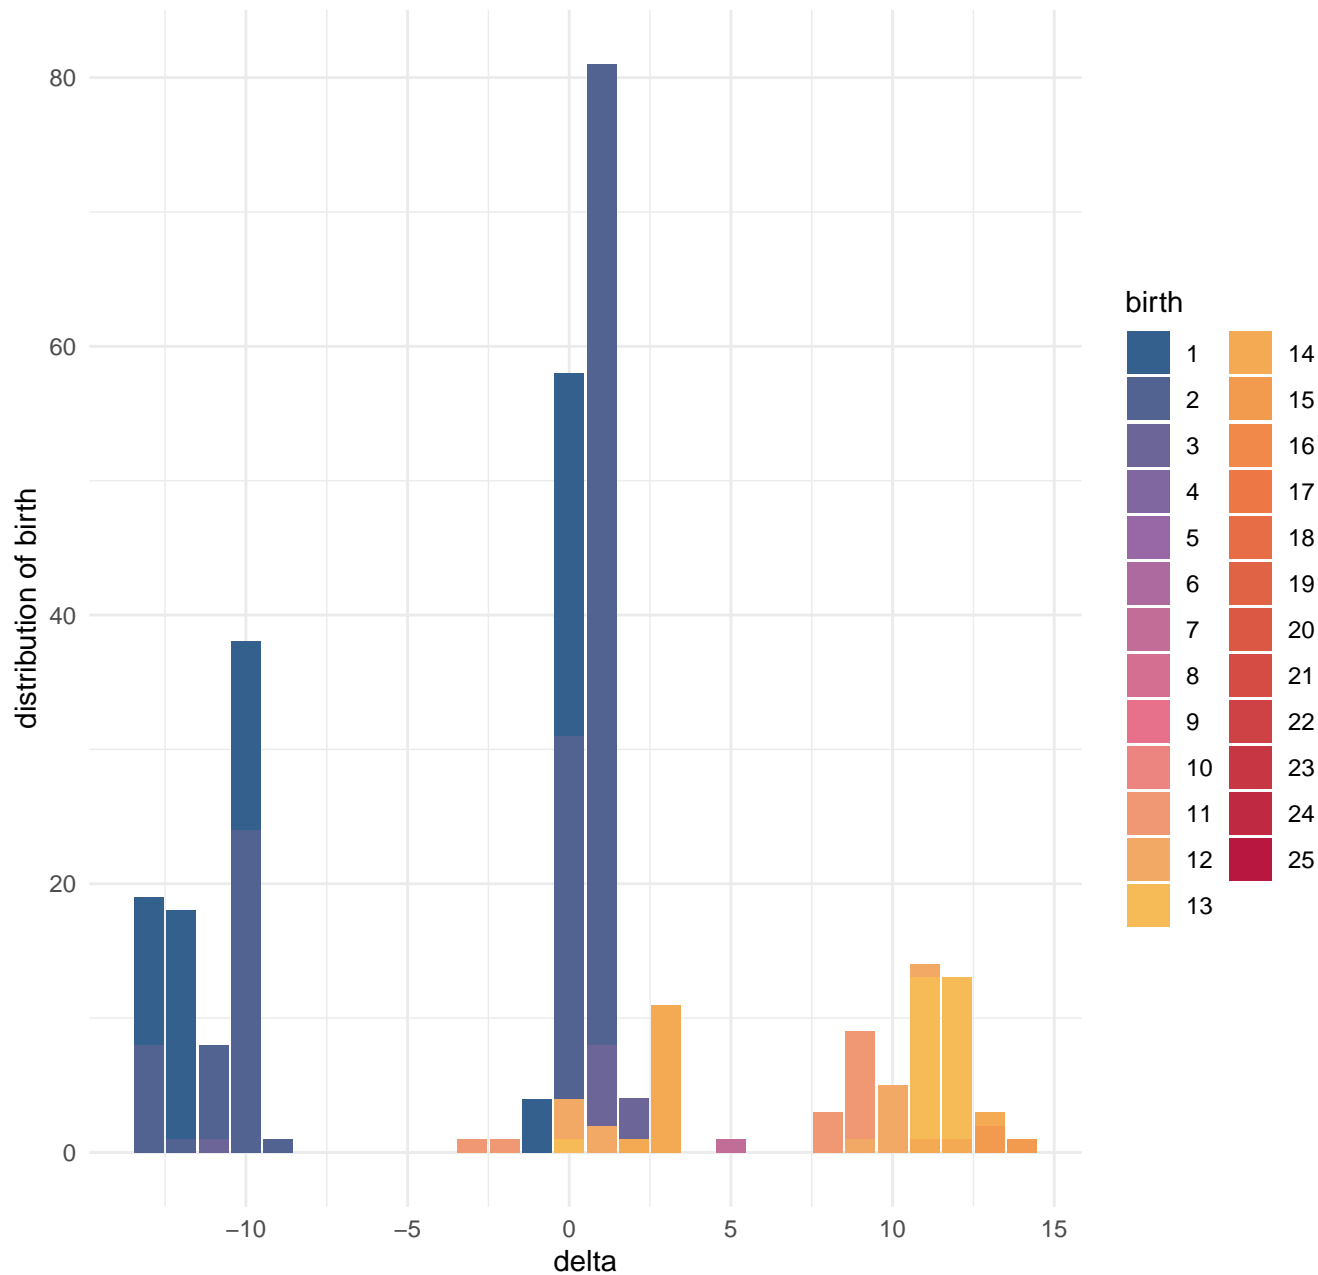

Distribution of birth moments by delta for Phospholipase D

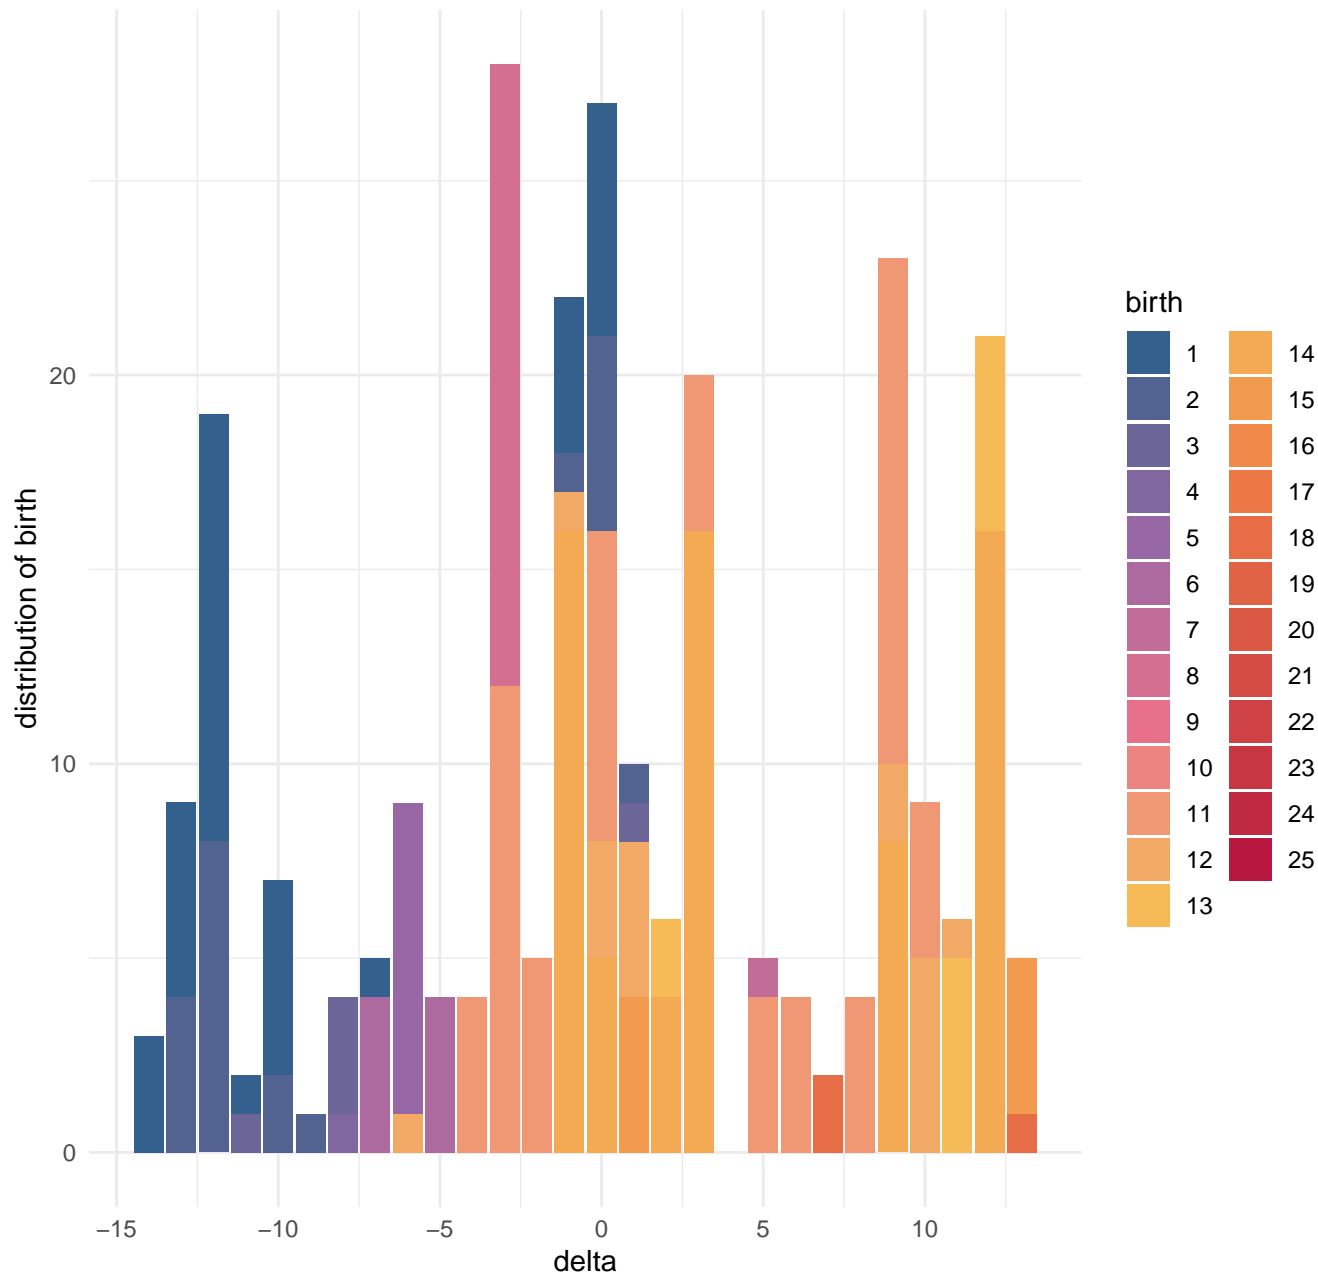

Distribution of birth moments by delta for p53

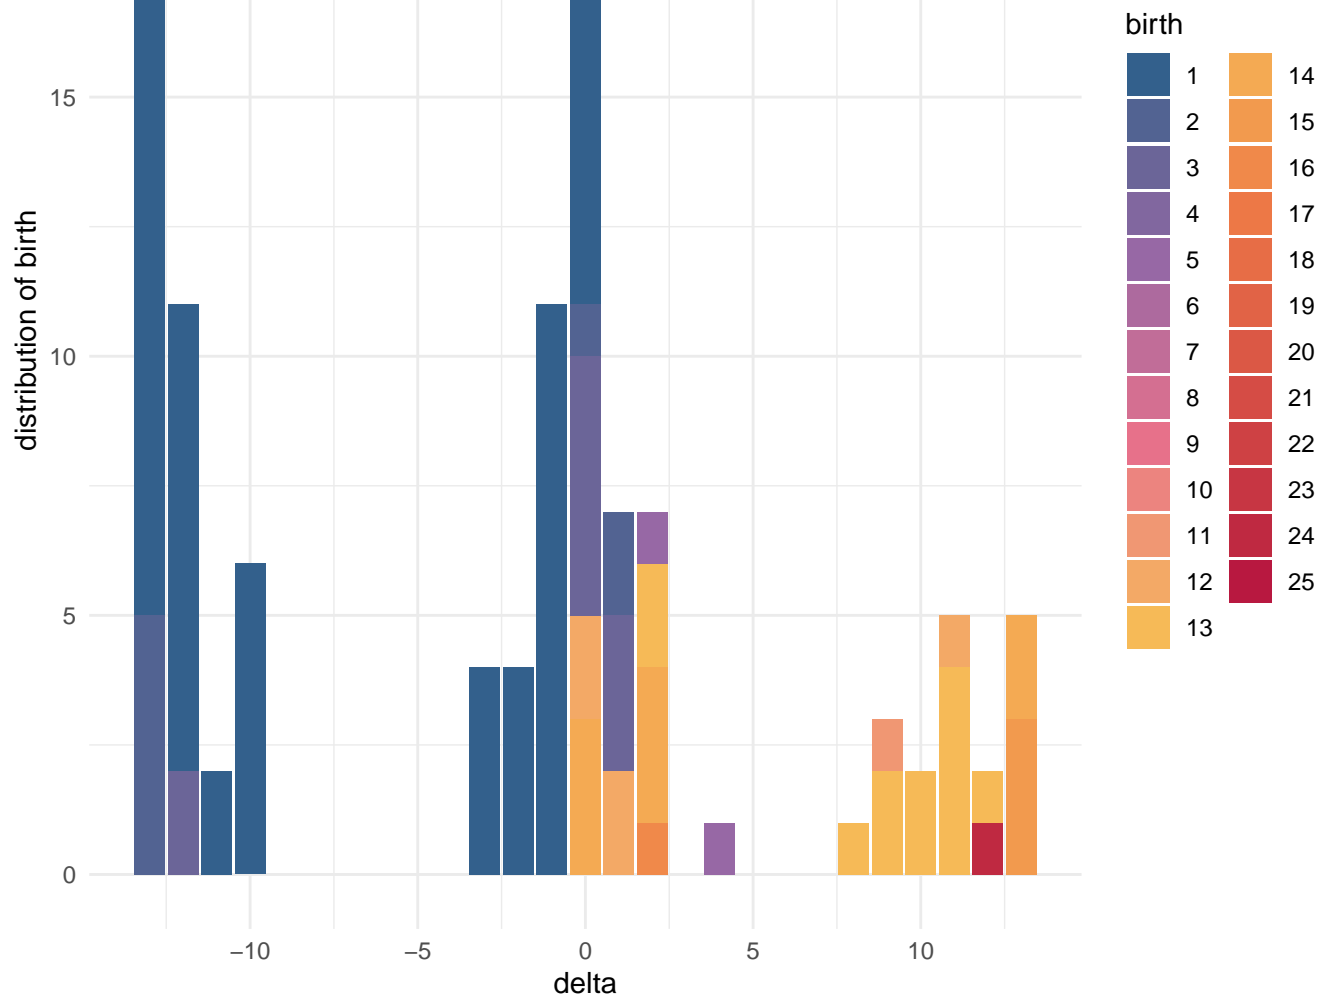

Distribution of birth moments by delta for mTOR

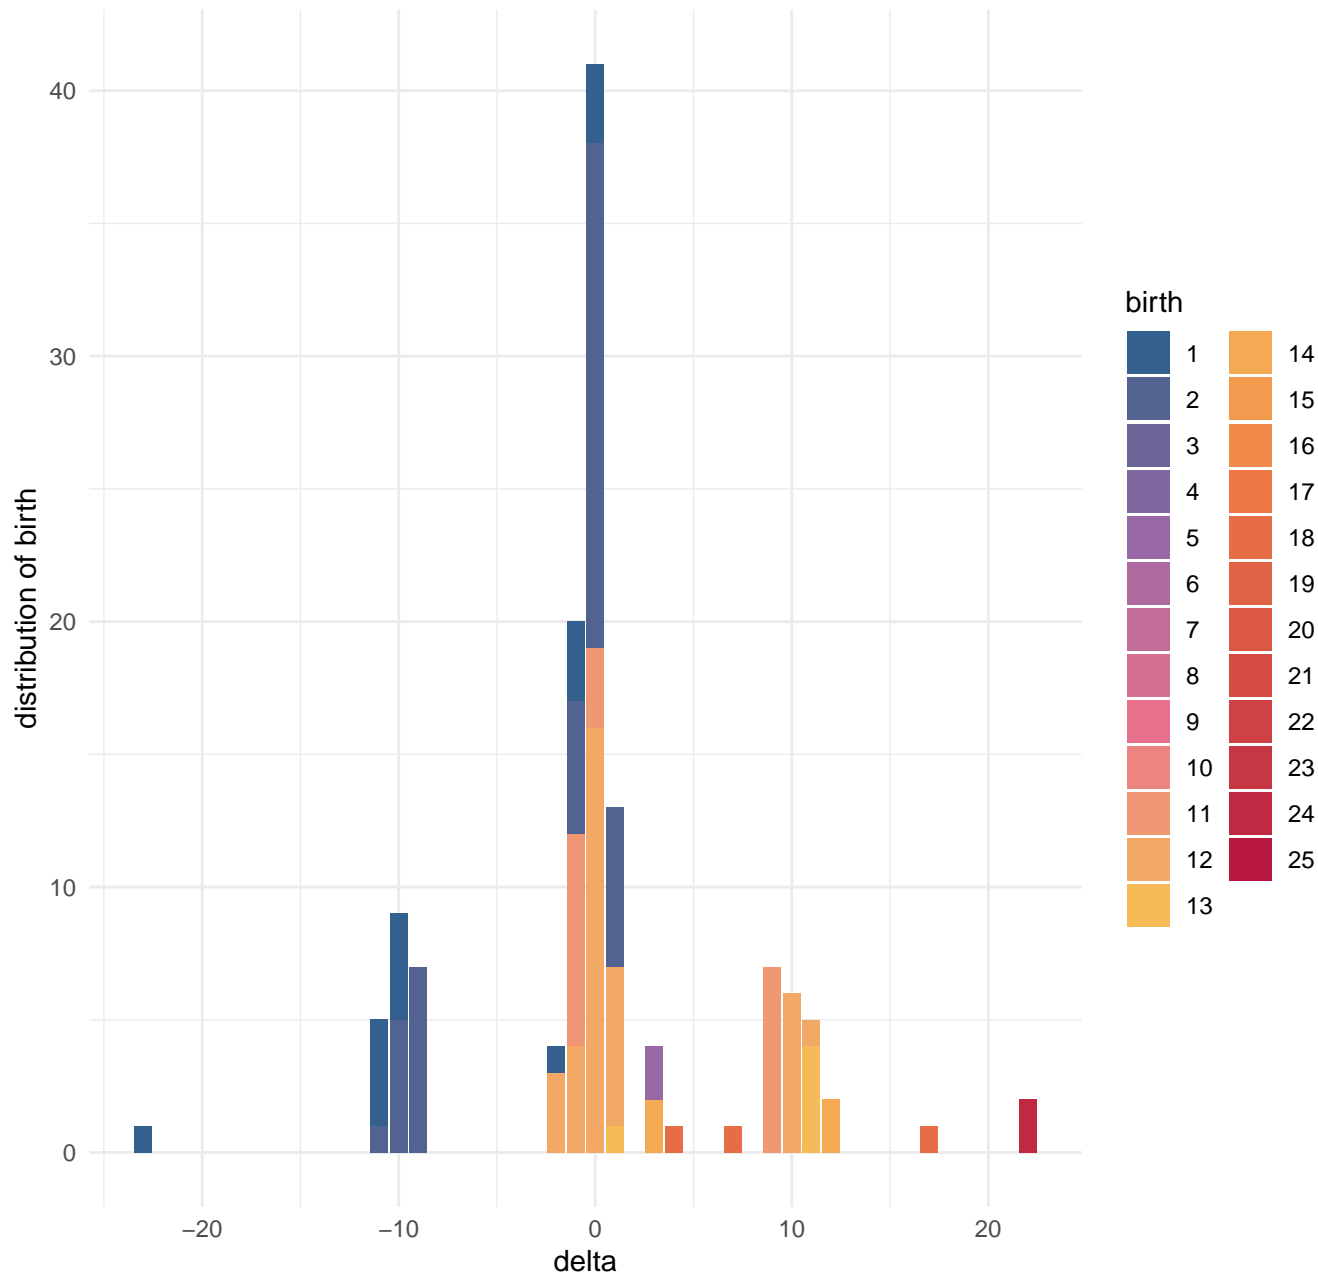

Distribution of birth moments by delta for PI3K–Akt

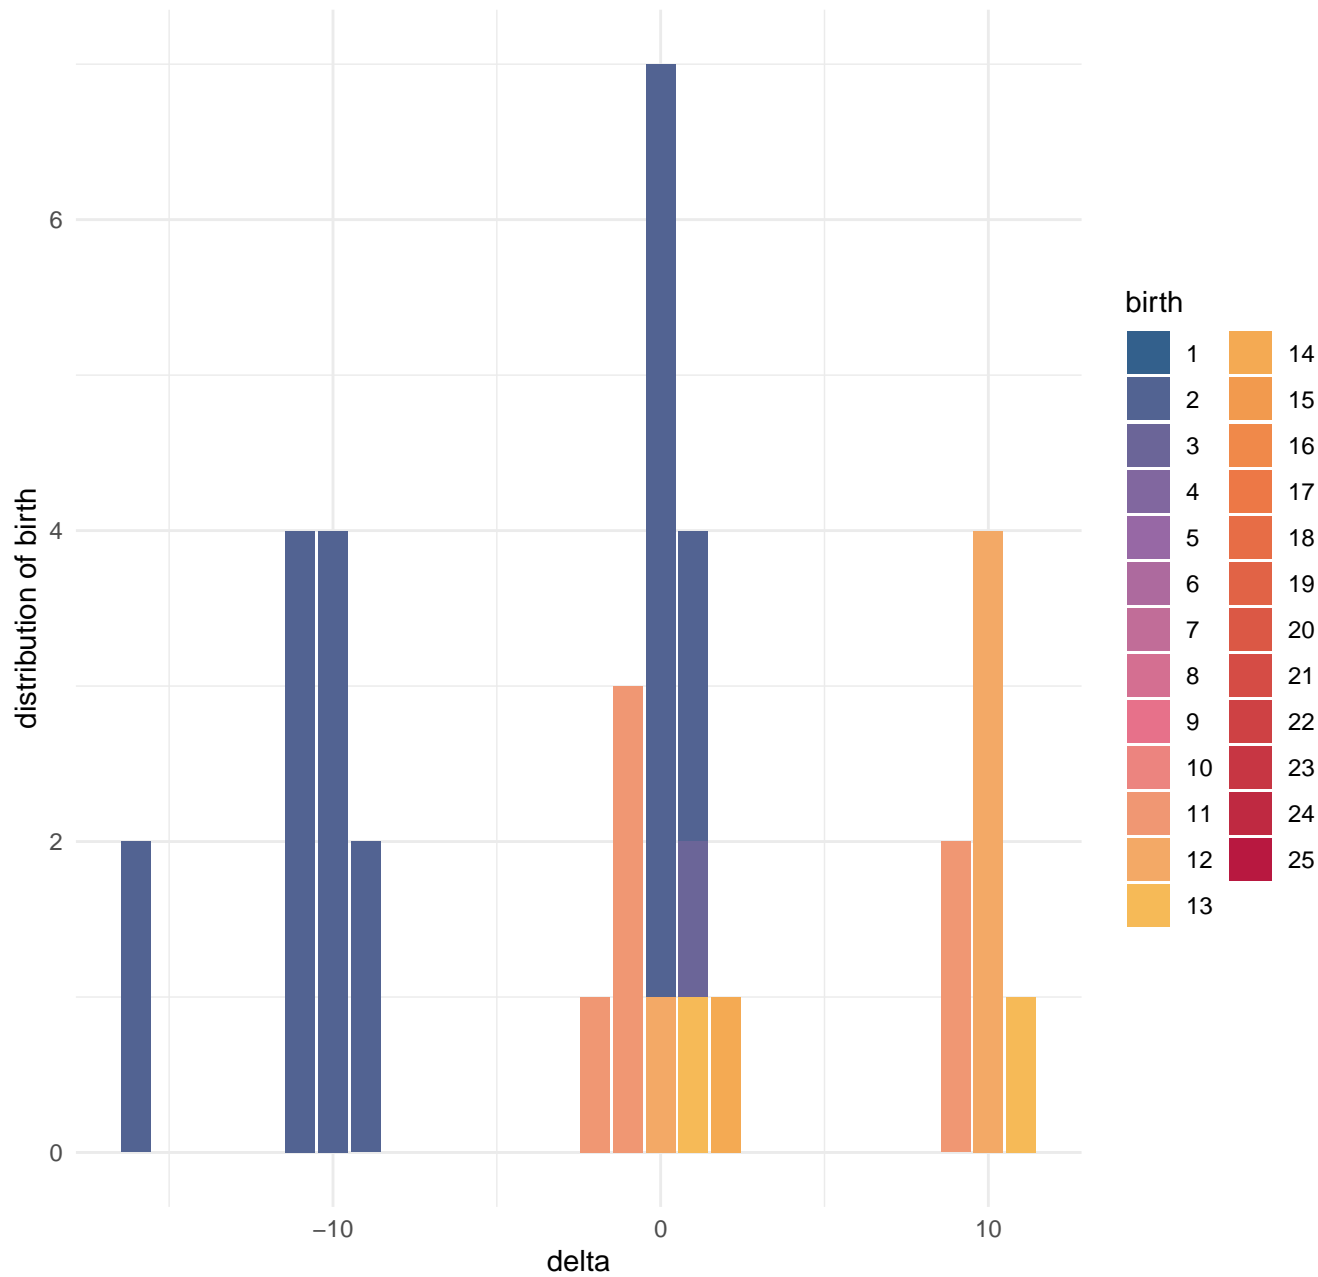

Distribution of birth moments by delta for AMPK

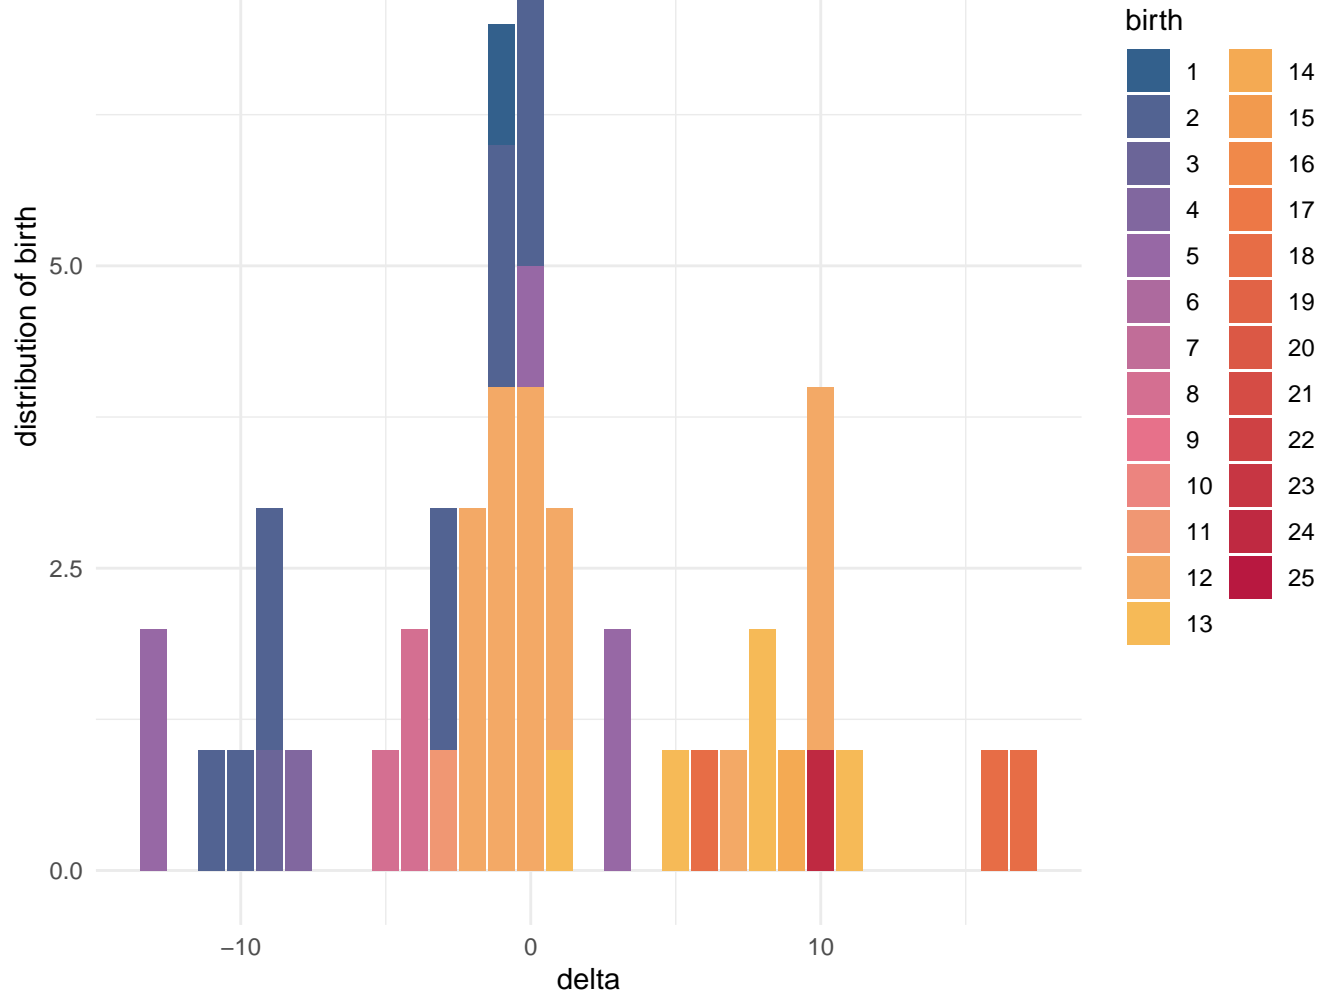

Distribution of birth moments by delta for Wnt

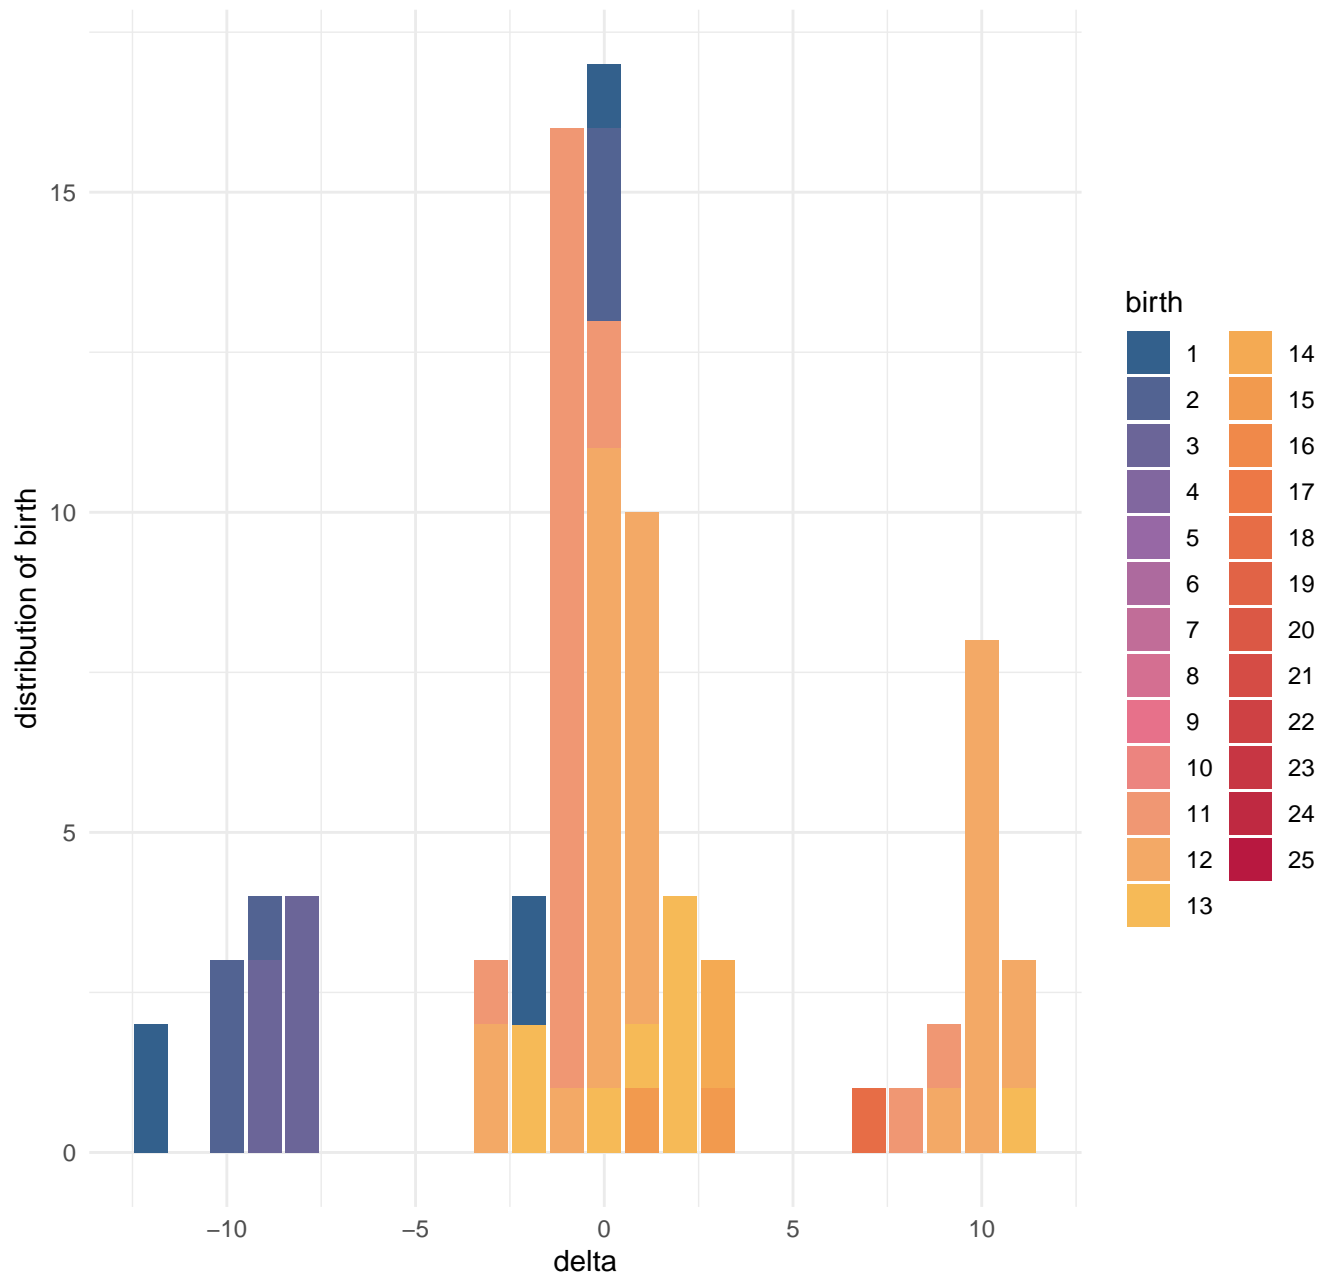

Distribution of birth moments by delta for Notch

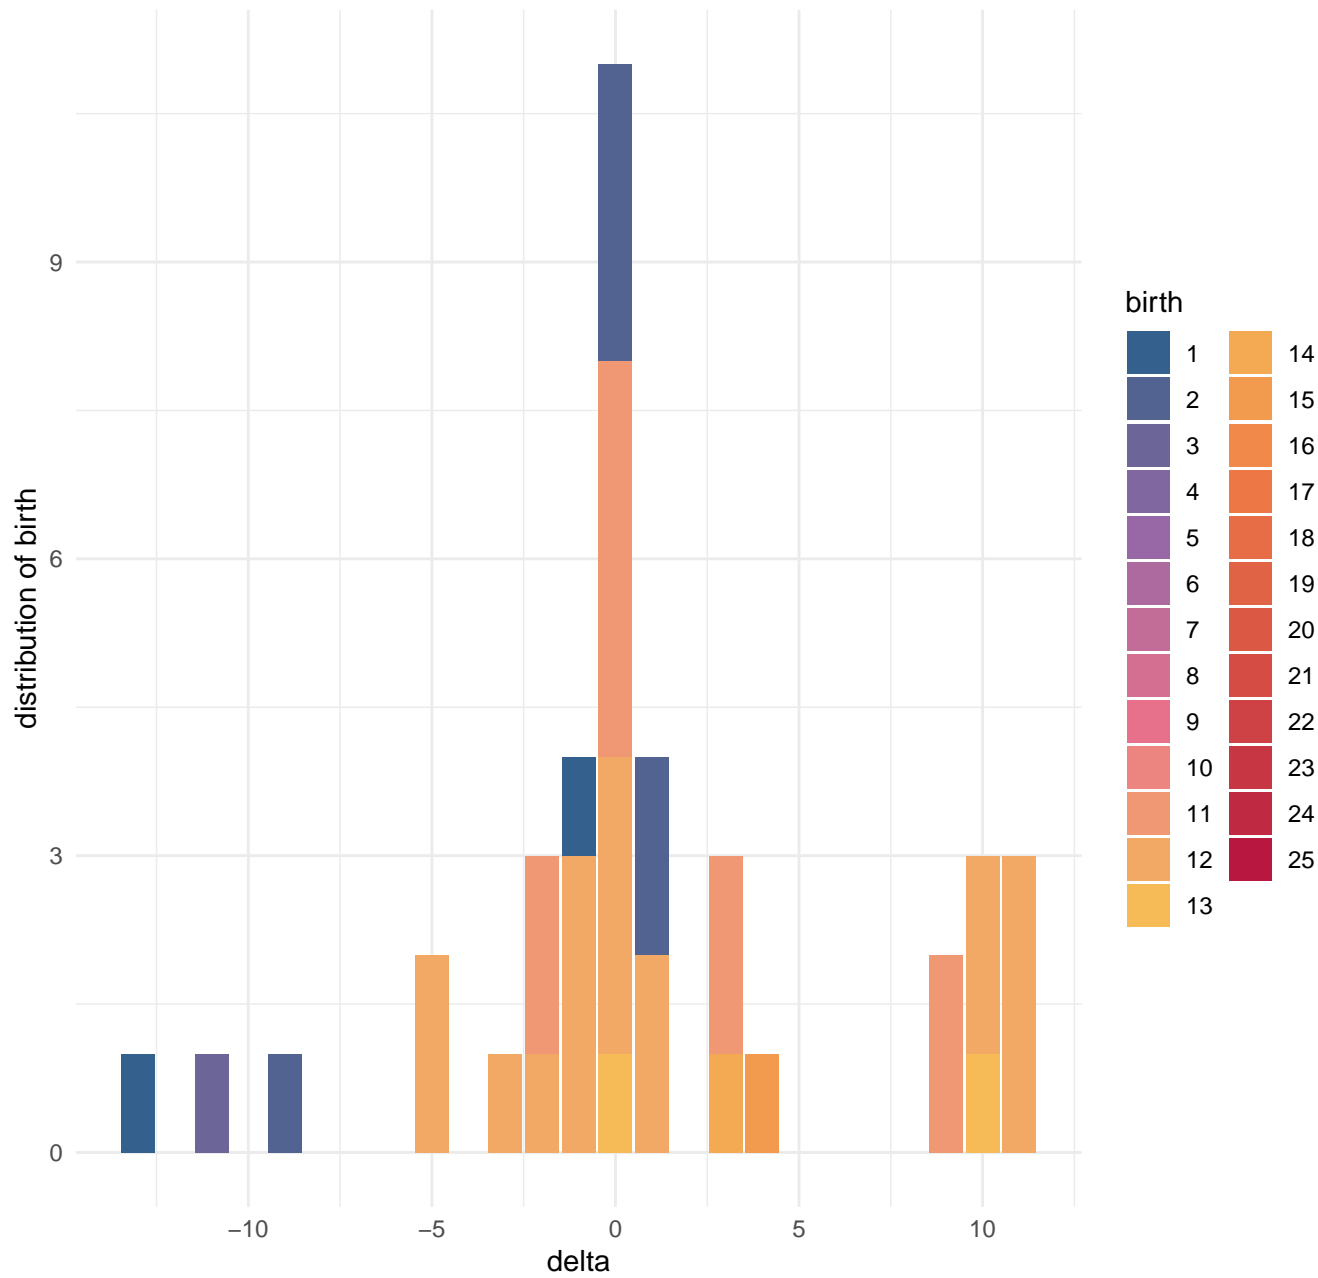

Distribution of birth moments by delta for Hedgehog

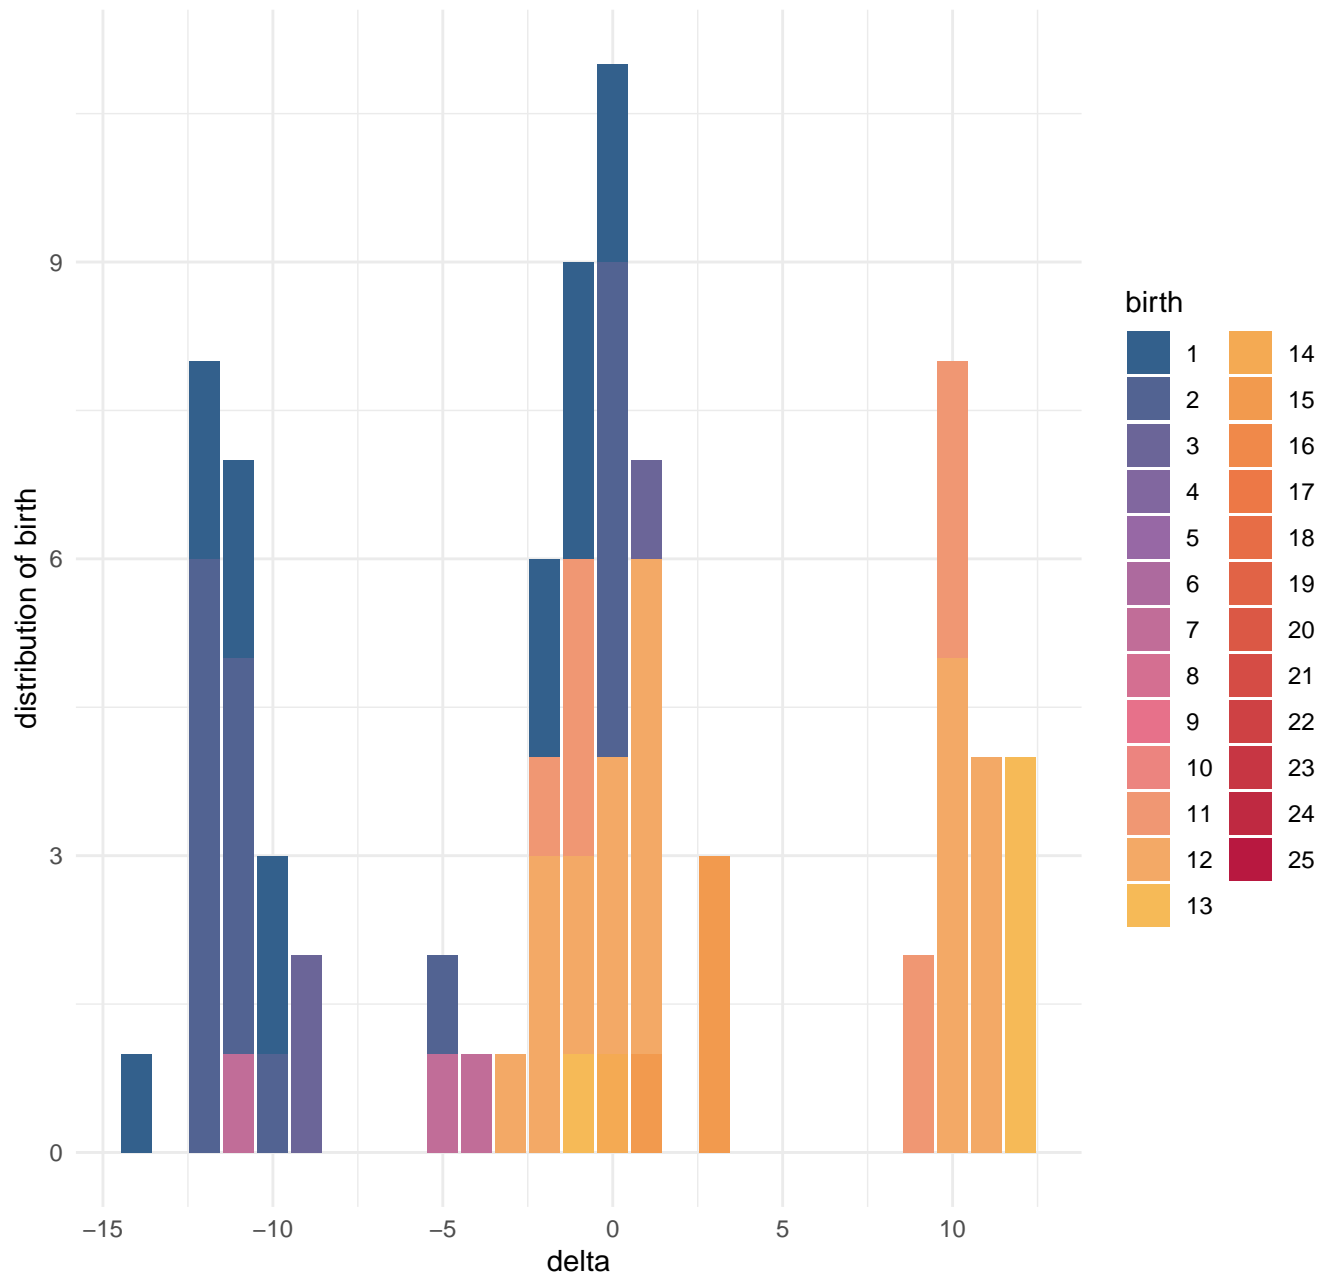

Distribution of birth moments by delta for TGF-beta

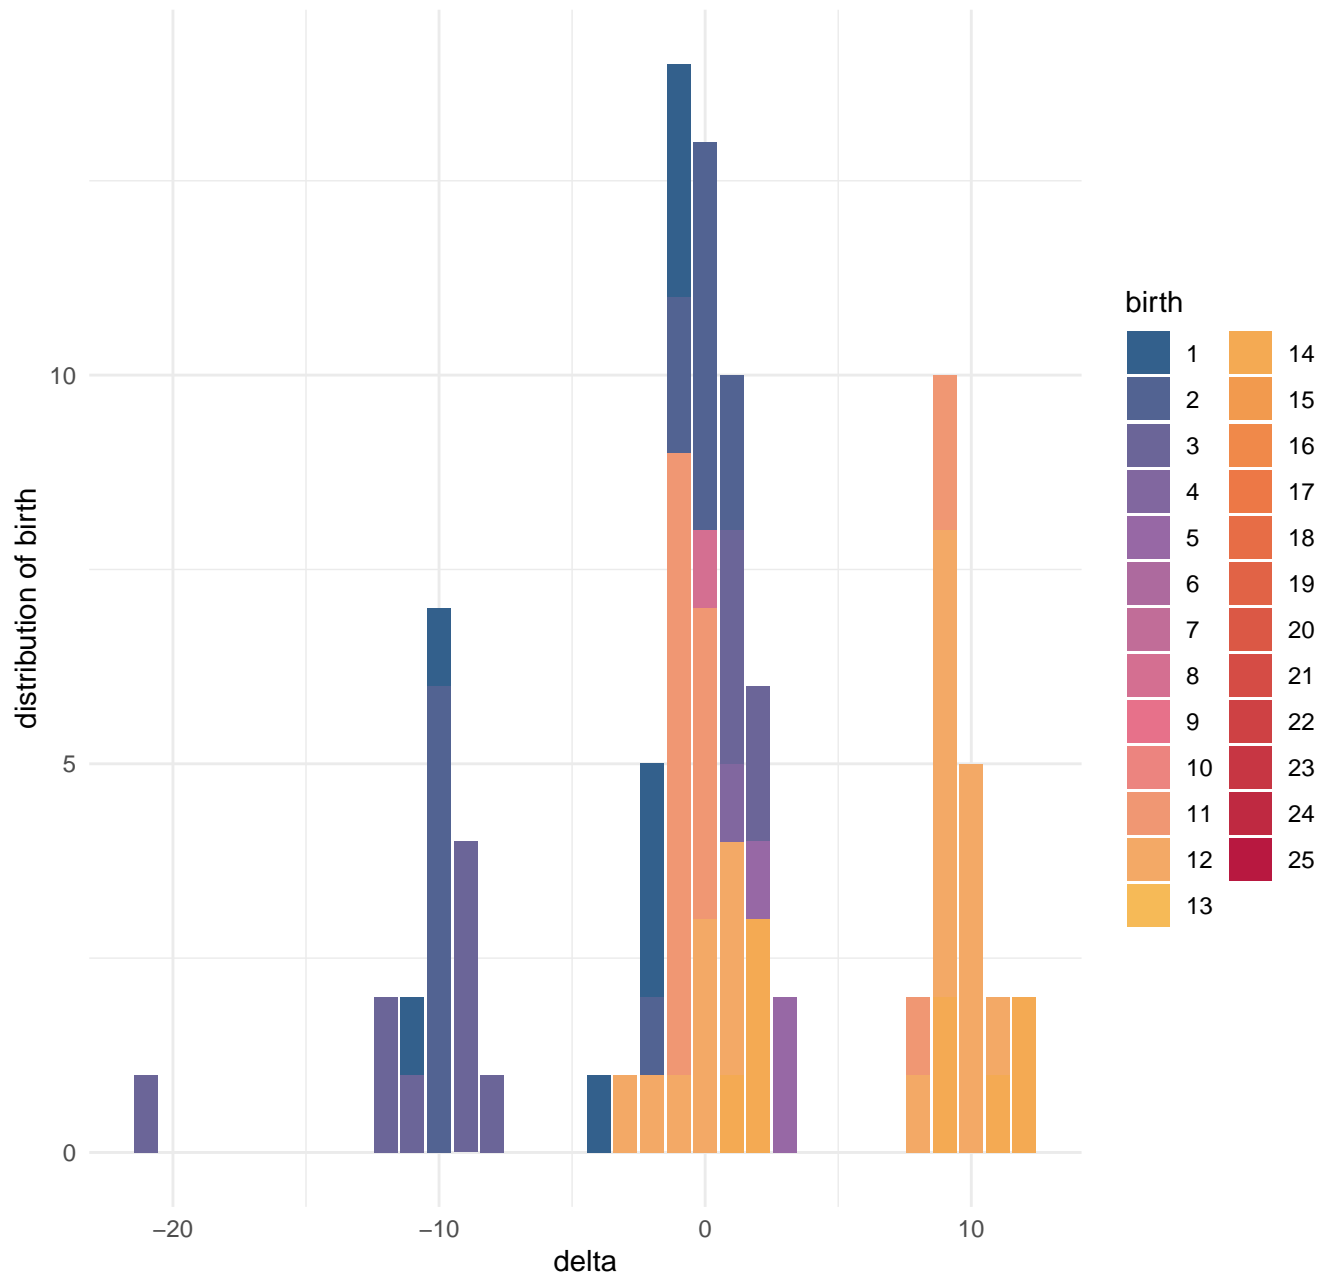

Distribution of birth moments by delta for VEGF

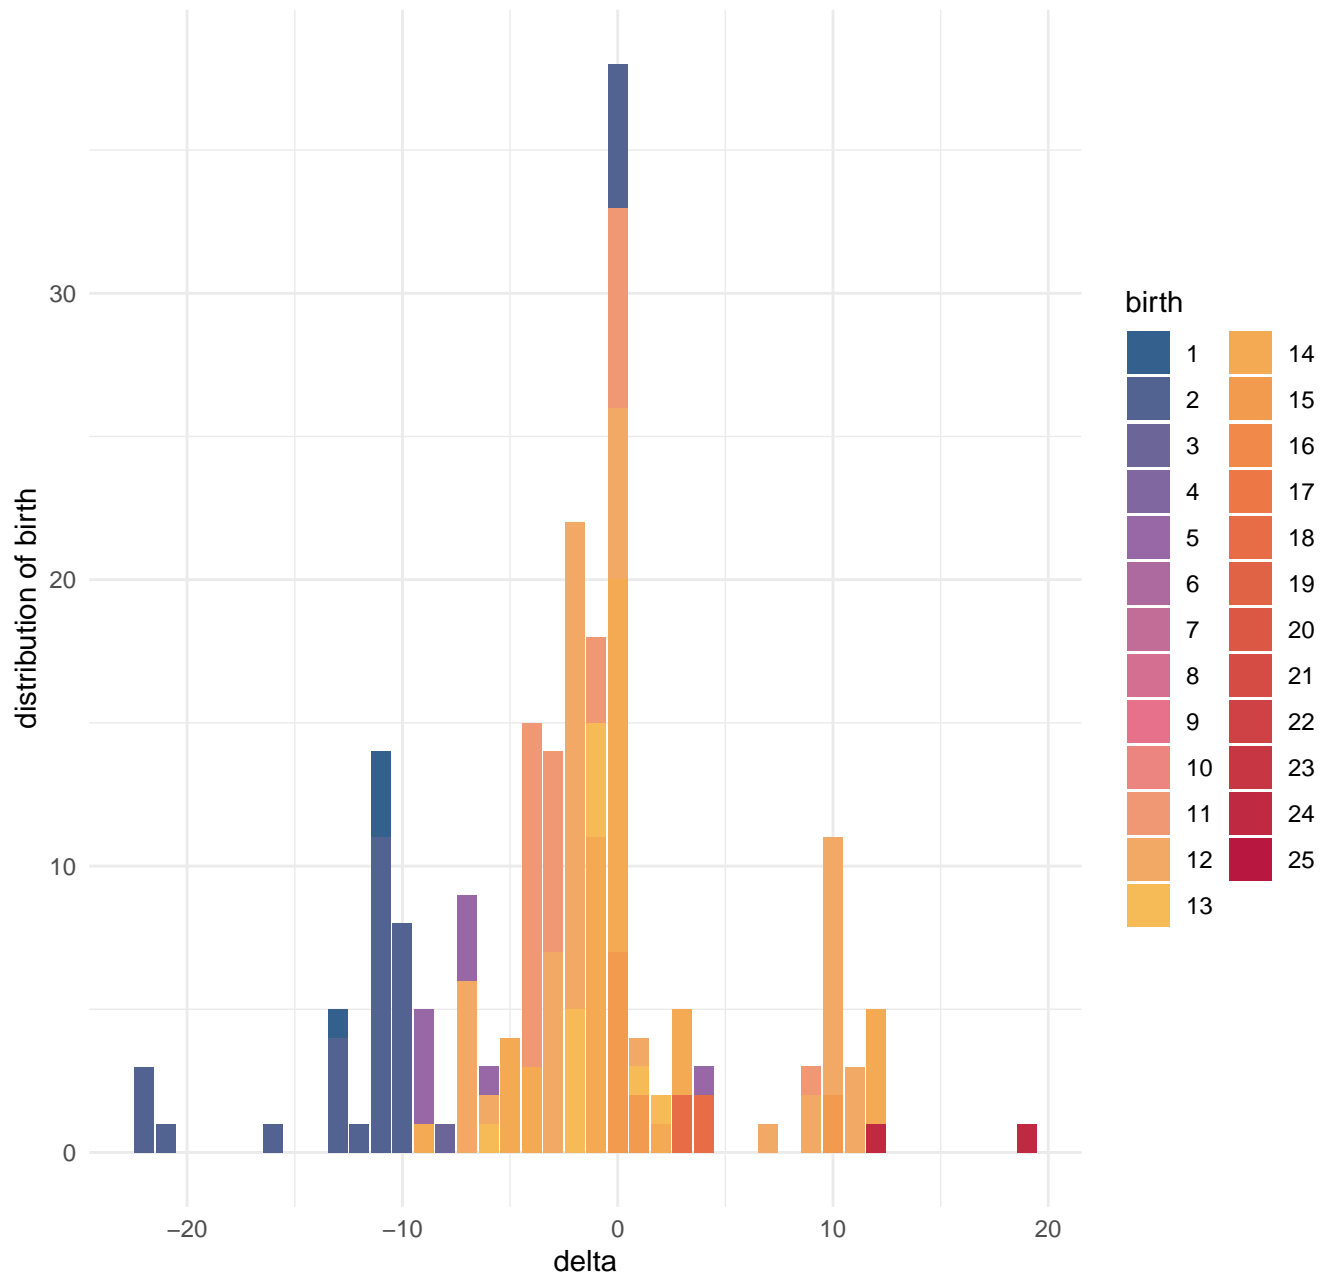

Distribution of birth moments by delta for Apelin

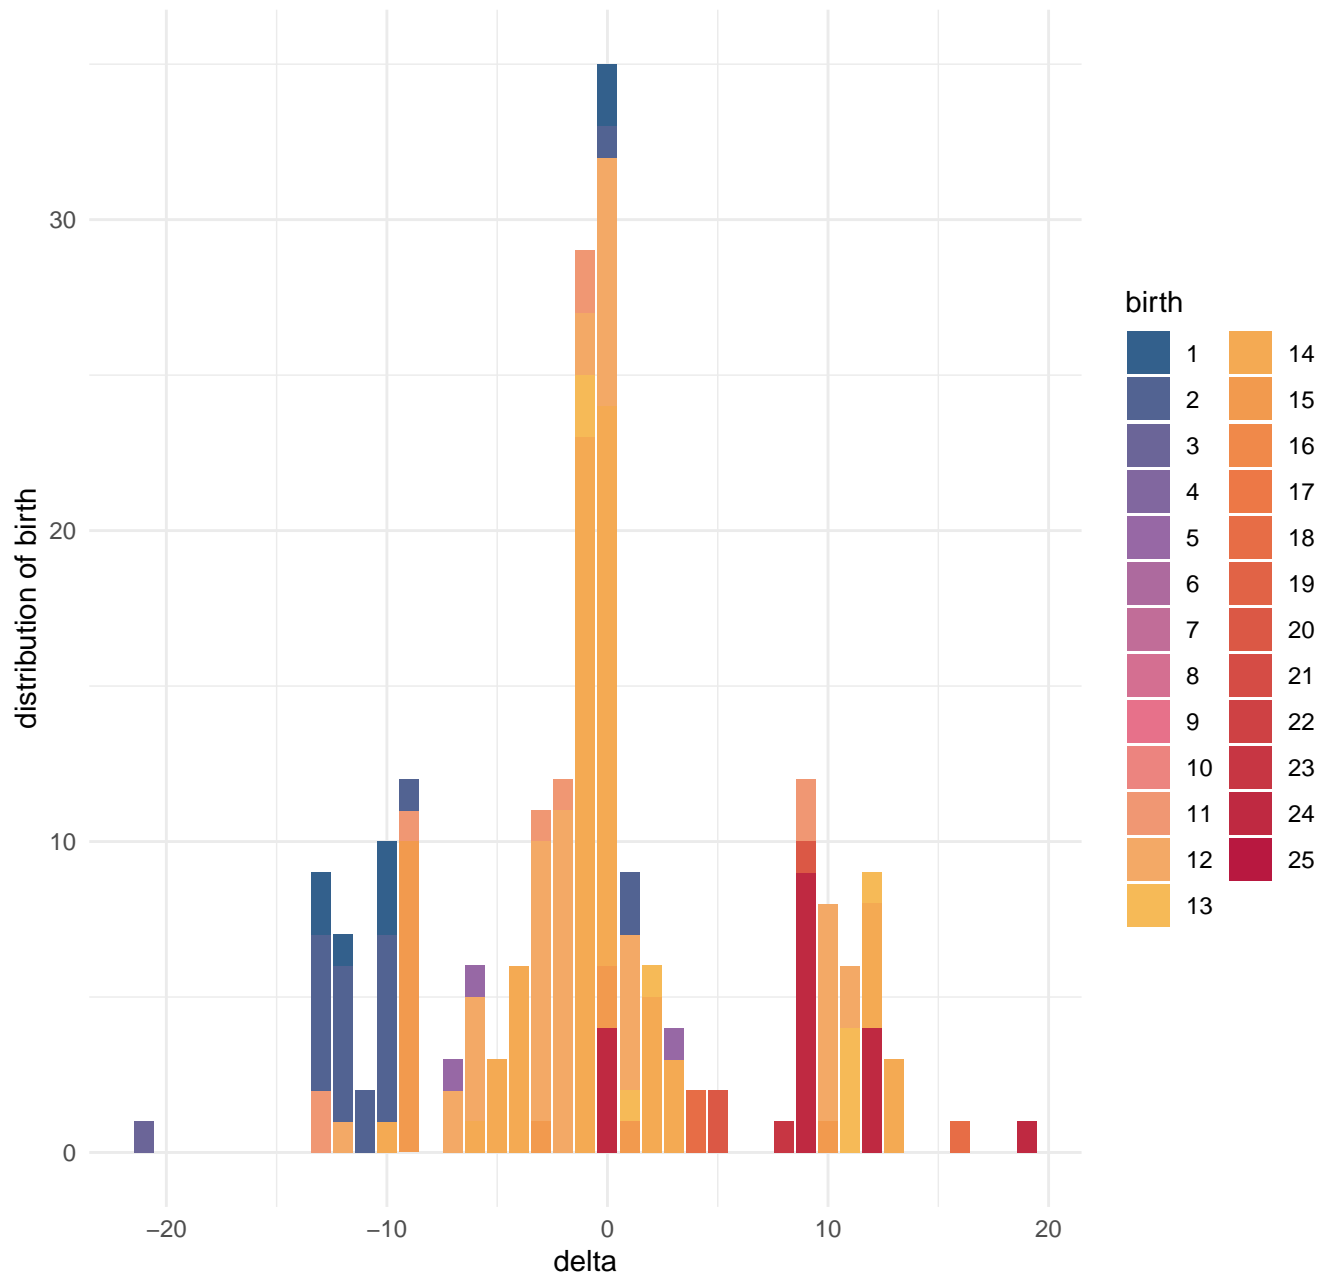

Distribution of birth moments by delta for Hippo

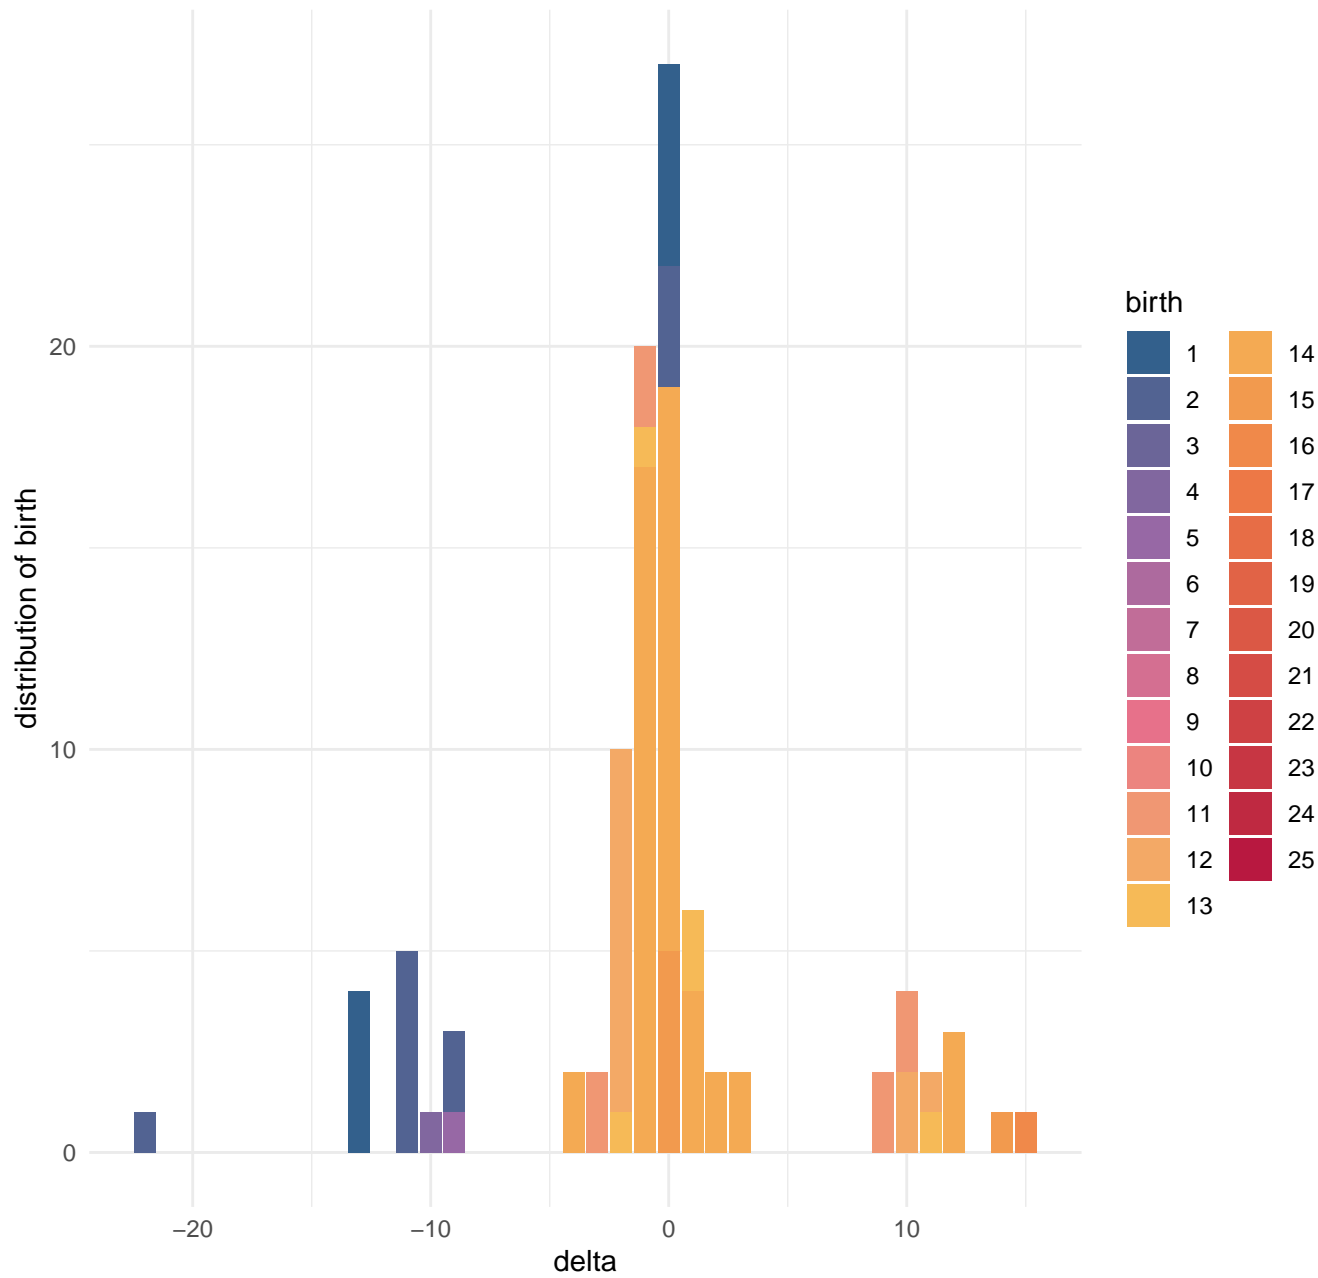

Distribution of birth moments by delta for Toll-like receptor

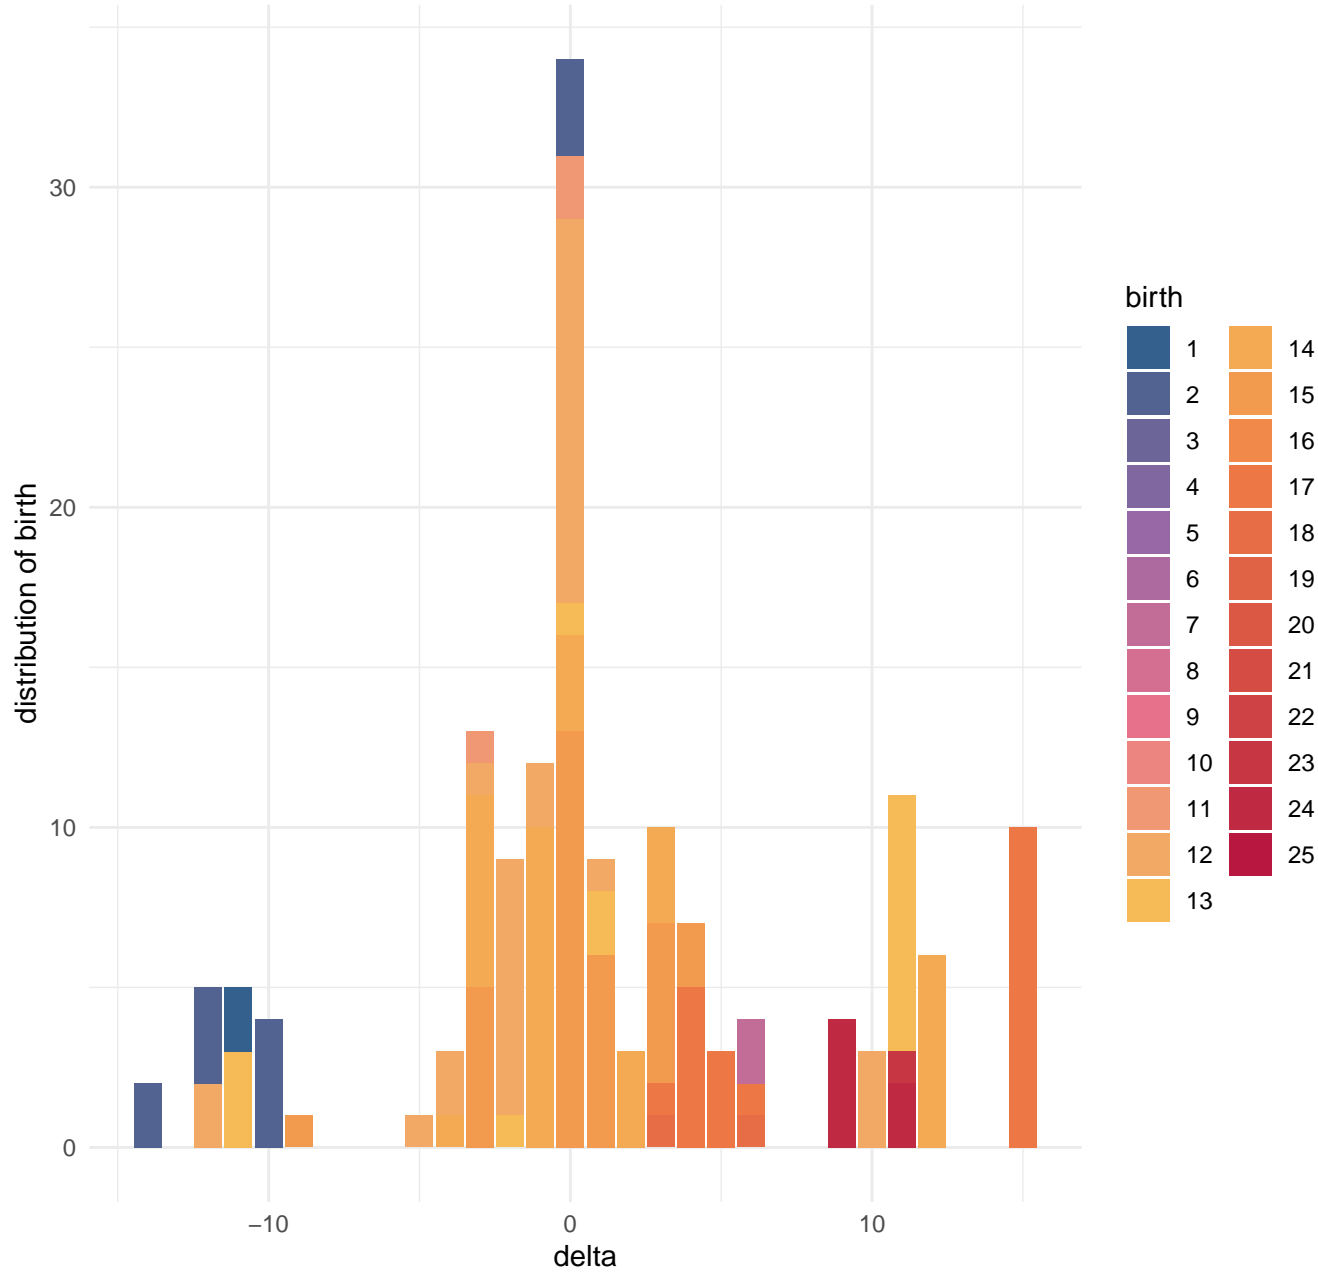

Distribution of birth moments by delta for NOD-like receptor

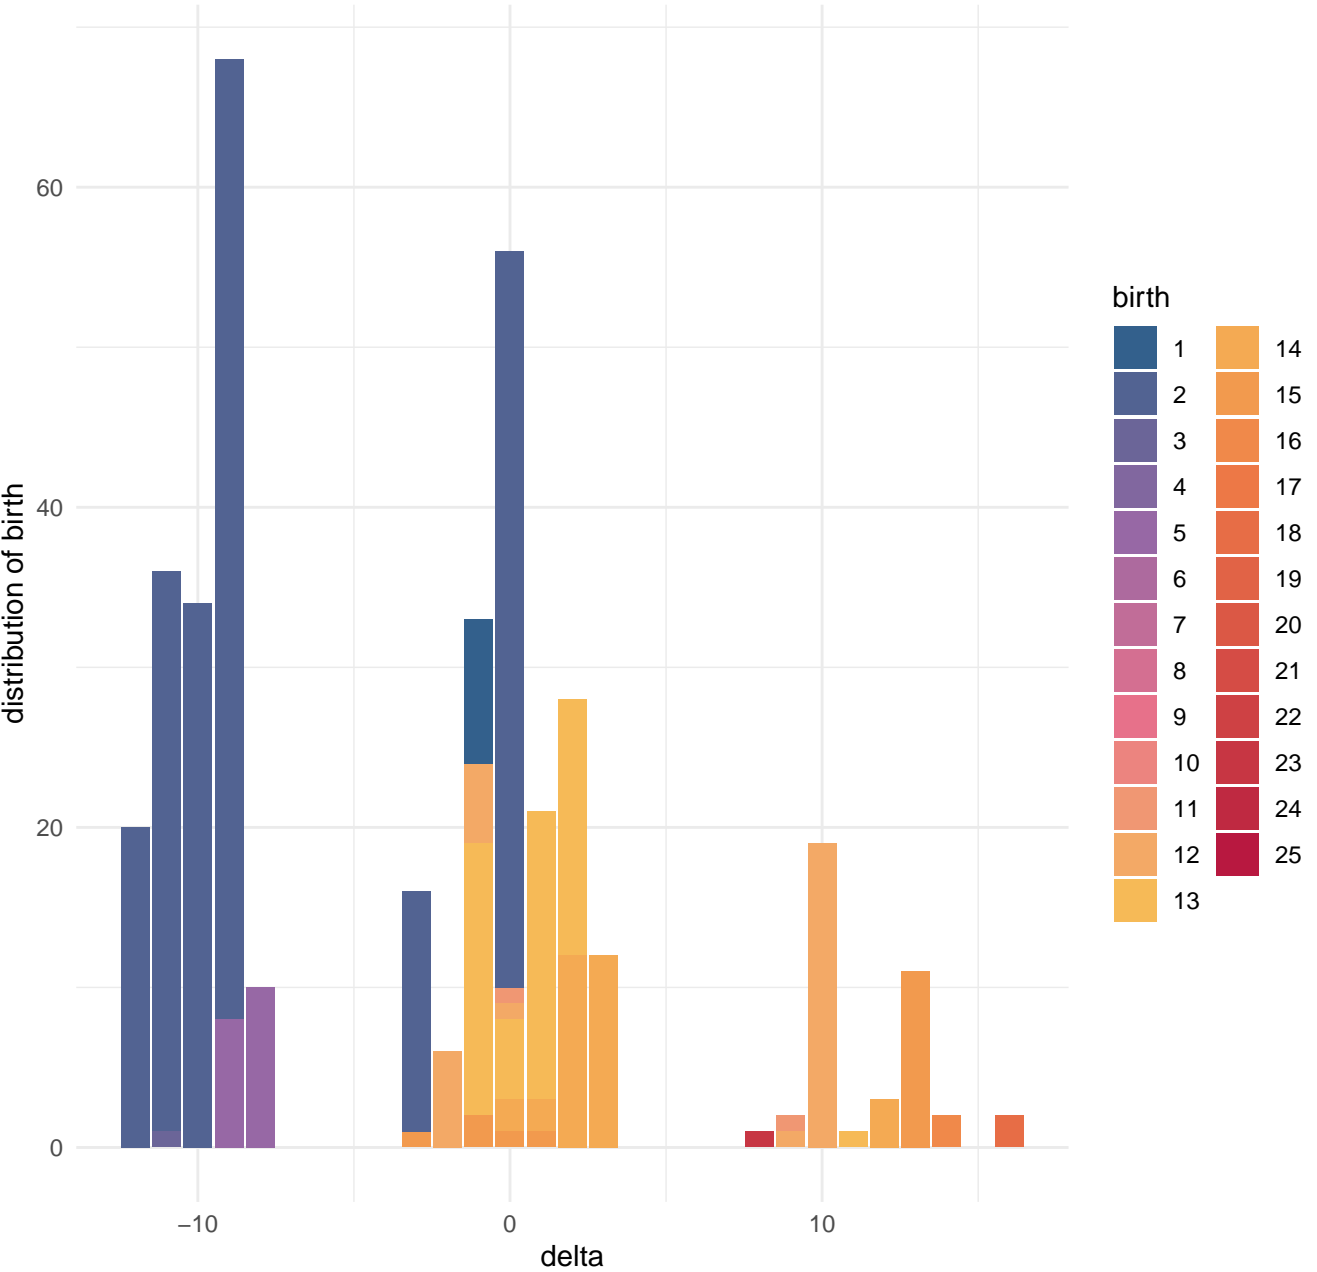

Distribution of birth moments by delta for RIG-I-like receptor

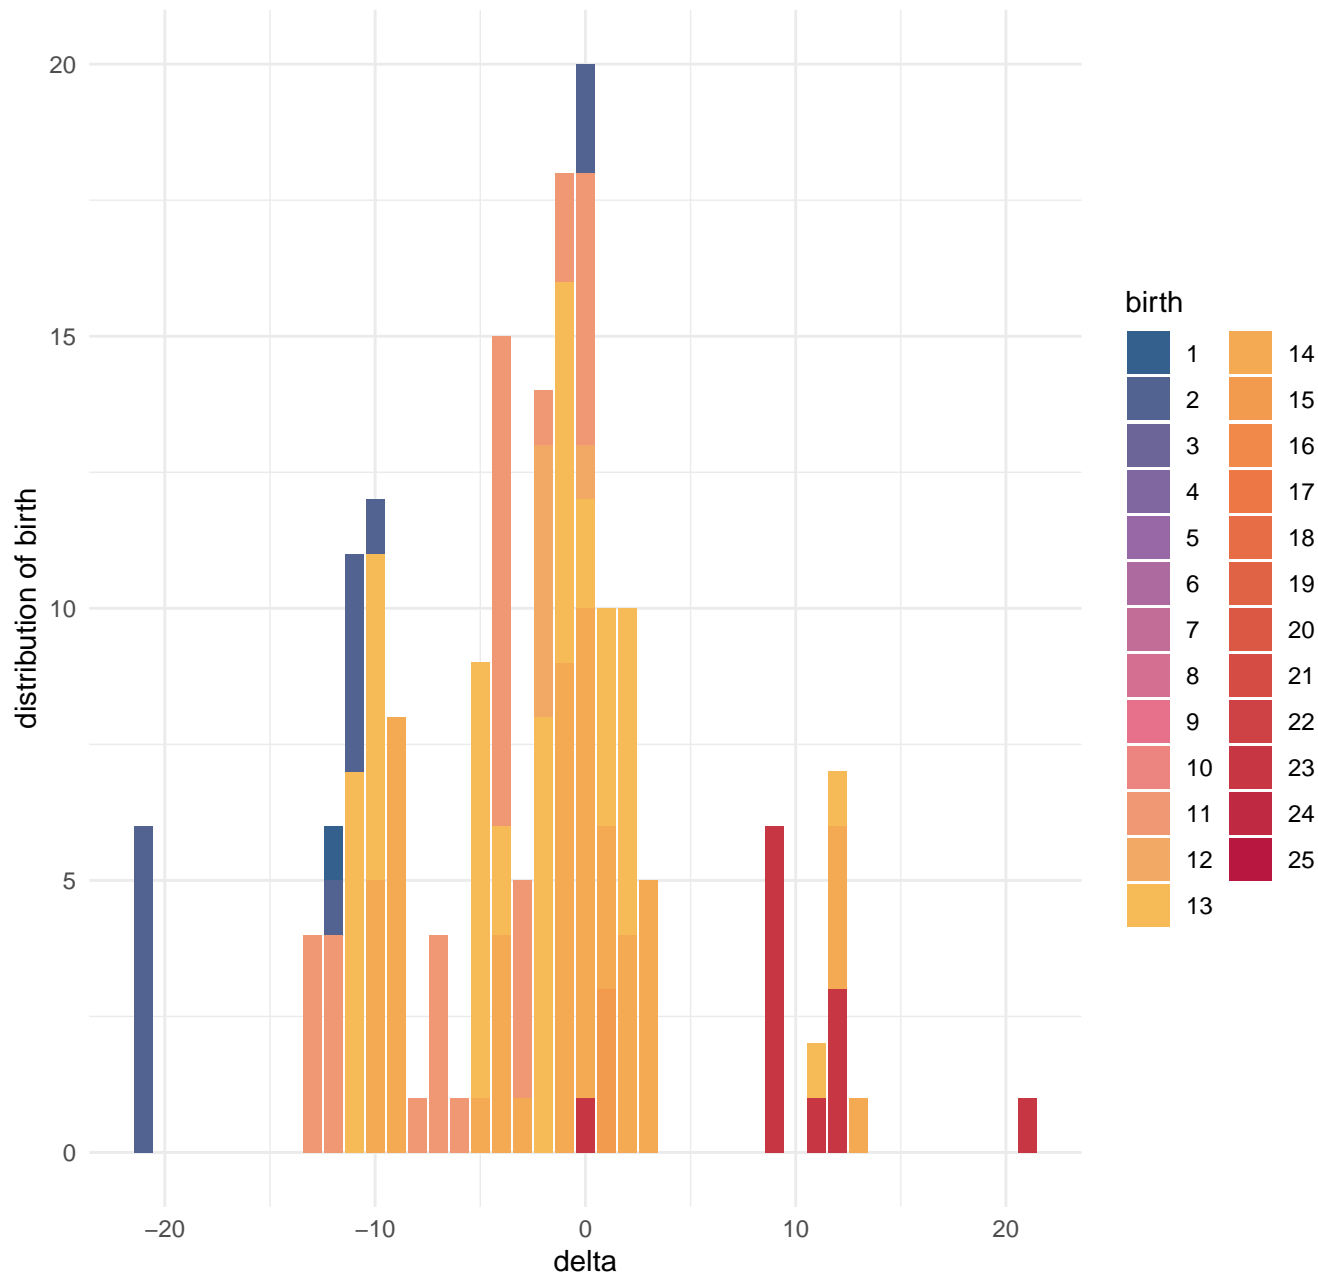

Distribution of birth moments by delta for C-type lectin receptor

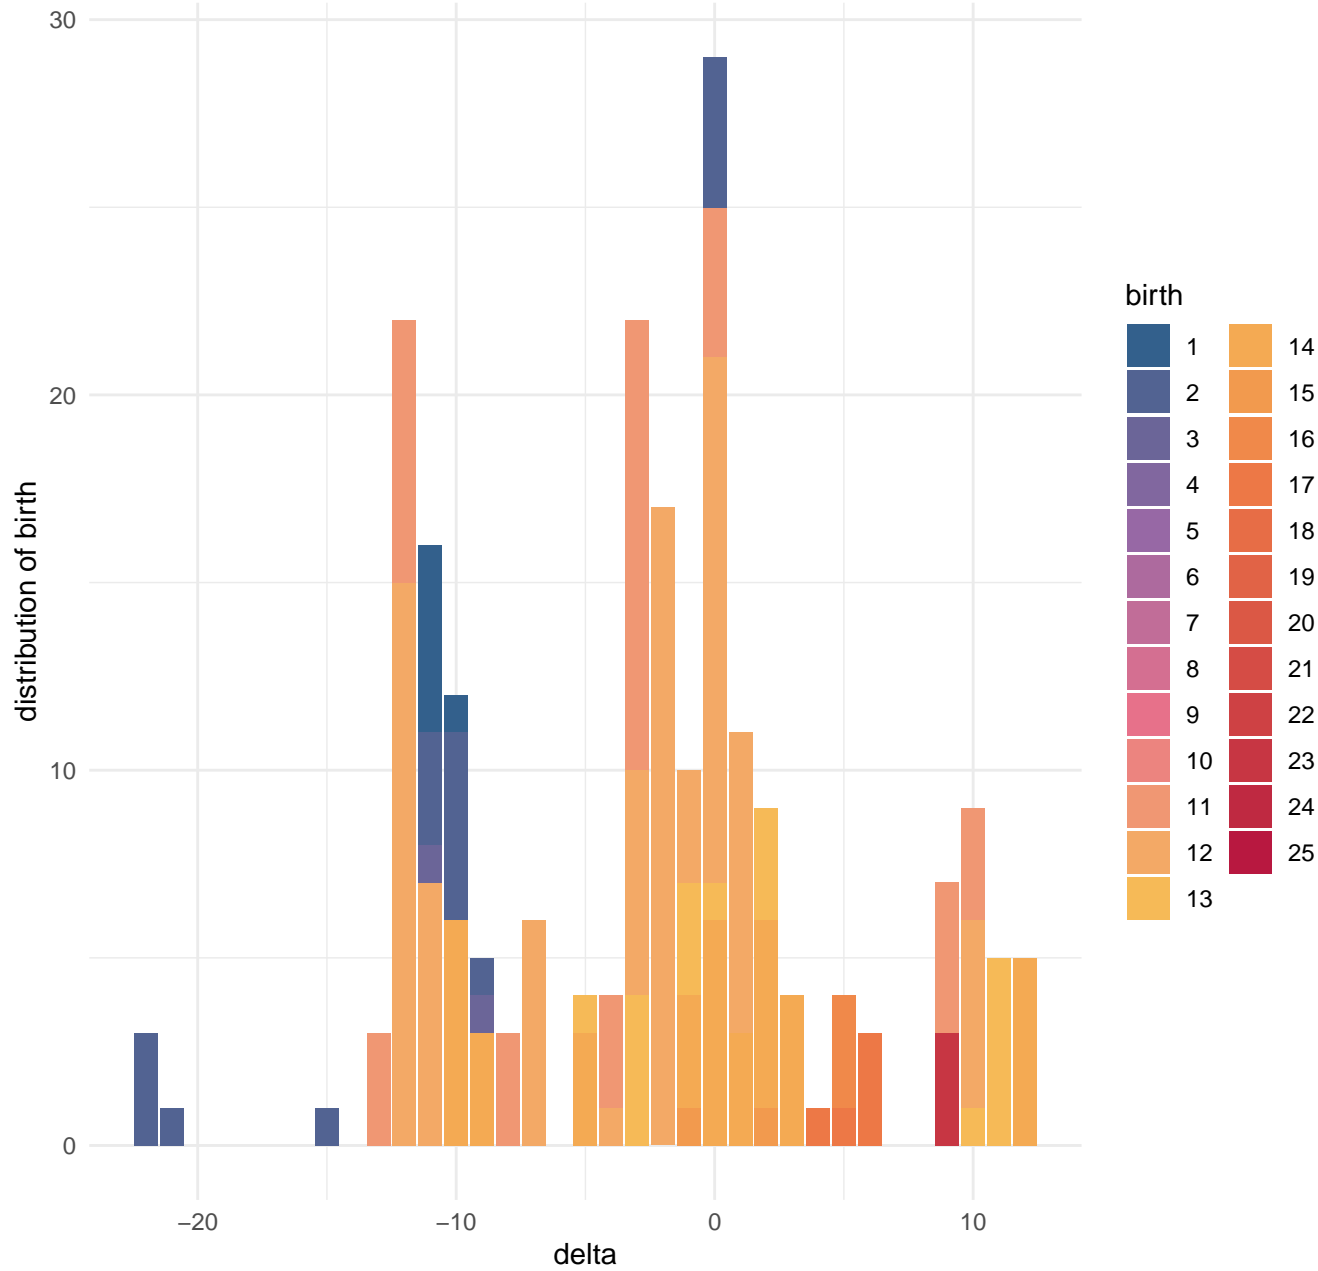

Distribution of birth moments by delta for JAK-STAT

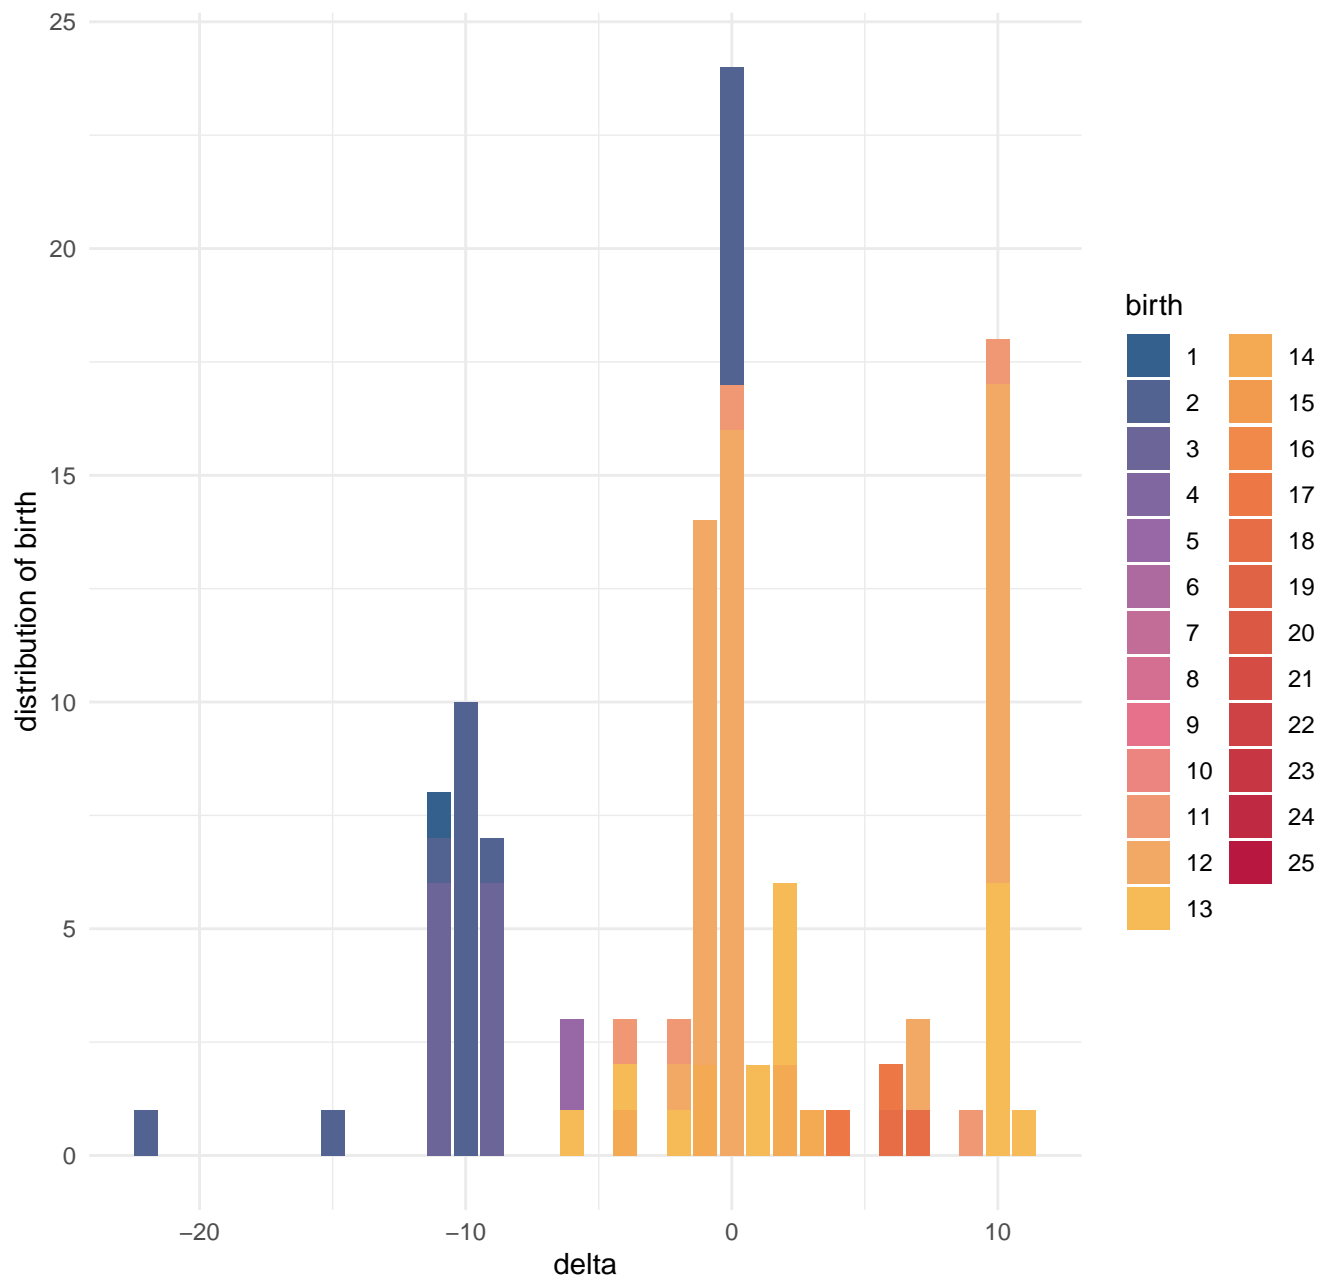

Distribution of birth moments by delta for IL-17

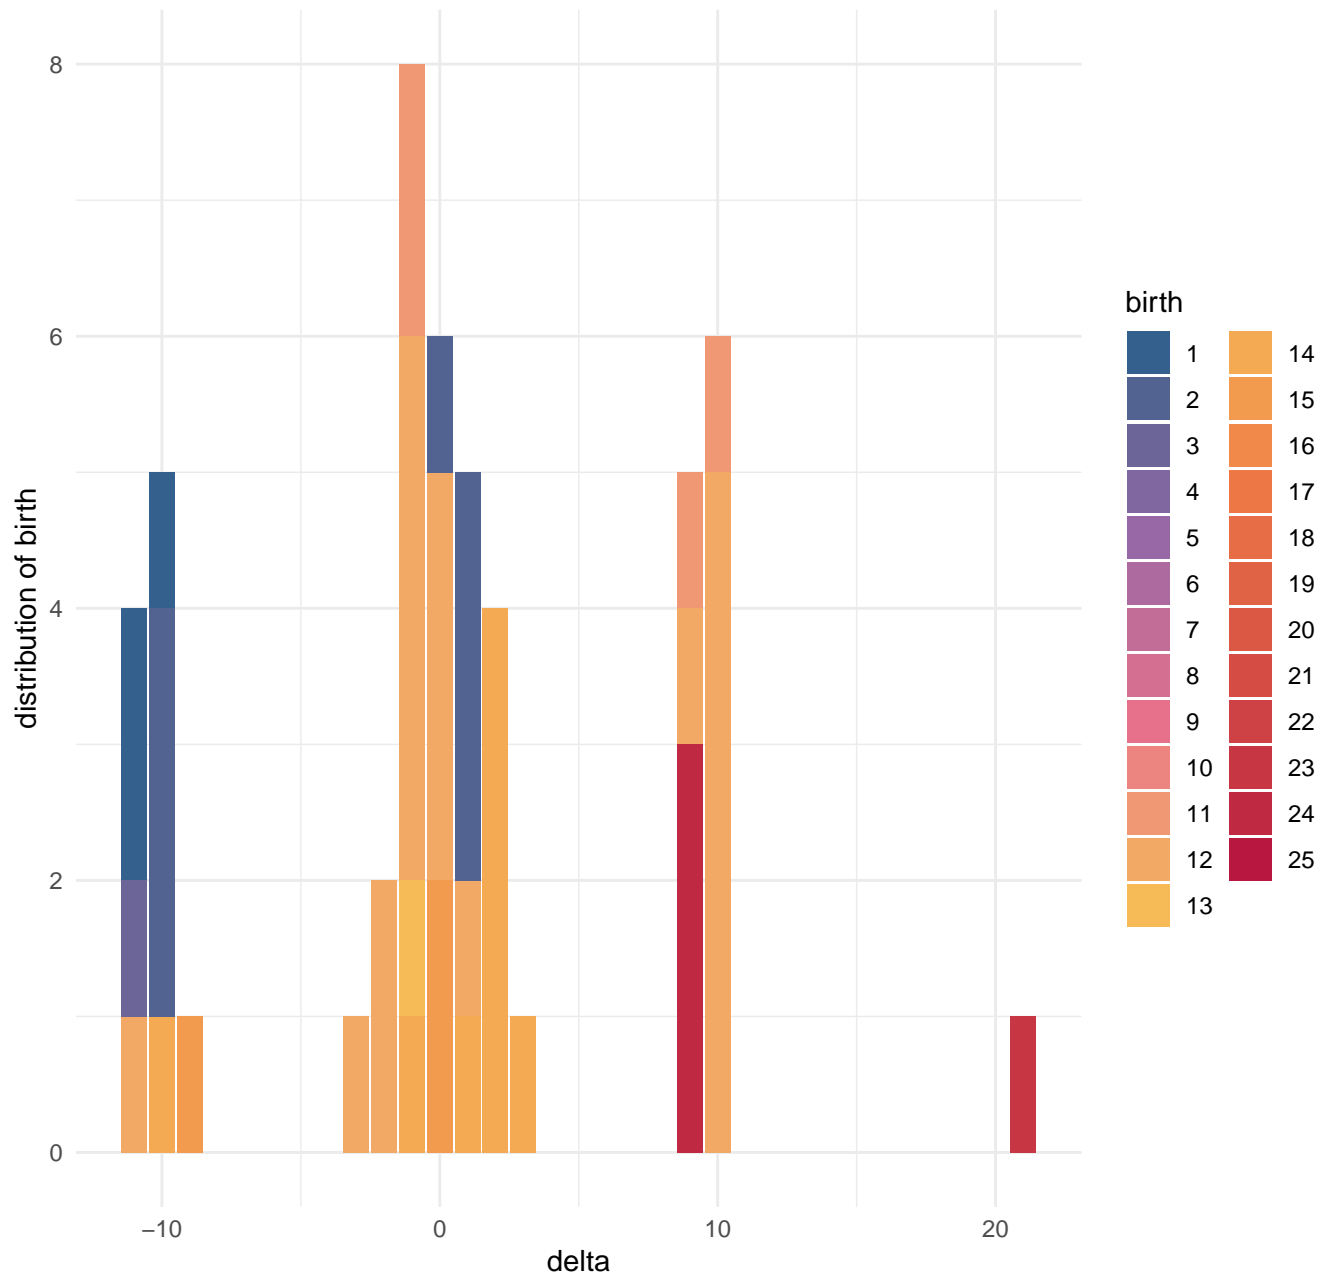

Distribution of birth moments by delta for T cell receptor

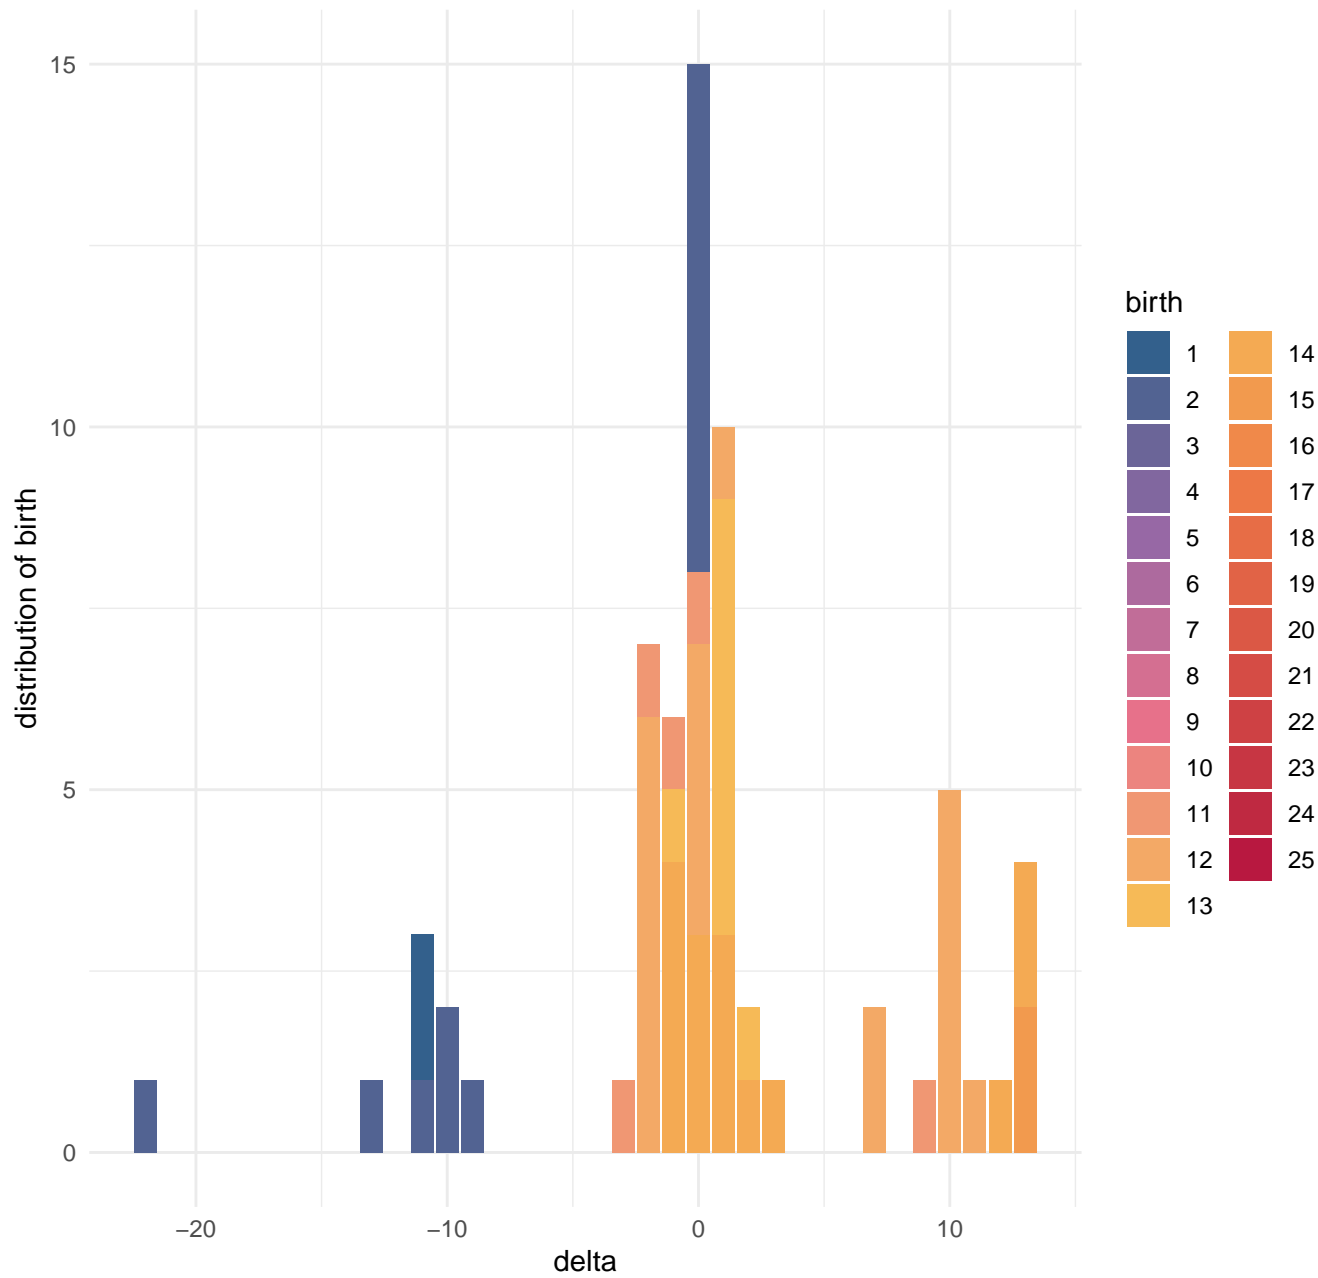

Distribution of birth moments by delta for B cell receptor

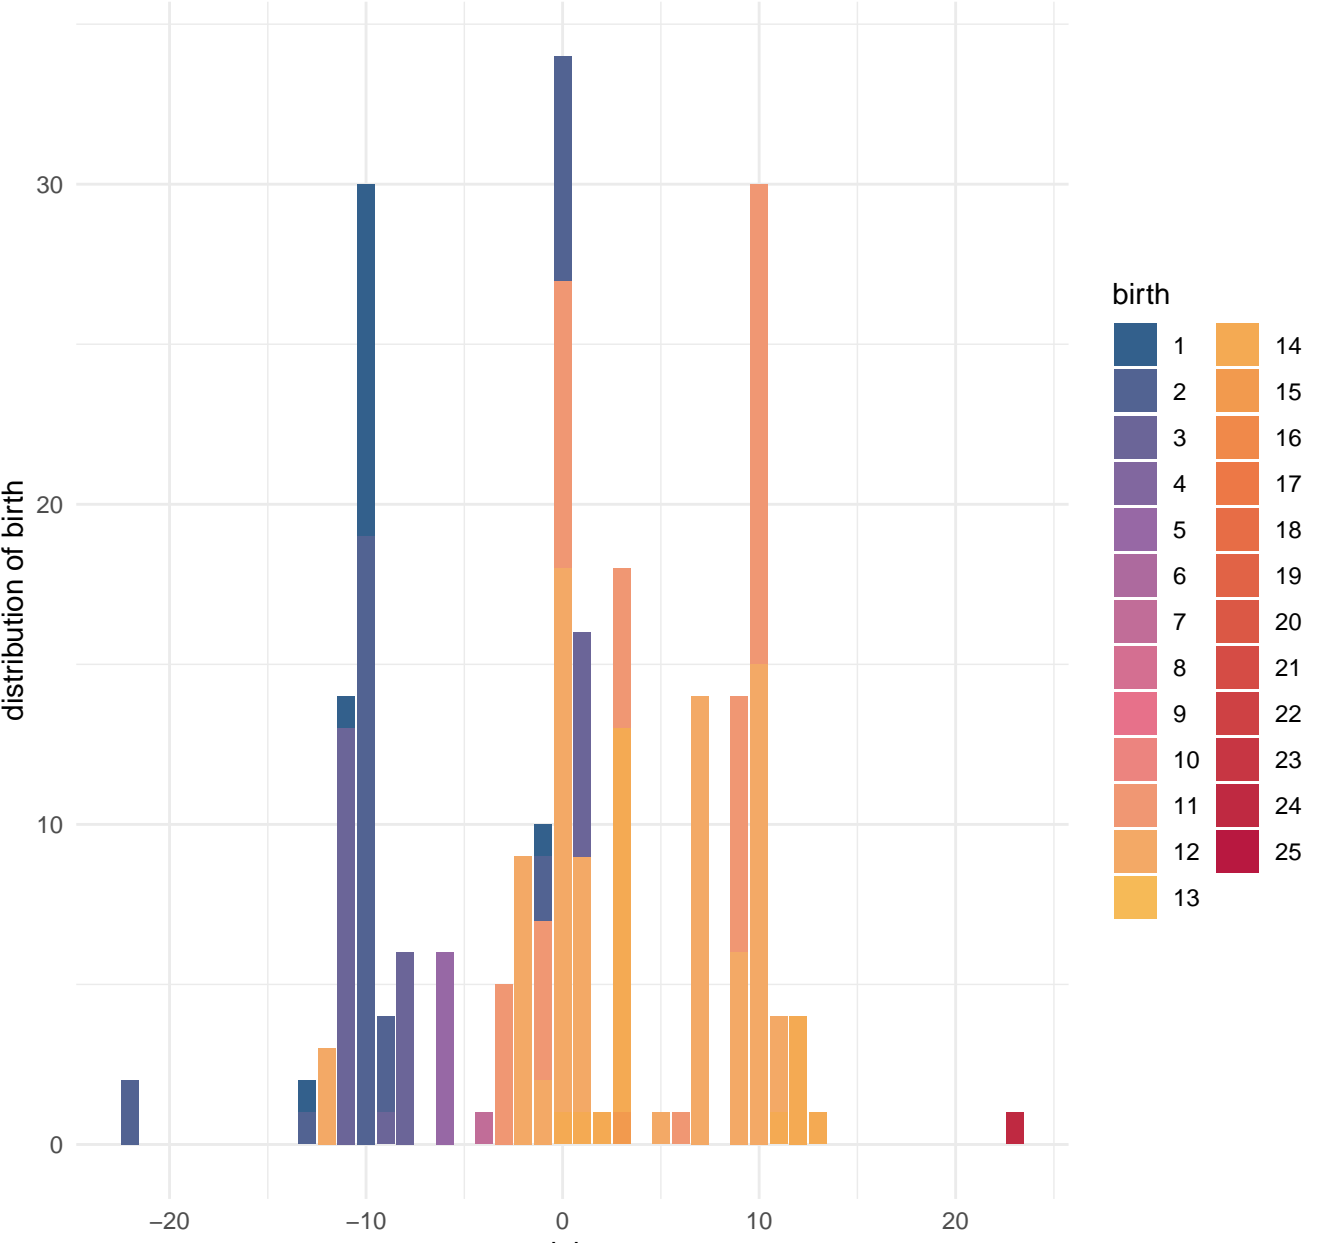

Distribution of birth moments by delta for Fc epsilon RI

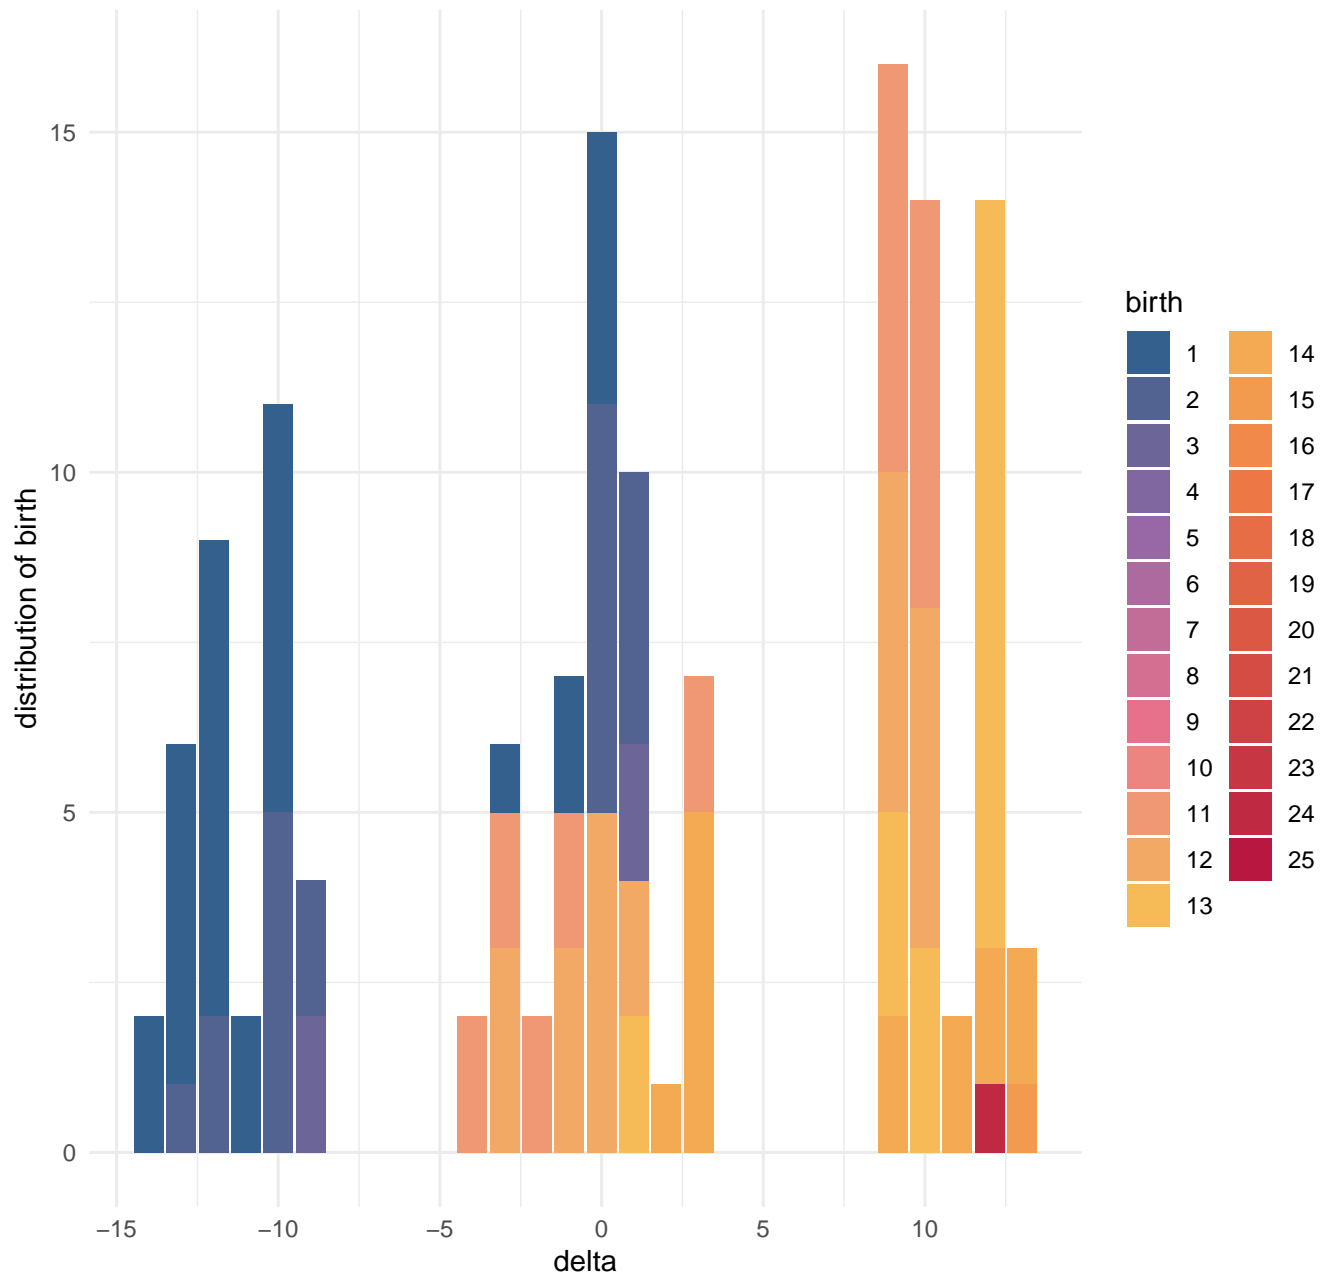

Distribution of birth moments by delta for TNF

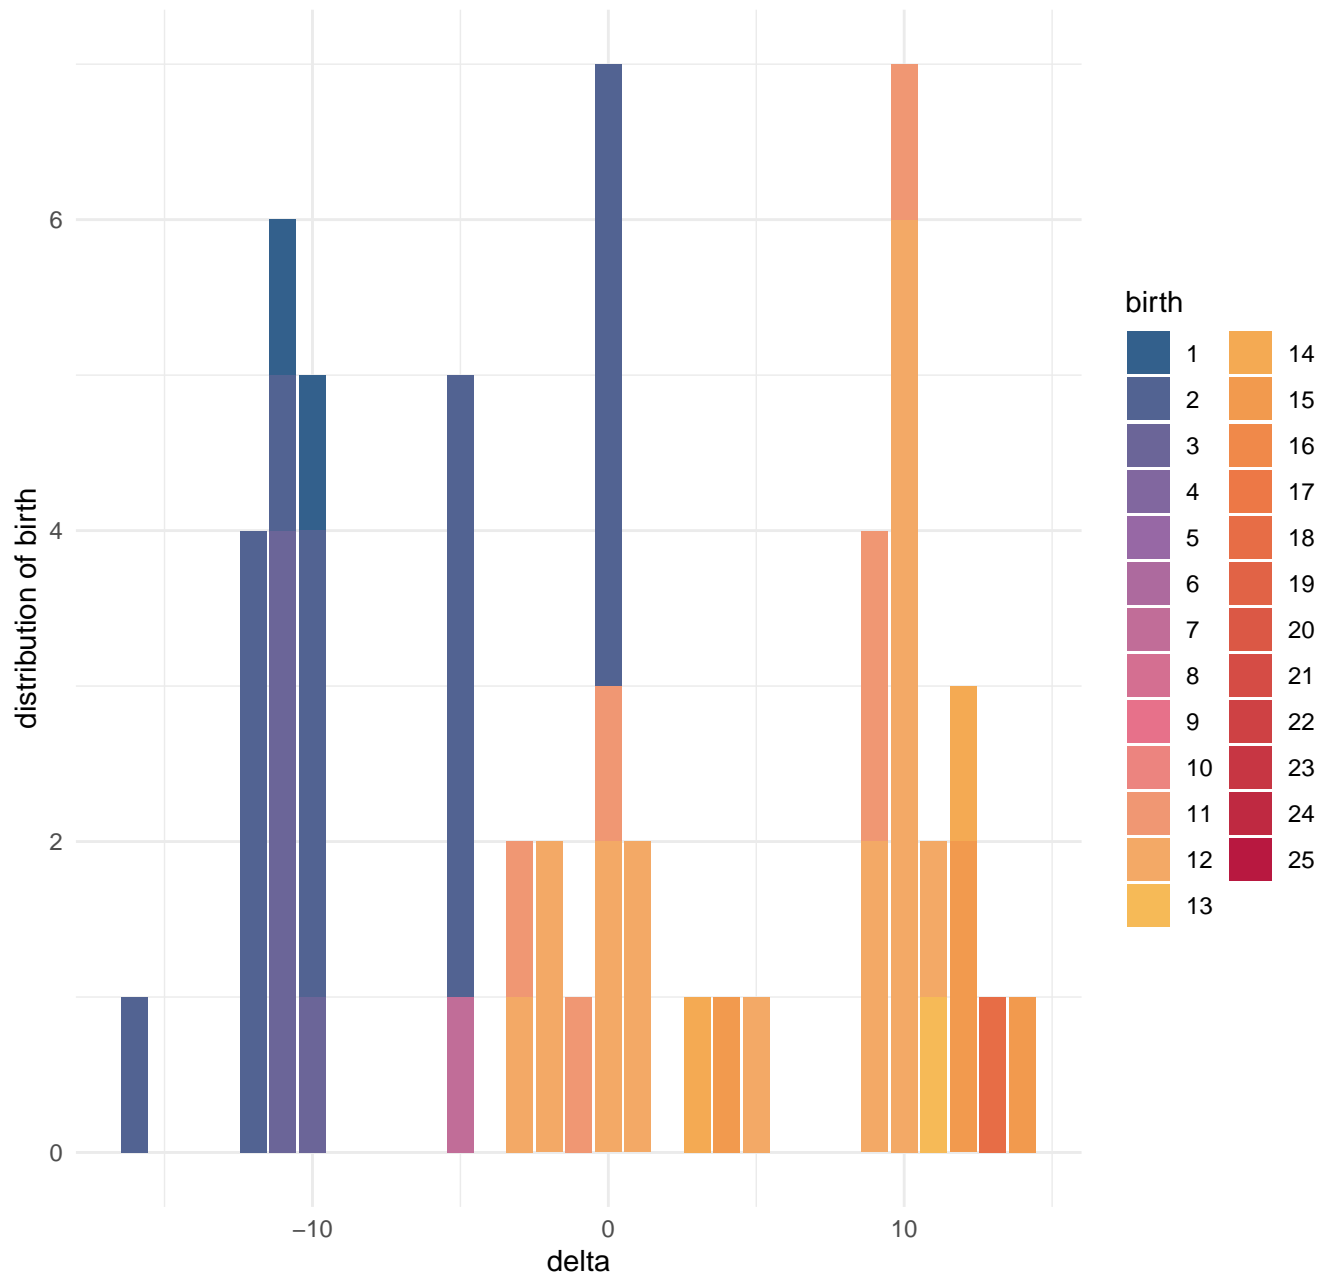

Distribution of birth moments by delta for Neurotrophin

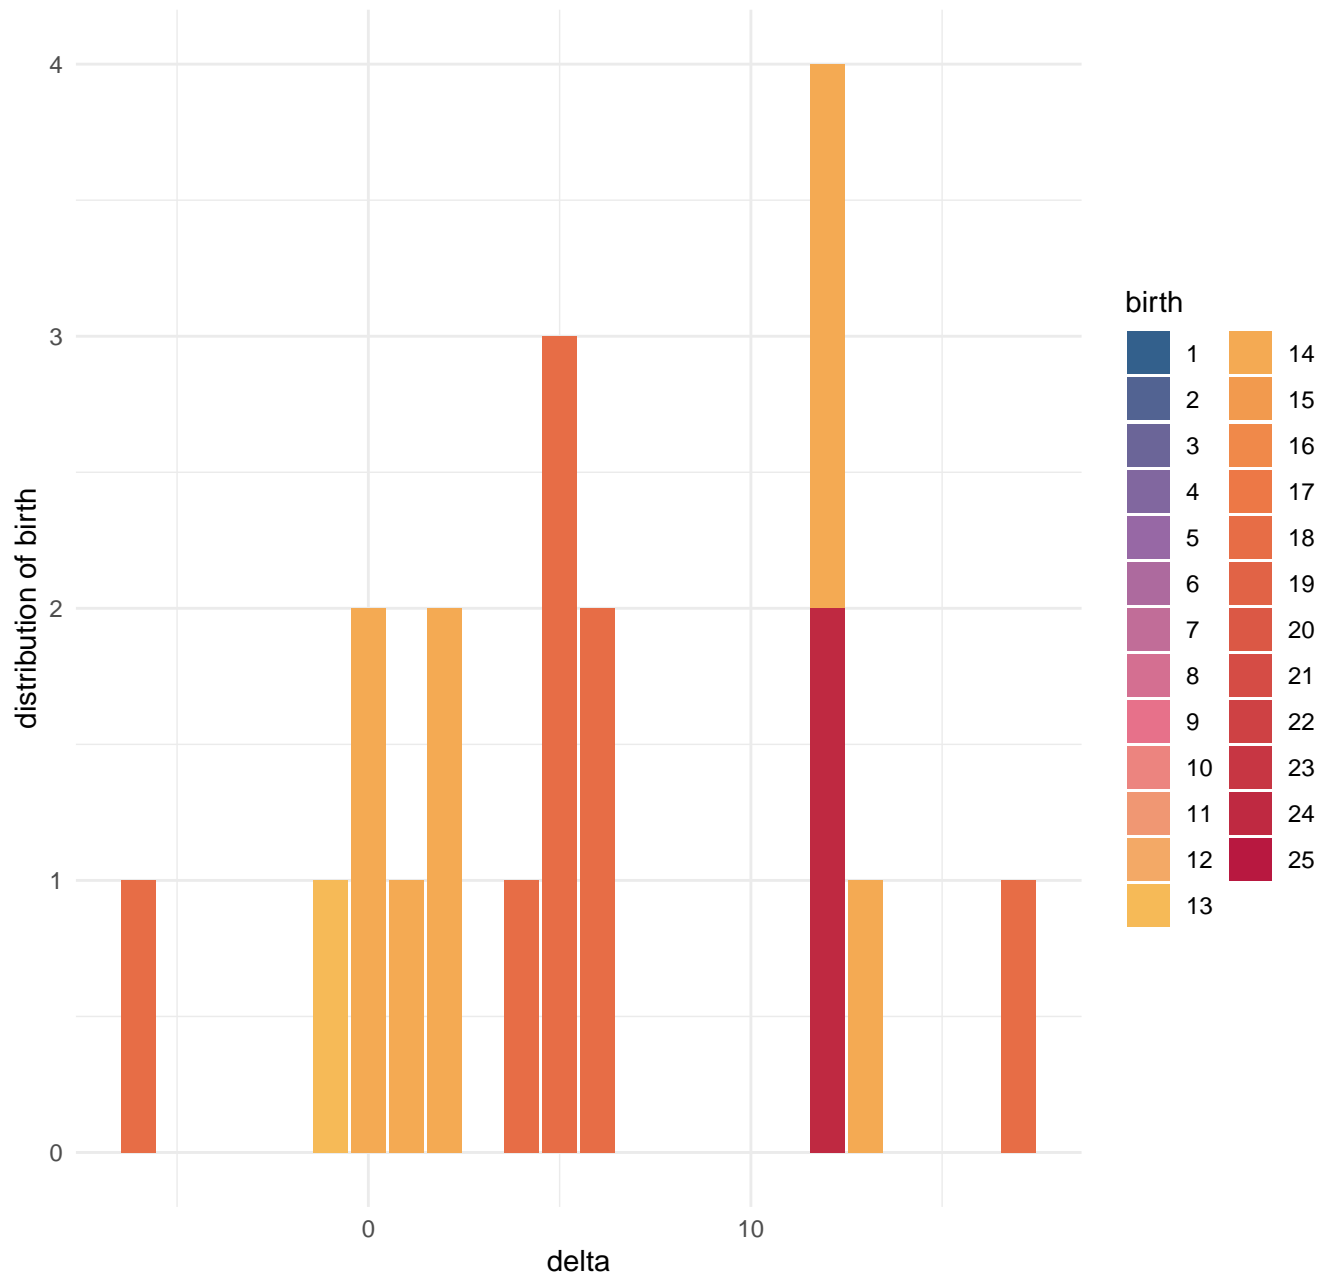

Distribution of birth moments by delta for Insulin

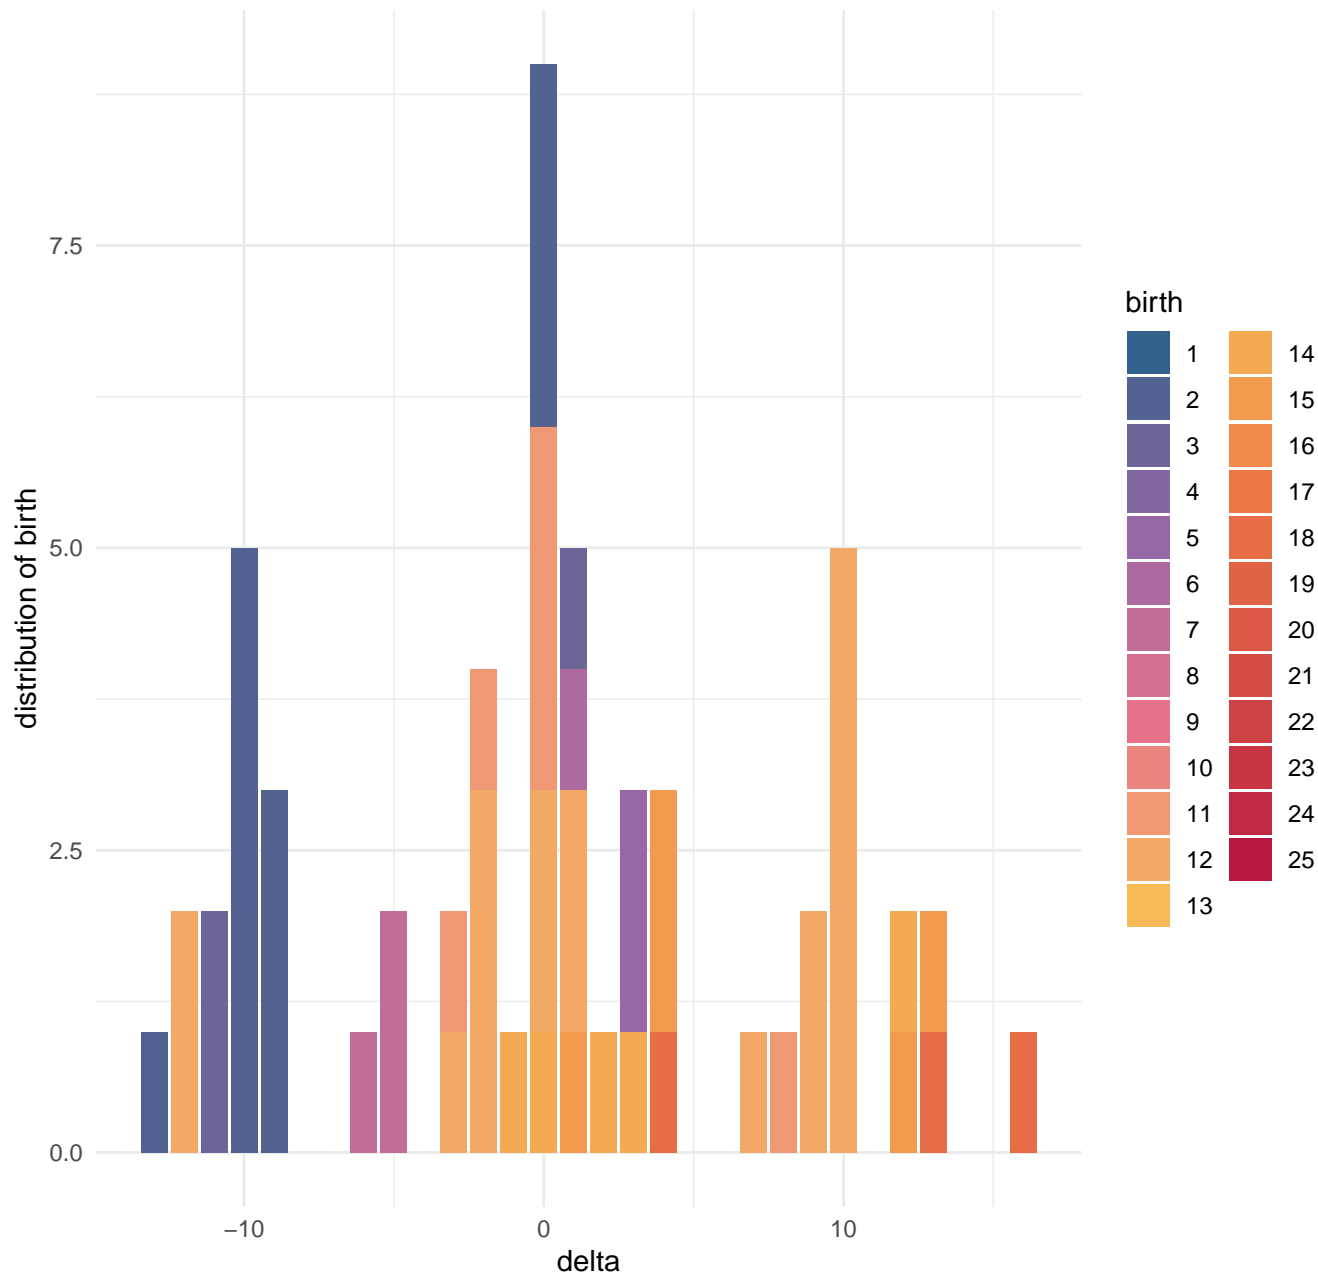

Distribution of birth moments by delta for GnRH

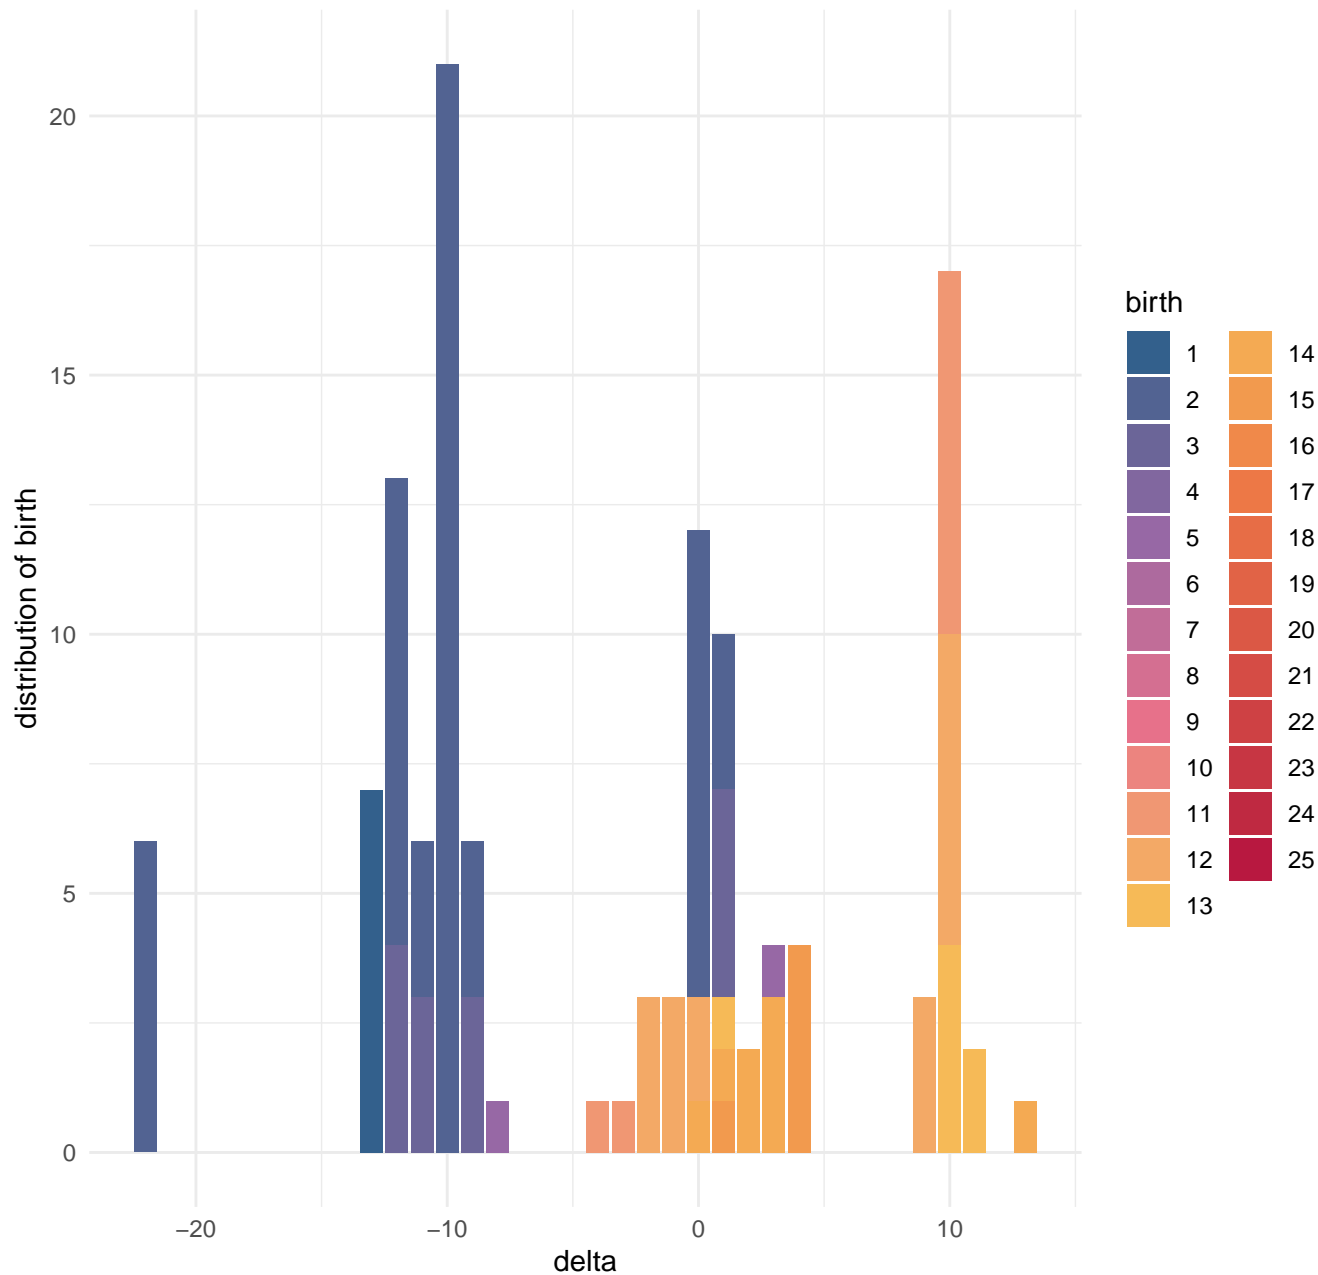

Distribution of birth moments by delta for Ovarian steroidogenesis

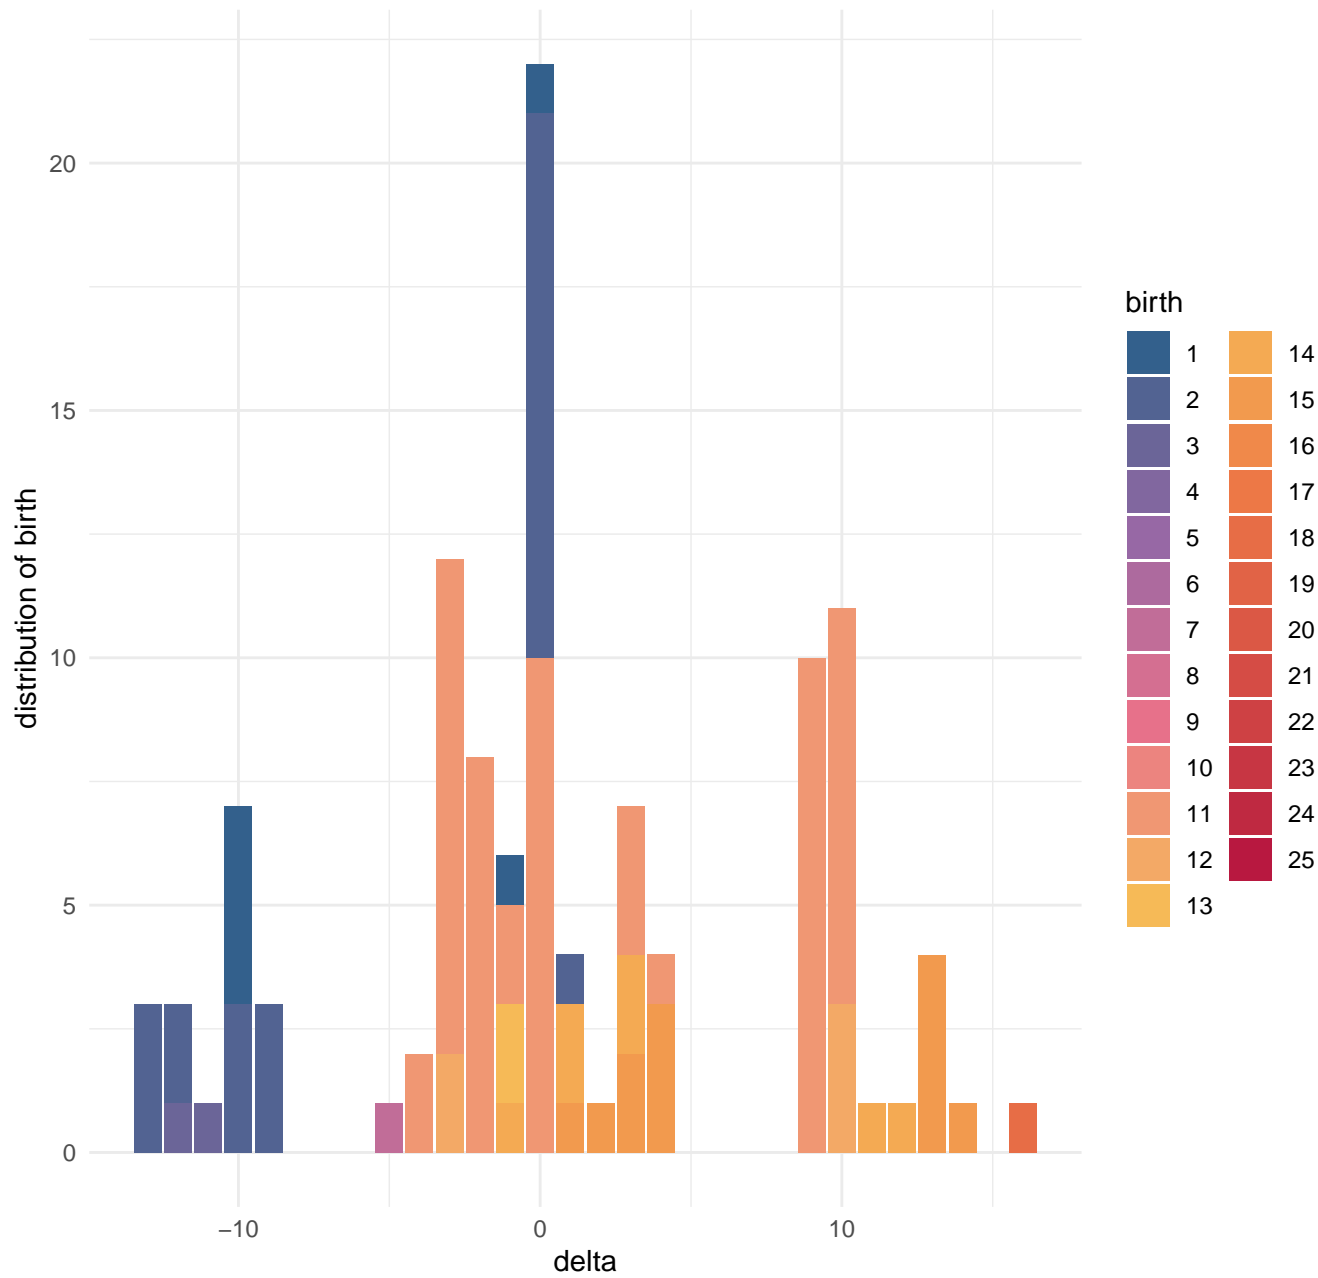

Distribution of birth moments by delta for Estrogen

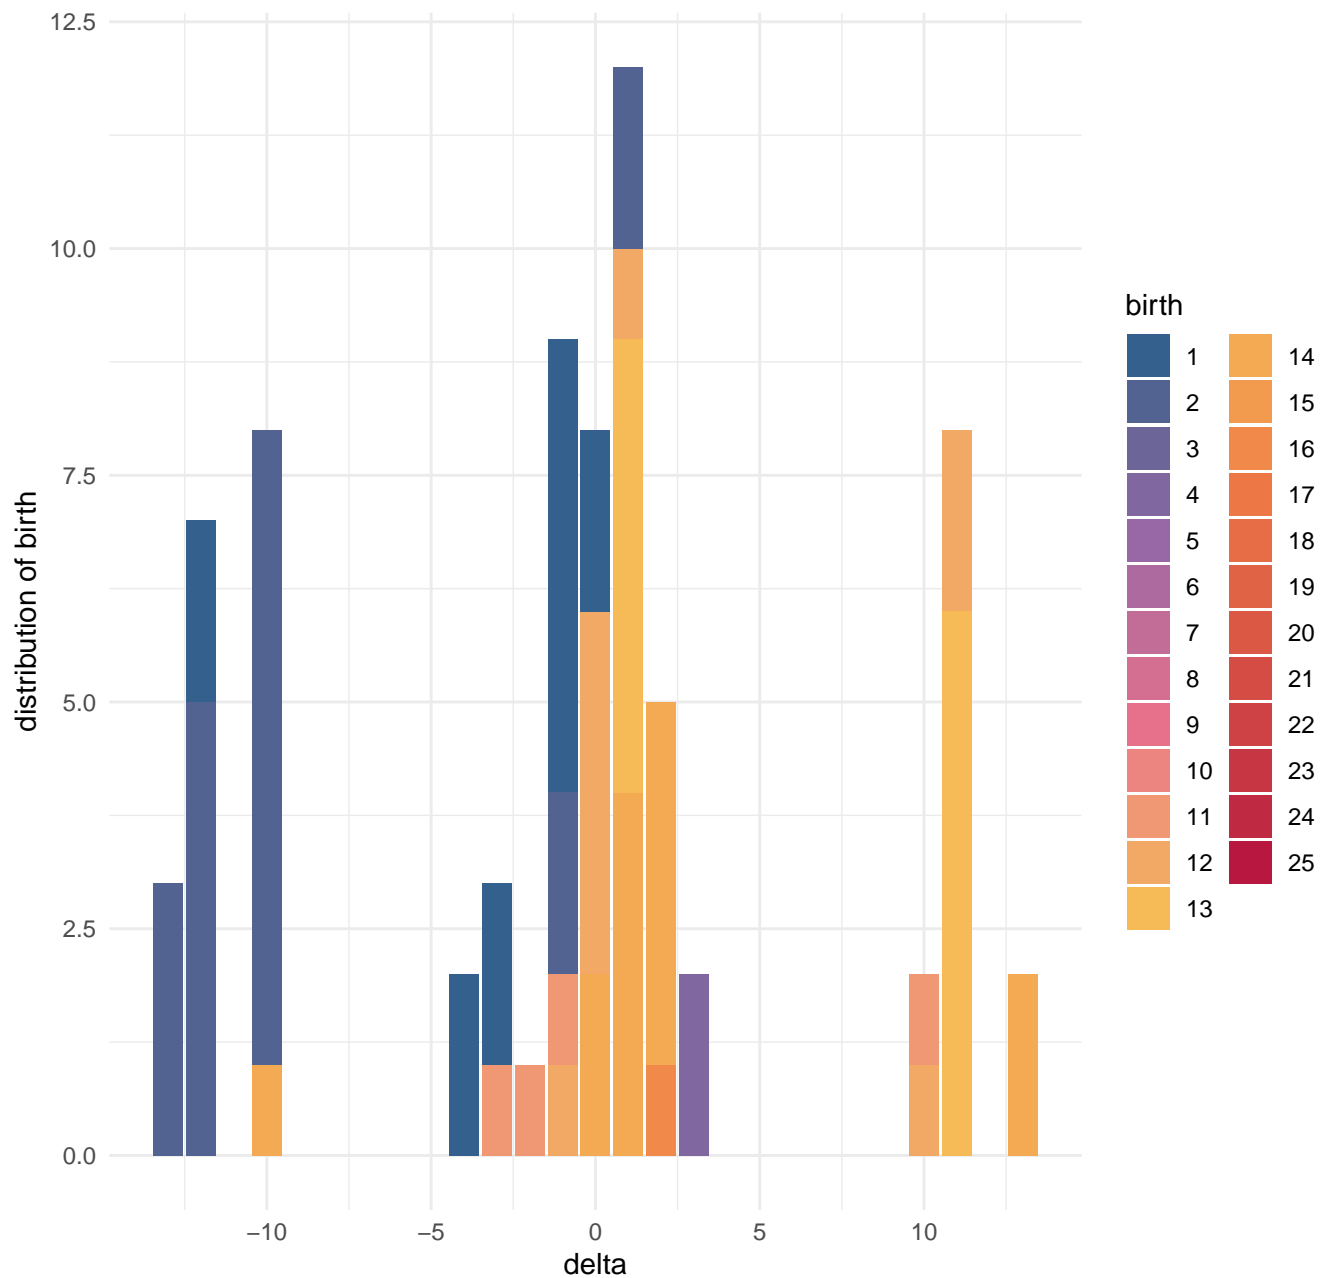

Distribution of birth moments by delta for Prolactin

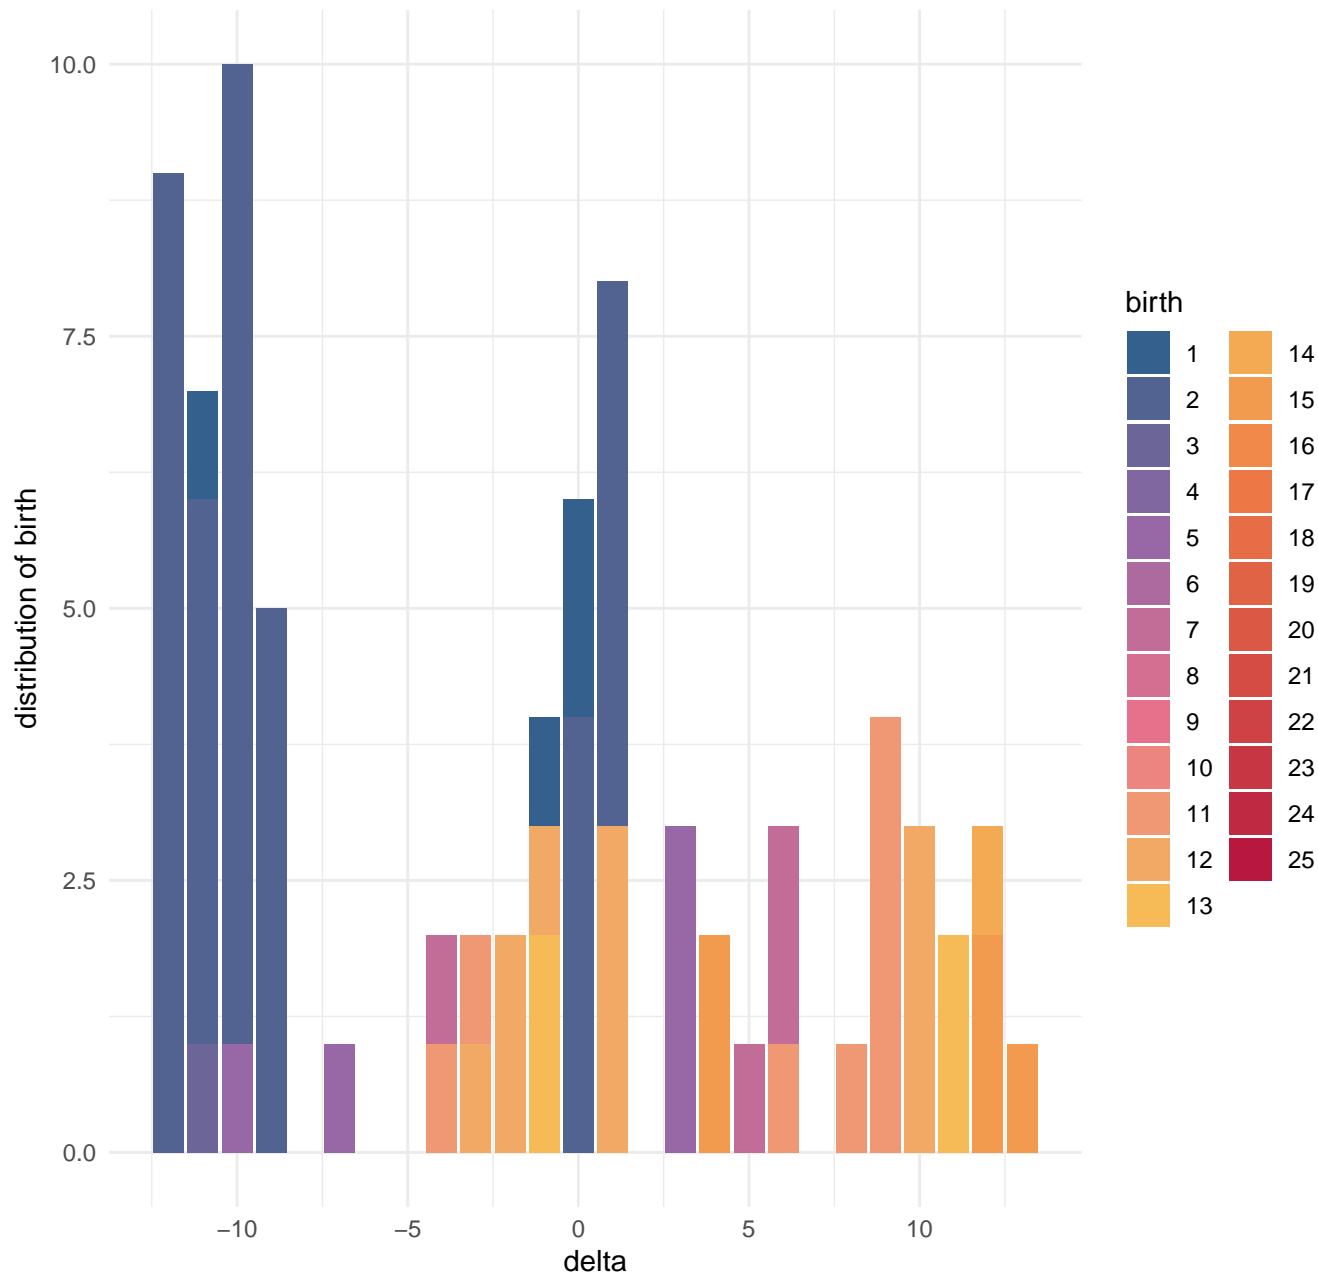

Distribution of birth moments by delta for Thyroid hormone

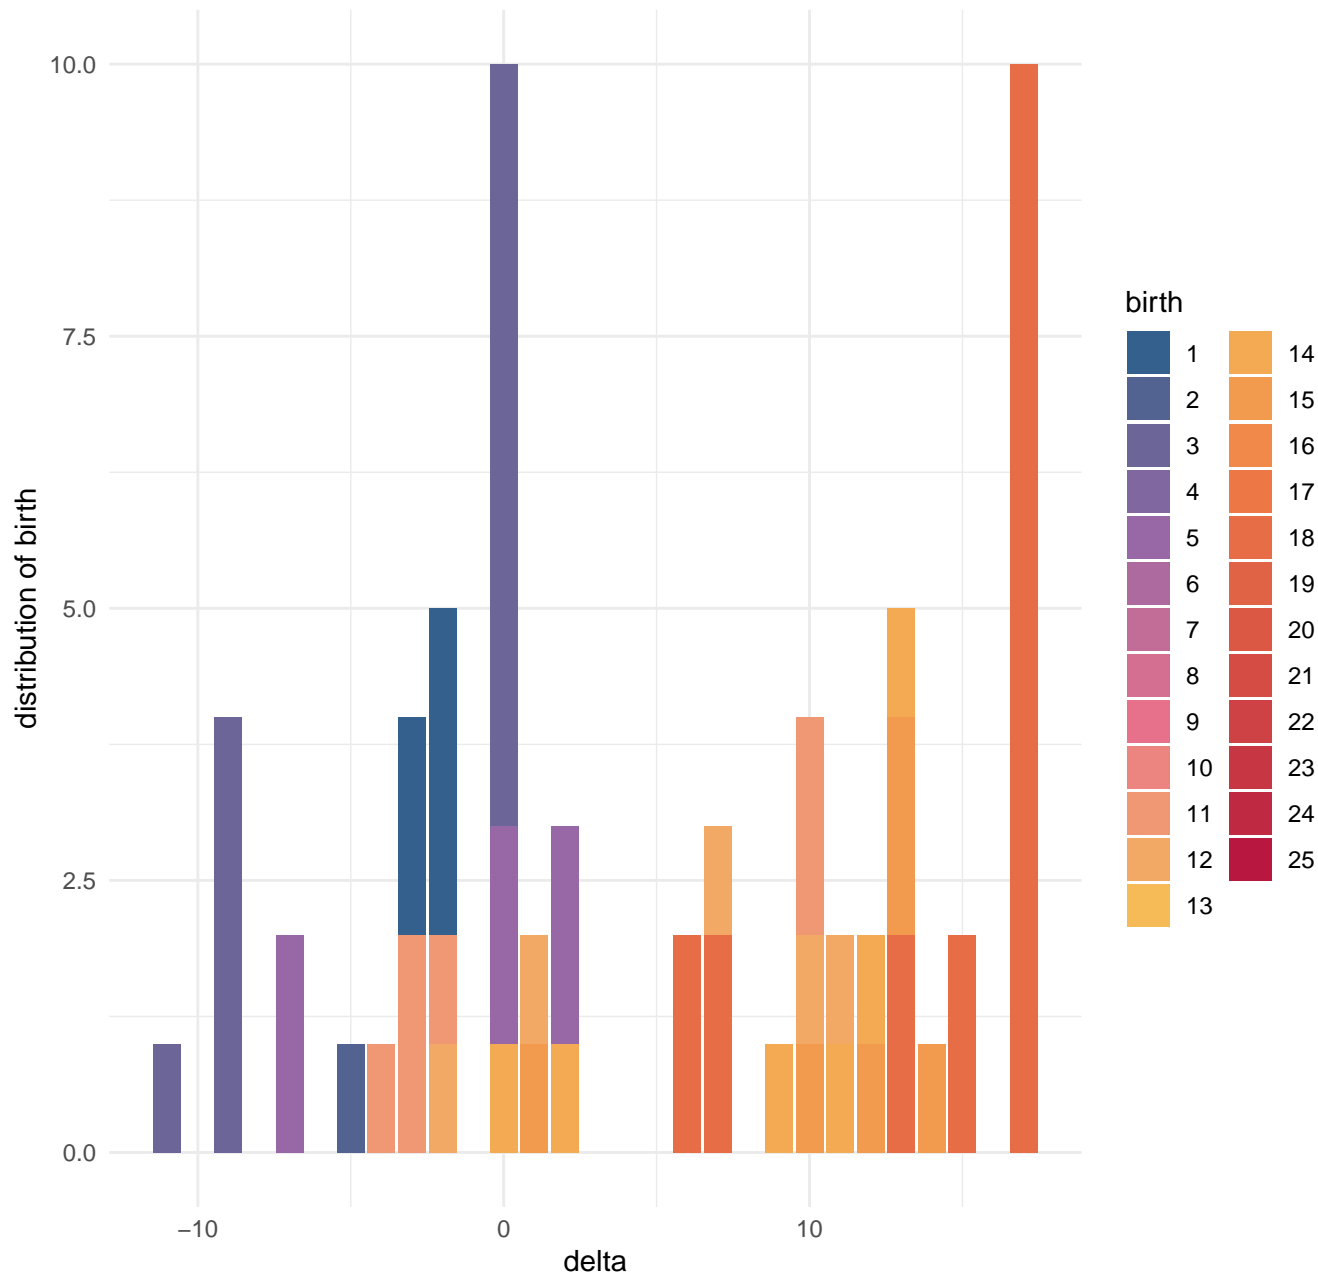

Distribution of birth moments by delta for Adipocytokine

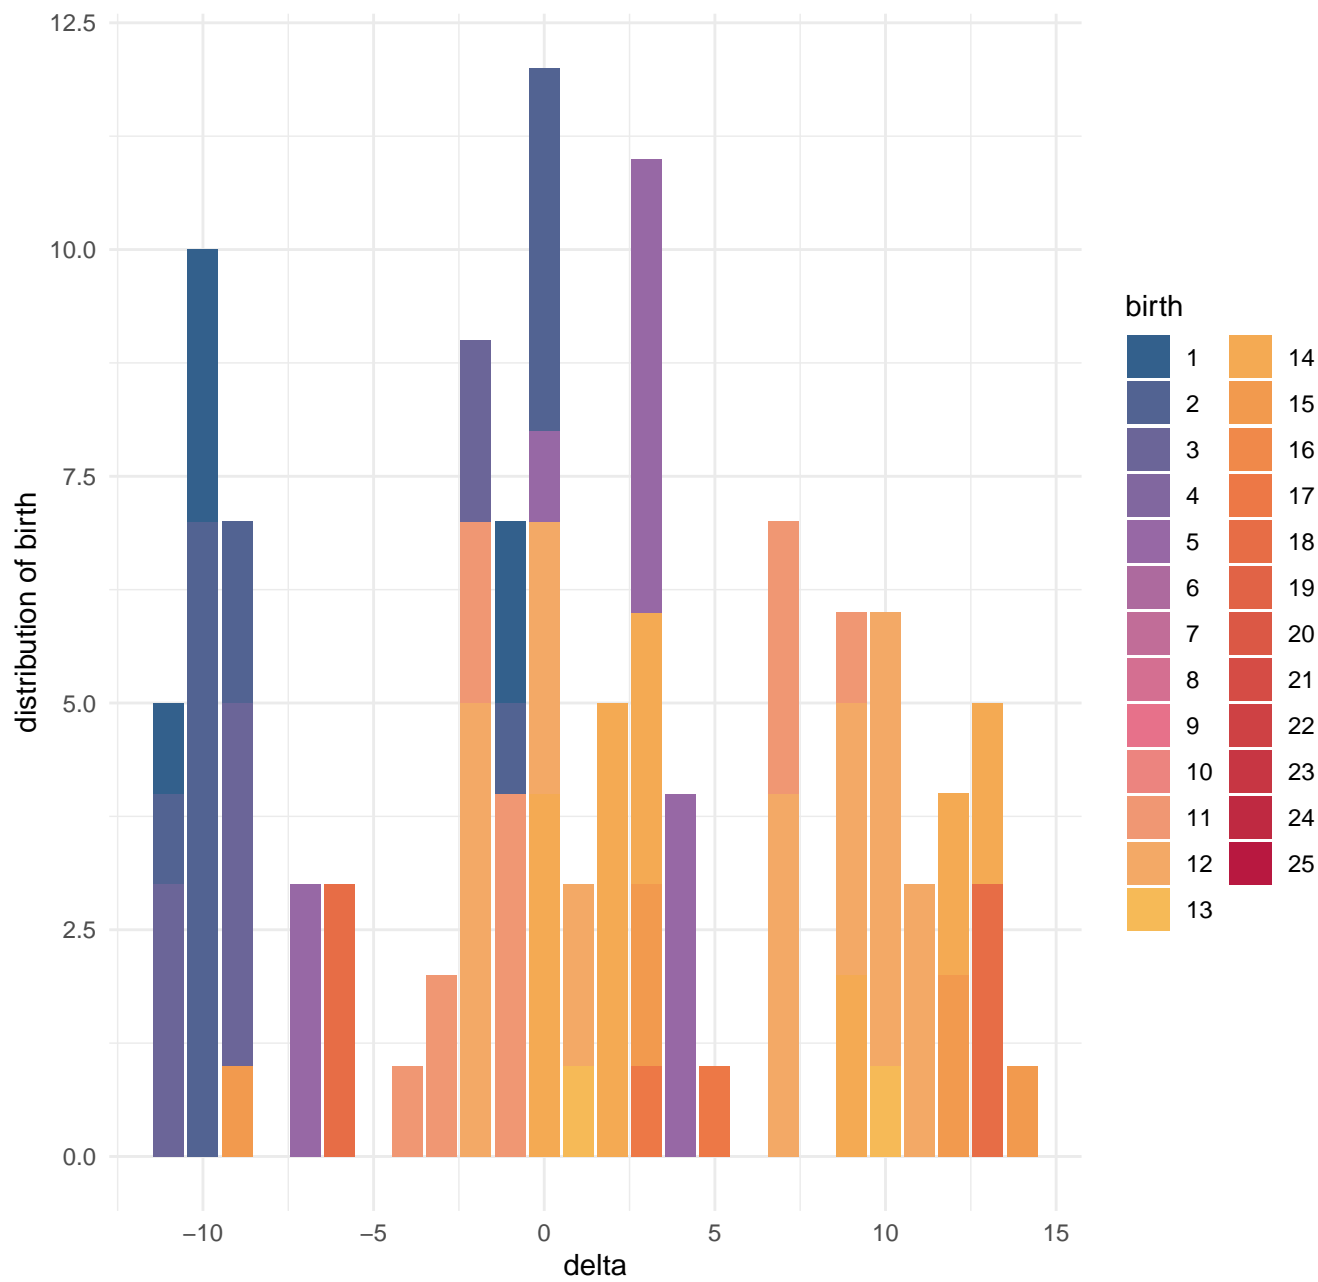

Distribution of birth moments by delta for Oxytocin

Distribution of birth moments by delta for Glucagon

Distribution of birth moments by delta for Relaxin

Distribution of birth moments by delta for AGE-RAGE
